Armentrout, 2023-10-31 From 1 New York Times bestselling author Jennifer L Armentrout comes book three in her beloved *Flesh and Fire* series The only thing that can save the realms now is the one thing more powerful than the Fates After a startling betrayal ends with both Sera and the dangerously seductive ruler of the Shadowlands she has fallen madly in love with being held captive by the false King of the Gods there is only one thing that can free Nyktos and prevent the forces of the Shadowlands from invading Dalos and igniting a War of Primals Convincing Kolis won't be easy though not even with a lifetime of training While his most favored Revenant is insistent that she is nothing more than a lie Kolis's erratic nature and twisted sense of honor leave her shaken to the core and nothing could've prepared her for the cruelty of his Court or the shocking truths revealed The revelations not only upend what she has understood about her duty and the very creation of the realms but also draw into question exactly what the true threat is However surviving Kolis is only one part of the battle The Ascension is upon her and Sera is out of time But Nyktos will do anything to keep Sera alive and give her the life she deserves He'll even risk the utter destruction of the realms and that's exactly what will happen if he doesn't Ascend as the Primal of Life Yet despite his desperate determination their destinies may be out of their hands But there is that foreseen unexpected thread the unpredictable unknown and unwritten The only thing more powerful than the Fates

Embers of Hope Bryan Cerrone, 2024-08-15 Did you know that you can love Jesus and therapy at the same time that you can be a committed follower of Jesus and still wrestle with depression anxiety and mood swings Flip through the pages of the Bible and you'll find numerous heroes of the faith who wrestled with such things In this book you'll encounter ten major Bible characters who experienced depression and God used them to do mighty and extraordinary things for Him Why is this important Because you need to know that God isn't done with you just because you're going through some tough things in life No God can and will use you to do things you've never imagined if you'll step outside of the boat and give it all to Him In *Embers of Hope* there is this call to have a conversation between the church and those going through depression If we're honest there hasn't always been room in the church for people going through these valley experiences So let's make room in the church for the church belongs to Jesus who compassionately cares for all people no matter what kind of season we may

be going through In Embers of Hope you ll notice the word hope You may feel that all you have is a small glowing ember as opposed to this raging fire of passion but the hope lies in the fact that all it takes is for God to blow on that ember and experience that raging fire of passion again But there is also a call for us to ask God What are you trying to show me through this season I hope you ll be greatly encouraged as you read Embers of Hope and I hope you ll grasp onto that hope that can only be found in Jesus

Born of Blood and Ash: A Flesh and Fire Novel Jennifer L. Armentrout, 2024-08-13 From 1 New York Times bestselling author Jennifer L Armentrout comes the thrilling conclusion to her beloved Flesh and Fire series The line between love and obsession has never been wider While Sera is finally free of Kolis and back with those she loves not everything is calm Memories of all she s endured still haunt her but Sera finally has hope for a future with the other half of her heart and soul Nyktos desires loves and accepts every part of her even the monstrous bits she still battles More than ever Sera and Ash have everything under the realms to fight for and Nyktos has no doubt Sera is fit to be the Queen of the Gods But she must find that faith within herself if they hope to convince the other Courts to support them against Kolis and make Iliseum and the mortal realm better safer places for all But as Sera begins to piece together the importance of her bloodline and the true meaning behind the foreboding prophecy it becomes clear that everything that has happened and is yet to come is much bigger than Kolis and his dark obsessions They cannot help but wonder exactly how much influence the Fates have had and what their ultimate goal is What Sera does know for sure is that they can trust very few including her A battle between the gods is brewing and heartbreaking losses are imminent with the true Primal of Death strengthening With a family of the heart willing to battle by their side can Sera and Nyktos stop Kolis before he destroys the realms or will it all disappear in a fiery inferno of blood and ash And the line between justice and vengeance has never been so thin
