**David Dary**

## **Edition Howe Country Town Philosopher:**

*Ed Howe* Calder M. Pickett, 1956      American Naturalistic and Realistic Novelists Edd C. Applegate, 2001-11-30 Realistic writers seek to render accurate representations of the world and their novels contain authentic details and descriptions of their characters and settings Like Realistic authors Naturalistic ones similarly try to portray the world accurately but they tend to depict the darker side of life Realism was born in Europe in the nineteenth century and soon became popular in the United States while Naturalism became prominent at the beginning of the twentieth century Both traditions have continued in one form or another to the present day and Realistic and Naturalistic novelists include some of America's most significant authors such as Sherwood Anderson Saul Bellow Ambrose Bierce Willa Cather Theodore Dreiser Ralph Ellison and Jack London This reference includes biographical and critical entries for more than 120 American Naturalistic and Realistic novelists An introductory essay discusses the history of the Realistic and Naturalistic traditions points to the difficulty of defining them and surveys the many authors who have been associated with the two movements The entries that follow are arranged alphabetically to facilitate use Each includes basic biographical information and a narrative overview of the writer's educational background professional career and published works The writer's works are briefly discussed in relation to the Realistic and Naturalistic traditions Entries include primary and secondary bibliographies and the volume closes with a list of works for further reading      **Manhood Lost** Elaine Frantz Parsons, 2009-07-27 In fiction drama poems and pamphlets nineteenth century reformers told the familiar tale of the decent young man who fell victim to demon rum Robbed of his manhood by his first drink he slid inevitably into an abyss of despair and depravity In its discounting of the importance of free will argues Elaine Frantz Parsons this story led to increased emphasis on environmental influences as root causes of drunkenness poverty and moral corruption thus inadvertently opening the door to state intervention in the form of Prohibition Parsons also identifies the emergence of a complementary narrative of female invasion womanhood as a moral force powerful enough to sway choice As did many social reformers women temperance advocates capitalized on notions of feminine virtue and domestic responsibilities to create a public role for themselves Entering a distinctively male space the saloon to rescue fathers brothers and sons women at the same time began to enter another male bastion politics again justifying their transgression in terms of rescuing the nation's manhood      Mark Twain's Literary Resources Alan Gribben, 2024-10-15 Dr Alan Gribben a foremost Twain scholar made waves in 1980 with the publication of *Mark Twain's Library* a study that exposed for the first time the breadth of Twain's reading and influences Prior to Gribben's work much of Twain's reading history was assumed lost but through dogged searching Gribben was able to source much of Twain's library *Mark Twain's Literary Resources* is a much expanded examination of Twain's library and readings Volume I included Gribben's reflections on the work involved in cataloging Twain's reading and analysis of Twain's influences and opinions This volume long awaited is an in depth and comprehensive accounting of Twain's literary history Each work read or owned by Twain is

listed along with information pertaining to editions locations and more Gribben also includes scholarly annotations that explain the significance of many works making this volume of Mark Twain's Literary Resources one of the most important additions to our understanding of America's greatest author

**Dictionary of Midwestern Literature, Volume 1** Philip A. Greasley, 2001-05-30 The Dictionary of Midwestern Literature Volume One surveys the lives and writings of nearly 400 Midwestern authors and identifies some of the most important criticism of their writings The Dictionary is based on the belief that the literature of any region simultaneously captures the experience and influences the worldview of its people reflecting as well as shaping the evolving sense of individual and collective identity meaning and values Volume One presents individual lives and literary orientations and offers a broad survey of the Midwestern experience as expressed by its many diverse peoples over time Philip A Greasley's introduction fills in background information and describes the philosophy focus methodology content and layout of entries as well as criteria for their inclusion An extended lead essay The Origins and Development of the Literature of the Midwest by David D Anderson provides a historical cultural and literary context in which the lives and writings of individual authors can be considered This volume is the first of an ambitious three volume series sponsored by the Society for the Study of Midwestern Literature and created by its members Volume Two will provide similar coverage of non author entries such as sites centers movements influences themes and genres Volume Three will be a literary history of the Midwest One goal of the series is to build understanding of the nature importance and influence of Midwestern writers and literature Another is to provide information on writers from the early years of the Midwestern experience as well as those now emerging who are typically absent from existing reference works

**Rhetorical Bodies** Jack Selzer, Sharon Crowley, 1999 What significance does the physical material body still have in a world of virtual reality and genetic cloning How do technology and postmodern rhetoric influence our understanding of the body And how can our discussion of the body affect the way we handle crises in public policy the politics of race and ethnicity issues of family values that revolve around sexual and gender identities the choices revolving around reproduction and genome projects and the spread of disease Leading scholars in rhetoric and communication as well as literary and cultural studies address some of the most important topics currently being discussed in the human sciences The essays collected here suggest the wide range of public arenas in which rhetoric is operative from abortion clinics and the World Wide Web to the media's depiction of illiteracy and the Donner Party These studies demonstrate how the discourse of AIDS prevention or Demi Moore's beautiful pregnancy call to mind the physical nature of being human and the ways in which language and other symbols reflect and create the physical world

