

# EDITING YOUR NEWSLETTER

By David A. Reardon

When you edit a newsletter, you are not only editing the content, but you are also editing the design. The design of a newsletter is as important as the content. A well-designed newsletter is more likely to be read and shared than a poorly designed one. The design of a newsletter should be simple, clean, and professional. It should be easy to read and navigate. The design should also be consistent with the content. The design should be a reflection of the content, not a distraction from it. The design should be a reflection of the content, not a distraction from it. The design should be a reflection of the content, not a distraction from it.
