Elizabeth I War And Politics 1588 1603

W. B. Patterson

Elizabeth I War And Politics 1588 1603:

Elizabeth I Wallace T. MacCaffrey, 1994-05-24 Completing his major analysis of Elizabethan high politics with this eagerly awaited third volume Wallace MacCaffrey investigates how Elizabeth I the unwarlike war leader and her ministers made the great decisions that shaped English political history in the years between the Armada of 1588 and her death in 1603 As in the previous volumes the author examines the ramifications of selected themes such as the Queen s reluctant entry into war with Spain the integration of Ireland into the English imperial system and the threat of renewed political faction with the appearance of a new favorite at court the Earl of Essex Throughout MacCaffrey reveals the intentions motivations and assumptions that guided Elizabeth s strategy in a struggle fought on many fronts on the high seas in the West Indies on the European continent and in Ireland In light of the Queen s desire to uphold her popularity through the maintenance of peace and prosperity the author explains why she pursued war with Spain by only half measures and how the brutal conquest of Ulster and the destruction of Tyrone came to be seen as prerequisites for the incorporation of Northern Ireland A lively narrative outlines international circumstances as perceived by the policy makers exposing the preconceptions and limited knowledge behind decisions that ultimately worked to England s advantage **Elizabeth I** Wallace T. MacCaffrey, 1992

Completing his major analysis of Elizabethan high politics with this eagerly awaited third volume Wallace MacCaffrey investigates how Elizabeth I the unwarlike war leader and her ministers made the great decisions that shaped English political history in the years between the Armada of 1588 and her death in 1603 As in the previous volumes the author examines the ramifications of selected themes such as the Queen s reluctant entry into war with Spain the integration of Ireland into the English imperial system and the threat of renewed political faction with the appearance of a new favorite at court the Earl of Essex Throughout MacCaffrey reveals the intentions motivations and assumptions that guided Elizabeth s strategy in a struggle fought on many fronts on the high seas in the West Indies on the European continent and in Ireland In light of the Queen s desire to uphold her popularity through the maintenance of peace and prosperity the author explains why she pursued war with Spain by only half measures and how the brutal conquest of Ulster and the destruction of Tyrone came to be seen as prerequisites for the incorporation of Northern Ireland A lively narrative outlines international circumstances as perceived by the policy makers exposing the preconceptions and limited knowledge behind decisions that ultimately worked to England s advantage **War and politics in the Elizabethan counties** Neil Younger, 2017-10-03

War and politics in the Elizabethan counties reassesses the national war effort during the wars against Spain 1585 1603 Drawing on a mass of hitherto neglected sources it finds a political system in much better health than has been thought revising many existing assumptions about the weaknesses of the state in the face of military change It examines politics and government from the court and privy council to the counties and parishes assessing the central regime as well as the local machinery of lord lieutenancies which provided troops to fight Elizabeth s wars and ran the militia which defended against

Spanish invasion attempts The problems of government are assessed in a wide ranging set of contexts addressing popular attitudes to the war government propaganda local resistance and the problems of governing a country divided in religion In this way the book covers much more than the war alone providing a new assessment of the effectiveness of the whole Elizabethan state *Elizabeth I* David Loades,2006-08-23 **Elizabeth I and Ireland** Brendan Kane,Valerie McGowan-Doyle,2014-11-10 The last generation has seen a veritable revolution in scholarly work on Elizabeth I on Ireland and on the colonial aspects of the literary productions that typically served to link the two It is now commonly accepted that Elizabeth was a much more active and activist figure than an older scholarship allowed Gaelic elites are acknowledged to have had close interactions with the crown and continental powers Ireland itself has been shown to have occupied a greater place in Tudor political calculations than previously thought Literary masterpieces of the age are recognised for their imperial and colonial entanglements *Elizabeth I and Ireland* is the first collection fully to connect these recent scholarly advances Bringing together Irish and English historians and literary scholars of both vernacular languages this is the first sustained consideration of the roles played by Elizabeth and by the Irish in shaping relations between the realms