**Folk-say** Benjamin Albert Botkin, 1929 Edition for 1929 includes music

**Fraser's Magazine for Town and Country** James Anthony Froude, John Tulloch, 1840 Contains the first printing of Sartor resartus as well as other works by Thomas Carlyle

**The Publishers Weekly**, 1905

**The Continuum Encyclopedia of American Literature** Steven R. Serafin, Alfred Bendixen, 2005-09-01 More than ten years in the making this comprehensive single

volume literary survey is for the student scholar and general reader The Continuum Encyclopedia of American Literature represents a collaborative effort involving 300 contributors from across the US and Canada Composed of more than 1 100 signed biographical critical entries this Encyclopedia serves as both guide and companion to the study and appreciation of American literature A special feature is the topical article of which there are 70 *Harvard Guide to American History* Frank Freidel, Frank Burt Freidel, Richard K. Showman, 1974 Editions for 1954 and 1967 by O Handlin and others **Kansas Quarterly** ,1969 **History of Atchison County, Kansas** Sheffield Ingalls, 1916 **The Journalist's Bookshelf** Roland Edgar Wolseley, Isabel Wolseley, 1986 Star Quilts II ,2000 The Kansas City Star's supplement to our best selling Star Quilts I One Piece at a Time Features 16 of the original patterns and new rotary cutting instructions and redrafts plus full size patterns for the Memory Bouquet applique quilt from 1930 And more **The Midwestern Ascendancy in American Writing** Ronald Weber, 1992 For a half century from Edward Eggleston's pioneering novel The Hoosier Schoolmaster in 1871 through the dazzling early work of Hart Crane F Scott Fitzgerald and Ernest Hemingway in the 1920s Midwestern literature was at the center of American writing In The Midwestern Ascendancy in American Writing Ronald Weber illuminates the sense of lost promise that gives rise to the elegiac note struck in many Midwestern works he also addresses the deeply divided feelings about the region revealed in the contrary desires to abandon and to celebrate The period of Midwestern cultural ascendancy was a time of tremendous social and technological change Midwestern writing was a reflection of these societal changes it was American literature *Kansas* Craig Miner, 2002-10-21 Kansas is not only the Sunflower State it's the very heart of America's heartland It is a place of extremes in politics as well as climate where ambitious and energetic people have attempted to put ideals into practice a state that has come a long way since being identified primarily with John Brown and his exploits Craig Miner has written a complete and balanced history of Kansas capturing the state's colorful past and dynamic present as he depicts the persistence of contrasting images of and attitudes toward the state throughout its 150 years A work combining serious scholarship with great readability it encompasses everything from the Kansas Nebraska Act to the evolution creationism controversy emphasizing the historical moments that were pivotal in forming the culture of the state and the diverse group of people who have contributed to its history Kansas The History of the Sunflower State is the first new state history to appear in over twenty five years and the most thoroughly researched ever published Written to enlighten general readers within and well beyond the state's borders it offers coverage not found in previous histories greater attention to its cities notably Wichita and to its south central and western regions accounts of business history contributions of women and minorities and environmental concerns It presents the dark as well as the bright side of Kansas progressivism and is the first Kansas history to deal with the post World War II era in any significant detail Craig Miner has spent almost forty years researching teaching and writing Kansas history and has dug deeply into primary sources especially gubernatorial papers that shed new light on the state That research has enabled him to assemble a wider cast of characters

and more entertaining collection of quotations than found in earlier histories and to better show how individual initiative and entrepreneurial aspirations have profoundly influenced the creation of present day Kansas Ranging from the days of cattle and railroads to the era of oil and agribusiness this history situates the state in its own terms rather than as a sidebar to a larger American epic Miner brings to its pages an identifiable Kansas character to preserve what is distinctive about the state s identity for future generations echoing what one Kansan said over half a century ago Kansas is simply Kansas May she never be tempted to become anything else      **Tough Daisies** Clarence Robert Haywood,1995 By reputation Kansas isn t the funniest place on earth But it has its share of humor In this book Robert Haywood reveals the lighter side of a state that s too often pegged a collection of sober minded moralists struggling to find Utopia among the stars He explores what has passed for humor in good times and bad and divulges what makes Kansans laugh      **Kansas History** Homer E. Socolofsky, Virgil W. Dean,1992-04-20 The first volume in the series State Bibliographies this book provides comprehensive coverage of secondary materials on Kansas history and also includes useful references to major archival and manuscript collections Although excellent specialized bibliographies have been published this volume is the most complete compilation of historical and related materials for the state Its broad and diverse scope ranges from standard political and economic studies to social and environmental histories to local studies and to regional studies with special significance to the state The volume is divided into sections on prehistory indigenous population early exploration territorial period statehood Kansas since 1898 agriculture economic life transportation cultural life education science and medicine social history general histories and reference guides local and county history historiography materials and historic sites Entries include informative annotations designed to aid the novice and the scholar The volume is thoroughly indexed by author and subject and includes the only existing index for all the major articles appearing over the past 125 years in the Kansas State Historical Society s major publications  
*Library Journal* Melvil Dewey, Richard Rogers Bowker, L. Pylodet, Charles Ammi Cutter, Bertine Emma Weston, Karl Brown, Helen E. Wessells, 1885 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately
