The Rise, The Fall, and The Rise Brix Smith Start, 2016-05-03 The Rise The Fall and The Rise is the extraordinary story in her own words of Brix Smith Start Best known for her work in The Fall at the time when they were perhaps the most powerful and influential anti authoritarian postpunk band in the world This Nation's Saving Grace The Weird and Frightening World Of Brix spent ten years in the band before a violent disintegration led to her exit and the end of her marriage with Mark E Smith But Brix's story is much more than rock n roll highs and lows in one of the most radically dysfunctional bands around Growing up in the Hollywood Hills in the 60s in a dilapidated pink mansion her life has taken her from luxury to destitution from the cover of the NME to waitressing in California via the industrial wasteland of Manchester in the 1980s What emerges is a story of constant reinvention jubilant highs and depressive ebbs a singular journey of a teenage American girl on a collision course with English radicalism on her way to mid life success on tv and in fashion Too bizarre extreme and unlikely to exist in the pages of fiction The Rise The Fall and The Rise could only exist in the pages of a memoir

Dance Your Way Home Emma Warren, 2023-03-14 This book is about the kind of ordinary dancing you and I might do in our kitchens when a favourite tune comes on It's more than a social history it's a set of interconnected histories of the overlooked places where dancing happens Why do we dance together What does dancing tell us about ourselves individually and collectively And what can it do for us Whether it be at home 80s club nights Irish dancehalls or reggae dances jungle raves or volunteer run

spaces and youth centres Emma Warren has sought the answers to these questions her entire life Dancing doesn't just refract the music and culture within which it evolves it also generates new music and culture When we speak only of the music we lose part of the story the part that finds us dancing as children on the toes of adults the half that triggers communication across borders and languages the part that finds us worried that we'll never be able to dance again and the part that finds us wondering why we were ever nervous in the first place At the intersection of memoir social and cultural history *Dance Your Way Home* is an intimate foray onto the dancefloor wherever and whenever it may be that speaks to the heart of what it is that makes us move
