Young Woman on the Shore, 1896 (detail)
© Museum of Art, University of Toronto
"The sea - it is an incomprehensible existence..."
A heartbreakingly beautiful image, and one that brings
home how absolutely alone we are in the universe.
What is this mystery woman, and why does she stand
there so forlorn? We may come to this picture in search
of a love story but we stay for the wider significance of
what is actually just one in a series of paintings called
The Lonely Ones.