Elizabeth I Patrick Collinson,2007-04-23 Definitive concise and very interesting From William Shakespeare to Winston Churchill the Very Interesting People series provides authoritative bite sized biographies of Britain s most fascinating historical figures people whose influence and importance have stood the test of time Each book in the series is based upon the biographical entry from the world famous Oxford Dictionary of National Biography *Marriage, Performance, and Politics at the Jacobean Court* Kevin Curran,2016-05-06 *Marriage Performance and Politics at the Jacobean Court* constitutes the first full length study of Jacobean nuptial performance a hitherto unexplored branch of early modern theater consisting of masques and entertainments performed for high profile weddings Scripted by such writers as Ben Jonson Thomas Campion George Chapman and Francis Beaumont these entertainments were mounted for some of the most significant political events of James s English reign Here Kevin Curran analyzes all six of the elite weddings celebrated at the Jacobean court reading the masques and entertainments that headlined these events alongside contemporaneously produced panegyrics festival books sermons parliamentary speeches and other sources The study shows how collectively wedding entertainments turned the idea of union into a politically versatile category of national representation and offered new ways of imagining a specifically Jacobean form of national identity by doing so **Transforming Leadership** James MacGregor Burns,2007-12-01 The New York Times bestselling author and Pulitzer Prize winner examines the history of leadership and the crucial role of leaders in a healthy democracy In *Transforming Leadership* James MacGregor Burns illuminates the evolution of leadership structures from the chieftains of tribal African societies through Europe s absolute monarchies to the blossoming of the Enlightenment s ideals of liberty and happiness during the American Revolution Along the way he looks at key breakthroughs in leadership and the towering leaders who attempted to transform their worlds Elizabeth I Washington

Jefferson Gandhi Eleanor Roosevelt Gorbachev and others Culminating in a bold and innovative plan to address the greatest global leadership challenge of the twenty first century the long intractable problem of global poverty Transforming Leadership will spark lively discussion in classrooms and boardrooms throughout the country **Queenship and Political Discourse in the Elizabethan Realms** Natalie Mears,2005-12-08 An important re evaluation of Elizabethan politics and Elizabeth s queenship in sixteenth century England Wales and Ireland The Routledge Companion to the Tudor Age Rosemary O'Day,2012-07-26 This new Companion is an invaluable guide to one of the most colourful periods in history Covering everything from the Reformation controversies over the succession and the prayer book to literature the family and education this highly accessible reference tool contains commentary on the key events in the reigns of the five Tudor monarchs from Henry VII to Elizabeth I Opening with a general introduction it includes a wealth of chronologies biographies statistics and maps as well as a glossary and a guide to the key works in the field Topics covered include The establishment of the Tudor dynasty monarchs and their consorts rebellions against the Tudors The legal system central and ecclesiastical courts Government central and local the Monarchy and Parliament The Church structure and changes throughout this tumultuous period Ireland timeline of key events Population numbers and distribution The World of Learning education literature religion The key debates in the field This book will be essential reading for all those with an interest in the Tudor Age *Voices of Shakespeare's England* John A. Wagner,2010-02-09 *Voices of Shakespeare s England* offers students and public library patrons over 50 primary documents that illuminate the character personalities and events of the Elizabethan and Jacobean periods *Voices of Shakespeare s England Contemporary Accounts of Elizabethan Daily Life* helps readers explore the era that produced among other things the world s greatest playwright It brings together excerpts from over 50 primary documents written in William Shakespeare s lifetime including letters literature speeches and polemics official reports and descriptive narratives *Voices of Shakespeare s England* includes the works of Shakespeare himself as well as other poets and playwrights but it also expands beyond the literary world to cover politics religion economics social change and the royal court By allowing Shakespeare s contemporaries to speak in their own voices it offers an illuminating look at the breadth of Elizabethan society including major historic events in England as well as Scotland Ireland the European continent and even the new world of America **Military Honour and the Conduct of War** Paul Robinson,2006-07-28 This book analyses the influences of ideas of honour on the causes conduct and endings of wars from Ancient Greece through to the present day war in Iraq **The Polarisation of Elizabethan Politics** Paul E. J. Hammer,1999-06-24 A revisionist 1999 account of the career of Elizabeth I s favourite the 2nd Earl of Essex *The Making of the British Isles* Steven G. Ellis,Christopher Maginn,2014-07-15 The history of the British Isles is the story of four peoples linked together by a process of state building that was as much about far sighted planning and vision as coincidence accident and failure It is a history of revolts and reversal familial bonds and enmity the study of which does much to explain the underlying tension between the

