Embraced By The Light And The Bible:

Embraced by the Light and the Bible Richard Abanes, 1994 Betty Eadie's description of her near death experience NDE is allegedly a glimpse into the world beyond where she met Jesus Christ and learned the answers to the deepest questions of life But some questions still remain **Deceived by the Light** Doug Groothuis, 2002-01-22 Can we really know what waits for us in the afterlife Deceived by the Light affirms that the Bible alone reveals all we need to know about life death and eternity In the fascinating mystical world of near death experiences Betty Eadie's testimony is most extraordinary In her widely read bestseller *Embraced by the Light* she claims she met and conversed with the Lord Jesus Christ and received amazing revelations about spiritual progression death and the afterlife Was Eadie's experience for real And what about the many other near death testimonies that speak of visits to heaven or hell are they credible Should we believe their messages Doug Groothuis a well respected expert on new religious movements takes us to the clear teaching of Scripture for some surprising answers Along the way he clearly addresses the fears and questions many people have about death and what comes after **Light and Death** Michael Sabom, 2011-04-19 Begun in 1994 The Atlanta Study is the first comprehensive investigation of its kind into near death experiences NDEs The study's name hardly captures what lies behind it life and death dramas played out in operating rooms and hospital beds and simultaneous events unseen by medical personnel but reported with astonishing clarity and conviction by nearly 50 individuals who returned from death's door Now the founder of The Atlanta Study Dr Michael Sabom reveals their impact on the people who have experienced them From both medical and personal perspectives he shares the electrifying stories of men and women from all walks of life and religious persuasions He explores the clinical effect of the NDE on survival and healing and discloses surprising findings He questions some common conclusions about NDEs And he scrutinizes near death experiences in the light of what the Bible has to say about death and dying the realities of light and darkness and the Gospel of Jesus Christ **The Wonder of Heaven** Ron Rhodes, 2009-02-01 Increasing economic and cultural instability is leading North Americans to wonder more and more about existence beyond death Many sources some trustworthy some not are offering opinion conjecture and comforting words Noted Bible teacher Ron Rhodes bestselling author of *Angels Among Us* goes to the Scriptures God's gift to help us live on earth in a way that prepares us for heaven He tackles the important questions What is the moment of death transition actually like In what state will believers exist Will they know loved ones What will God's people do in eternity What will it be like to live with God forever The Wonder of Heaven punctures the notion of a harp strumming do nothing eternity After glimpsing their home with God and with people as God meant them to be Christians will be filled with an anticipation that makes their lives brighter stronger and more effective today Includes some material from the book *Heaven The Undiscovered Country* *Blinded by the Light* Quigg Lawrence, 2015-06-16 *Blinded by the Light* sounds an alarm for all who are confused by various reports of Near Death Experiences NDEs Lawrence discusses the characteristics of NDEs including the dark tunnel the out of body

experience the Being of Light and theological claims such as reincarnation universal salvation and the divinity of humanity

Heaven: The Undiscovered Country Ron Rhodes, 2003-04-08 Every person who has ever lived has wondered about that place beyond mortality Shakespeare called it the undiscovered country People have longed to uncover the secrets that shroud death and the afterlife asking questions such as What actually happens at the moment of death Will we know our loved ones in heaven What will we do in eternity What happens to babies and toddlers when they die Will we interact with the angels in heaven Because God wrote the Bible for the sole purpose of helping men and women prepare for eternity there is no better place to go for trustworthy answers Bible expert Ron Rhodes takes us to the Scripture to provide an incredibly clear and inspirational picture of the next life Explore the wonder of heaven and the afterlife Anticipate what is to come on the other side of eternity in **Heaven The Undiscovered Country**

Angels of Light, Powers of Darkness Stephen Noll, 2003-04-25 Recent years have brought an unexpected revival of popular interest in angels Books professing to draw back the curtain on the unseen angelic world filled entire bookstore shelves Here as if to mock the cold universe of modernity were the stories of numerous and warm encounters with angelic beings But who are angels and what is their nature and purpose in the biblical scheme of things Are the biblical stories to be taken literally or symbolically or should they be relegated to another day and age How have the great theologians of the church regarded the angels And most important what are the nature and role of angels in God's cosmos and his redemptive plan Stephen Noll answers these questions in this detailed exploration of angels in the tapestry of Scripture Here is a biblical theological study of angels Satan and the powers that fills a significant gap and will command the attention of serious students of scripture *Dialogue*, 1996 A journal of Mormon thought **The Mystery of Death** Lester Sumrall, 1995-10-01 Death is both a collective and individual experience All humans die and yet the mystery lies in the solitary experience It is a trip we all make alone In **The Mystery of Death** Lester Sumrall draws on 66 years of ministry experience in helping us sort out this transition of life From the jungles of Africa to the modern hospitals of the United States Dr Sumrall has observed death the pain peace resistance and acceptance His unique storytelling paints a picture of death that is not hopeless Calling death a monster Dr Sumrall explains in vivid detail its origins and why he has come to a place where he has no dread of it Dr Sumrall also addresses these points Life after Death Worshipping the Dead Searching for Immortality In Those Final Moments Death by Suicide Coping with Death and Grief **If I Should Wake Before I Die** H. Leon Greene, 1997 Written by a practicing cardiologist and longtime researcher in the subject of sudden death this book explores the deceptive theology of the near death experience from a Christian medical perspective Instead of offering a glimpse of heaven or hell as described in the popular press Dr Greene refutes these experiences and challenges the validity of near death experiences as a vehicle for spiritual revelation **A Life Ablaze** Rick Renner, 2020-01-21 Keep Your Fire Burning In **A Life Ablaze** author Rick Renner offers an on time message that is crucial for every Christian in this end time season of the Church Rick's thought provoking questions at the outset will echo in the reader
