The Elson Readers as you will see use familiar nursery rhymes and stories from Mother Goose that have delighted children for hundreds of years to teach reading to children This is the book your great grandmother probably read when she was learning to read Before the Elson Readers there were the McGuffey Readers starting in 1881 The McGuffey Readers showed a picture of a cat chasing a rat with the sentence The Cat and the Rat Ran These readers were used universally in schools for 40 years Some teachers in private schools are still using them The Elson Readers by William H Elson with a different book for each grade level had started by 1909 It was superseded by the Dick and Jane books starting in 1930 as one of the Elson Gray Readers This book was published by William H Elson 1856 1935 the same publisher as the original Elson Readers Dick and Jane used the Whole Word method where a short list of words was used repeatedly over and over again such as in Dick said Look look Look Up Up Up Up The most advanced section of Fun With Dick and Jane had a story about Dick and Jane s Father stopping at a gas station Dick and Jane came into disrepute in 1955 with the book Why Johnny Can t Read and What You Can Do About It by Rudolf Flesch The whole word method was simply not working Teachers switched to phonics which are in use today Dick and Jane were sent to an old folks home Spot was sent to the pound With Dick and Jane no longer in vogue why did not teachers go back to the Elson Readers that were used previously The answer probably is that William H Elson had died in 1935 and there was no money to be made reprinting the old books Publishers found new books to publish

Excerpt from The Elson Readers Vol 1 The stories and poems throughout the book represent the best to be found in child literature and include a wide variety thus appealing to many phases of child interest and supplying material suited to the varied needs of the school There are stories not only from the past fables and folk tales but also present day stories rich in ideals of home and country and of helpfulness to others ideals to which the World War has given new meaning that the school reader should perpetuate This book is distinctive for the large amount of reading matter that it contains as well as for the care with which the 425 words of the text are distributed Simplicity of vocabulary and sentence structure characterizes the book throughout Some of the stories of Book One are presented in dramatized form while many others lend themselves admirably to this treatment thus offering project material of an excellent type The many action stories particularly adapt this book to the purposes of silent reading a project of another important kind About the Publisher Forgotten Books publishes hundreds of thousands of
