

The Story of Hamlet

Hamlet is the Prince of Denmark. His father dies and his mother, Gertrude, soon marries his uncle Claudius. Because Claudius has married the Queen, he becomes King of Denmark. The ghost of Hamlet's father comes to Hamlet and says that Claudius killed him. At first, Hamlet wants to kill his uncle Claudius, but he is very indecisive and doesn't do it. He tells some actors to act out the murder to his father. The actors act out the murder and everyone can see from Claudius's face that he really is the murderer. But still Hamlet does nothing. Hamlet is losing interest in his girlfriend Ophelia. Ophelia's father, Polonius, is a bit of a fool who keeps giving everybody advice they do not want. One day Hamlet is talking to Gertrude and he hears a noise behind a curtain. He takes out his sword and kills the man behind the curtain. It is Polonius. Ophelia goes mad. Hamlet gets into a swordfight with Laertes, Ophelia's brother. During the swordfight, Hamlet is killed.
