The Black Athlete: A Shameful Story Jack Olsen, 2020-06-16 Jack Olsen's blunt depiction of the shameful treatment of black athletes in the 1960s. A view of the sport most Americans refused to see during a time of complacency and pervasive racial crisis in America. Black collegiate athletes were often dehumanized, exploited and discarded. Recruited for their skill, then lionized on the field and ostracized on campus. The world of professional sports offered black athletes opportunity but not equality. Positions that carry authority and responsibility were typically labeled white only. Olsen interviewed sociologists, black community leaders, coaches, ADs and numerous athletes. This ground-breaking and controversial report sparked nationwide reforms when it was covered in a five-part series published by Sports Illustrated in 1968.

You Are Looking Live! Rich Podolsky, 2021-10-15 You Are Looking Live is about the genesis, success and magic of a live television show that in 1975 captured the excitement of the country and launched four magnetic personalities to stardom: Brent Musburger, Phyllis George, Irv Cross and Jimmy The Greek Snyder. It was truly a piece of Americana. It was the first NFL studio show to go live and the first to have both a Black and female co-host. Those four personalities battled each other and the competition and America loved them for it. This is the story of how Brent, Phyllis, Irv and Jimmy got there, their drama and front-page headlines and what happened to them after the magic ended. Those headlines included Brent and The Greek's famous fight at Peartrees, Phyllis first marrying the man who produced The Godfather then dropping him after two months for the next governor of Kentucky and the shocking firing of Musburger on April Fool's Day 1990. America had never seen a show like this before. On the East Coast and the Midwest, people would literally rush home from church to hear what they had to say and on the West Coast, fans loved waking up to it. The NFL Today became so popular that it not only dominated the ratings but also won its timeslot 18 straight years from 1975 to 1993 until CBS lost its NFL package to Fox. And today, looking back, these four personalities like any family had their own battles and became even more famous for them.
