

Elliott Durham and St Anns

the Comprehensive
School on the hill

in inner-city
Nottingham

This is the beginning of a recorded history of Elliott Durham. How many comprehensive schools serving inner-city areas have an archive of their own history? Elliott Durham staff are not alone in having little time or resources to create an archive, or a tradition which makes it a priority.

Young people in areas like St Anns experience unfair disadvantage. Their school (like many others) too often is judged only by unadjusted exam results ratings. Their home area is publicly discussed mainly in terms of crime statistics and lack of community. To combat this gross distortion of the facts, young people need as much available information as possible about their school's history and that of its environs.

Elliott Durham has played a pivotal role in the St Anns community since 1996. Is this sufficiently recognised?
