**Mainstream or Special?** Josephine Jenkinson,2012-10-02 There remains some controversy about how best to meet the needs of pupils with special educational needs Should they be educated in mainstream schools alongside their peers or does this mean that specialist help and resources are denied to them This book explores in depth the ways in which this problem has been tackled in Australia the UK and Canada It looks at the major issues which have been raised and the types of provisions and resourcing which have been offered and then goes on to provide a vision of how future education provision might look for pupils with special educational needs

Curriculum Development for Students with Mild Disabilities Carroll J. Jones,2010 Many teachers of students with mild disabilities experience difficulty writing IEPs and they lack a foundation in the regular education curriculum of academic skills and sequences associated with each grade level This book was designed to provide this foundation Presented in the form of scope and sequence charts that can be used as objectives for the State Frameworks goals and benchmarks this resource assists in preparing IEPs including the new process of identification of children with disabilities through their responses to intervention RTI An additional focus is on the impact of federal laws IDEA and NCLB on the curriculum and assessment in schools today The book has been reorganized into ten chapters including historical perspectives early childhood special education curricula oral expression curricula reading and listening curricula written expression curricula mathematics curricula educational technology curricula K 12 social and self competence curricula

science curricula and evaluation reports case studies Appendix The scope and sequence charts were modified to include current national education standards and benchmarks and the skills in each of the academic areas that require annual state assessment These charts will assist teachers in modifying the general education curriculum for students with mild disabilities and to write complete Individual Education Programs using age appropriate and developmentally appropriate teaching and assessment materials Chapter summaries included for review purposes also serve as selective and motivational reading With special education teachers in short supply and the demands on their time so great this book will provide a valuable resource for cutting the clutter and moving to the heart of the teaching process determining what skills students need to move effectively to the next level     Educating Students with Mild Disabilities Edward L. Meyen, Glenn A. Vergason, Richard J. Whelan, 1993-01-01     Handbook for Educating Students with Disabilities Jeffrey P. Bakken, 2025-09-16 This Handbook focuses on the implications and strategies for educating students with disabilities Covering diverse populations from an academic behavioral and international standpoint it is a comprehensive resource spanning elementary to high school In the first section the Handbook delves into students with learning disabilities autism and emotional behavioral disorders The second section deals with students that have intellectual disabilities or extensive support needs The third section concentrates on students with sensory disabilities The fourth section addresses disabled youth and ways of knowing how to inform strategies in special education The fifth and final section explores how teachers parents and related personnel impact special education and services for these students Extensive in its coverage of different disability areas the content is both informative and innovative offering invaluable insights The Handbook draws from a mix of national and international perspectives making it an indispensable guide for anyone engaged in the critical area of special education     *Encyclopedia of Special Education* Cecil R. Reynolds, Elaine Fletcher-Janzen, 2007-01-02 Offers a thoroughly revised comprehensive A to Z compilation of authoritative information on the education of those with special needs