nations of modern day Britain The Making of the British Isles recounts the development of the nations of England Scotland Wales and Ireland from the time of the Anglo French dual monarchy under Henry VI through the Wars of the Roses the Reformation crisis the reigns of Henry VIII and Elizabeth I the Anglo Scottish dynastic union the British multiple monarchy and the Cromwellian Republic ending with the acts of British Union and the Restoration of the Monarchy **Conquest and Resistance** Padraig Lenihan, 2021-10-25 These ten thematic essays examine the three Irish wars of the seventeenth century in relation to each other thereby yielding important comparative insights The military potential of England and later an emergent Britain was immeasurably greater than that of Irish Catholics John McGurk James Scott Wheeler and Paul Kerrigan evaluate the logistical and naval strategies exploiting this advantage Such was the disparity that an effective Irish military response to conquest and colonisation was only feasible in the favourable archipelagic and continental European circumstances explored by John Young and Tadhg hAnnrach in Defeat or victory ultimately depended on relative military performance in manoeuvre battle and siege operations evaluated by Padraig Lenihan Donal O Carroll and James Burke Bernadette Whelan examines the role of women as victim survivor and occasionally combatant You cannot carry fire in a sack Raymond Gillespie notes the impact of war especially on urban Ireland **Biography and History in Film** Thomas S. Freeman, David L. Smith, 2019-10-14 The essays in this volume seek to analyze biographical films as representations of historical individuals and the times in which they lived To do this contributors examine the context in which certain biographical films were made including the state of knowledge about their subjects at that moment and what these films reveal about the values and purposes of those who created them This is an original approach to biographical as opposed to historical films and one that has so far played little part in the growing literature on historical films The films discussed here date from the 1920s to the 2010s and deal with males and females in periods ranging from the Middle Ages to the end of the twentieth century In the process the book discusses how biographical films reflect changing attitudes towards issues such as race gender and sexuality and examines the influence of these films on popular perceptions of the past The introduction analyses the nature of biographical films as a genre it compares and contrasts the nature of biography on film with written biographies and considers their relationship with the discipline of history As the first collection of essays on this popular but understudied genre this book will be of interest to historians as well as those in film and cultural studies *The Accession of James I* G. Burgess, R. Wymer, J. Lawrence, 2016-03-02 This book analyzes the consequences of the accession of James I in 1603 for English and British history politics literature and culture Questioning the extent to which 1603 marked a radical break with the past the book explores the Scottish Welsh and wider European and colonial contexts to this crucial date in history **King James VI and I and the Reunion of Christendom** W. B. Patterson, 2000-09-14 This book shows King James VI and I king of Scotland and England in an unaccustomed light Long regarded as inept pedantic and whimsical James is shown here as an astute and far sighted statesman whose reign was focused on achieving a permanent union between his

two kingdoms and a peaceful and stable community of nations throughout Europe *Survival: Global Politics and Strategy*
June-July 2020 0 The International Institute for Strategic Studies (IISS), 2023-04-14 *Survival* the IISS's bimonthly journal
challenges conventional wisdom and brings fresh often controversial perspectives on strategic issues of the moment In this
issue Fran ois Heisbourg argues that the COVID 19 pandemic has reinforced the power of the state in its traditional role as
protector of society from outside threats Lawrence Freedman assesses that the UK misjudged the speed and severity of the
pandemic but ultimately followed the science Gigi Kwik Gronvall describes the extraordinary global mobilisation of the
scientific community as a source of hope amid the pandemic Mark Fitzpatrick warns that US sanctions against Iran not only
damage America's reputation but also violate its moral duty to prevent further deaths of Iranians from COVID 19 And eight
more thought provoking pieces as well as our regular book reviews and noteworthy column *Shakespeare, Spenser, and*
the Crisis in Ireland Christopher Highley, 1997-12-11 Ireland is increasingly recognized as a crucial element in early modern
British literary and political history Christopher Highley's book explores the most serious crisis the Elizabethan regime faced
its attempts to subdue and colonize the native Irish Through a range of literary representations from Shakespeare and
Spenser and contemporaries like John Hooker John Derricke George Peele and Thomas Churchyard he shows how these
writers produced a complex discourse about Ireland that cannot be reduced to a simple ethnic opposition This book
challenges traditional views about the impact of Spenser's experience in Ireland on his cultural identity while also arguing
that the interaction between English and Ireland is a powerful and provocative subtext in the work of Shakespeare and his
fellow dramatists Highley argues that the confrontation between an English imperial presence and a Gaelic other was a
profound factor in the definition of an English poetic self
