Flowers From The Withering Garden Trent Chess, 2011-02-04 This book of poetry is from the view of the world through my eyes and no other I have always looked to the darker nature of life and the souls of men I have always written on the thoughts of life and death as these things are the constant in the lives of men I began writing poetry shortly after the death of my mother in 1987 but it was not until recent years that I cultivated my work into what it has become today If I can compel one person to think

about what was read then I have achieved something Most of my poems are ambiguous and will leave their meanings to the mind of the reader **Gilberto Gil's Refazenda** Marc A. Hertzman, 2020-02-06 Refazenda connects a remarkable album by one of the 20th and 21st centuries great musicians to a dazzling often unexpected array of people and places spread across the globe from Brazil to England to Chile to Japan Critics and fans often project or impose desires and interpretations onto Gil that don't seem to fit This book explores why familiar political and musical categories so often fall flat and explains why serendipity may instead be the best way to approach this mercurial album and the unrepeatably artist who created it Based on years of listening to studying and teaching about Gil and the author's own encounters with the album around the world this book argues that Refazenda does in fact contain radical messages though they rarely appear in the form shape or places that we might expect The book also includes the first English language translations of the album's lyrics never discussed before 1970s Japanese liner notes and a recounting of a forgotten moment when censors detained Gil during the album's debut tour 33 1 3 Global a series related to but independent from 33 1 3 takes the format of the original series of short music based books and brings the focus to music throughout the world With initial volumes focusing on Japanese and Brazilian music the series will also include volumes on the popular music of Australia Oceania Europe Africa the Middle East and more
