## **Eloquence Of Mary Astell:**

**The Eloquence of Mary Astell** Christine Mason Sutherland, 2005 The Eloquence of Mary Astell makes an important contribution to the knowledge and understanding of the important role that women and one woman in particular played in the history of rhetoric Mary Astell 1666 1731 was an unusually perceptive thinker and writer during the time of the Enlightenment Here author Christine Sutherland explores her importance as a rhetorician an area that has until recently received little attention Astell was widely known and respected during her own time but her influence and reputation receded in the years after her death Her importance as an Enlightenment thinker is becoming more and more recognized however As a skilled theorist and practitioner of rhetoric Astell wrote extensively on education philosophy politics religion and the status of women She showed that it was possible for a woman to move from the semi private form of rhetoric represented by conversation and letters into full public participation in philosophical and political debate

**The Eloquence of Mary Astell**, 2005 Practically ignored for over 200 years Mary Astell's writing returned to prominence in the latter part of the 20th century in a celebrated biography by Ruth Perry Self educated Astell was an avid political thinker philosopher educationalist and early feminist Until recently little attention has been paid to her importance and skill in rhetoric where she is known as both a practitioner and theorist Her work is remarkable for an intellectual depth that does not compromise accessibility and for a style that is forcefully persuasive yet grounded in the rhythms of conversation Widely respected for her participation in public discourse on politics and philosophy she was well ahead of her time in the development of the rhetoric of care an approach later echoed by 20th century feminists in their battle for equality Drawing inspiration both from ancient theories and models and from early enlightenment philosophy Astell's thought has a timelessness that allows her to instruct and inspire us all

**Mary Astell** Michal Michelson, Professor William Kolbrener, 2013-04-28 Mary Astell Reason Gender Faith includes essays from diverse disciplinary perspectives to consider the full range of Astell's political theological philosophical and poetic writings The volume does not eschew the more traditional scholarly interest in Astell's concerns about gender rather it reveals how Astell's works require attention not only for their role in the development of early modern feminism but also for their interventions on subjects ranging from political authority to educational theory from individual agency to divine service and from Cartesian ethics to Lockean epistemology Given the vast breadth of her writings her active role within early modern political and theological debates and the sophisticated complexity of her prose Astell has few parallels among her contemporaries Mary Astell Reason Gender Faith bestows upon Astell the attention which she deserves not merely as a proto feminist but as a major figure of the early modern period

Lay Activism and the High Church Movement of the Late Eighteenth Century Robert M. Andrews, 2015-05-12 Lay Activism and the High Church Movement of the Late Eighteenth Century The Life and Thought of William Stevens 1732 1807 by Robert M Andrews is the first full length study of Stevens life and thought Historiographically revisionist and

contextualised within a neglected history of lay High Church activism Andrews presents Stevens as an influential High Church layman who brought to Anglicanism not only his piety and theological learning but his wealth and business acumen With extensive social links to numerous High Church figures in late Georgian Britain Stevens lay activism is shown to be central to the achievements and effectiveness of the wider High Church movement during the late eighteenth and early nineteenth centuries

Mary Astell Florence Mary Smith, 1916 *The Rhetoric of Rebel Women* Kimberly Harrison, 2013-10-07 During the American Civil War southern white women found themselves speaking and acting in unfamiliar and tumultuous circumstances With the war at their doorstep women who supported the war effort took part in defining what it meant to be and to behave as a Confederate through their verbal and nonverbal rhetorics Though most did not speak from the podium they viewed themselves as participants in the war effort indicating that what they did or did not say could matter Drawing on the rich evidence in women s Civil War diaries *The Rhetoric of Rebel Women* recognizes women s persuasive activities as contributions to the creation and maintenance of Confederate identity and culture Informed by more than one hundred diaries this study provides insight into how women cultivated rhetorical agency challenging traditional gender expectations while also upholding a cultural status quo Author Kimberly Harrison analyzes the rhetorical choices these women made and valued in wartime and postwar interactions with Union officers and soldiers slaves and former slaves local community members and even their God In their intimate accounts of everyday war these diarists discussed rhetorical strategies that could impact their safety their livelihoods and those of their families As they faced Union soldiers in attempts to protect their homes and property diarists saw their actions as not only having local immediate impact on their well being but also as reflecting upon their cause and the character of the southern people as a whole They instructed themselves through their personal writing allowing insight into how southern women prepared themselves to speak and act in new and contested contexts *The Rhetoric of Rebel Women* highlights the contributions of privileged white southern women in the development of the Confederate national identity presenting them not as passive
