Treasure Gillian M. Henriques,2011-11-23 This book is a devotional journal gift and keepsake for women filled with encouraging words for your daily walk with Christ Each devotion seeks to uplift inspire and help you overcome all challenges that may come your way     **Theology of the Pain of God** Kazoh Kitamori,2005-06-10 Until the twentieth century the

Western world formulated most Christian theology Fully grounded in this tradition Kazoh Kitamori demonstrates its

limitations and problems from a Japanese point of view and suggests a fresh approach to the biblical message Dr Katamori has developed the first original theology from the East The gospel is the gospel of the cross he says God loves the objects of his wrath What is revealed in the cross is neither the wrath of God alone nor the love of God alone but the synthesis of the two The author's purpose is to clarify this synthesis identified as the pain of God By the theology of the pain of God he means the theology of love rooted in the pain of God He brings a new interpretation to this central theme of the Christian faith Today Christian thinkers are calling for an ecumenical theology By helping to renew the faith even as he seeks to reformulate it in non Western terms Dr Kitamori takes an important step toward expanding the dialogue between Christians of the East and West Richard Sibbes God's Spreading Goodness R N Frost,2012-02-01 English Puritans of the Stuart era were divided by a number of questions The greatest of these asked what constitutes salvation and restoration from sin All agreed that it was by grace through faith But few could agree on how to define sin grace and faith Richard Sibbes consciously followed Augustine Martin Luther and John Calvin in defining sin as self love and grace as God's redemptive love in Christ His theology centered on the love of God expressed through Christ and offered by the Spirit and faith as a response to that love This produced a winsome and transforming theology of union with Christ and communion with God In this he was a counterweight to the spread of moralistic Puritan theologies in his day **Embrace God's Love** Coylette James,2003-08

**Embracing God's Design** Walt Heyer,Jennifer Bauwens,2025-04-30 The transgender movement is based on a destructive ideology that has affected every adult and minor in every sector of American society Our churches and communities need to understand how to address the spiritual and psychological crisis behind gender ideology This book was written by Jennifer Bauwens a trauma therapist and researcher and Walt Heyer who previously identified as a woman Both authors have helped those who suffered the effects of gender ideology and who also had traumas and other mental health conditions The authors developed this resource to bring understanding about the origins of the gender movement the psychological research used to give the appearance that the practices are evidence based and most importantly how to both prevent someone struggling with identity confusion and how to support someone who wants to come back to God's design for their life after identifying as transgender God as Loving Grace Barry L. Callen,2018-06-27 This work impressively documented avoids fruitless speculation and gets down to the basics of the Christian faith In a clear writing style the author powerfully articulates the unique activity of Father Son and Holy Spirit and shows how the work of each complements the other Dr Kenneth Kinghorn Dean of the School of Theology Asbury Theological Seminary Focus is all important This book biblical throughout proceeds from the perspective of God's loving grace and maintains this perspective as the whole revelation of God is unfolded in its light The Trinity is rightly honored as this theology interacts helpfully with many other theological views and clarifies anew much that traditionally has been valued This is fresh material that serves the church fruitfully and also speaks meaningfully to contemporary culture exactly what good theology should do Rev Dr James Earl

Jenkins, Frank M. Martin, 2004 Feft Behind Daily devotion 398 pages      My Journey to Embrace God's Grace Sue Carabello, 2013-07 This is the story of one woman s journey through life This is my story You are invited to travel this road with me as I relive hardship as well as all the joys life has to offer This is an inspirational story The intention of this book is to show you that even in adversity if you set your vision high enough you can overcome anything With God all things are possible As you read you will see how I turned my misfortune into victory through relentless faith This book was written to motivate and encourage I sometimes find myself at the top of the mountain filled with joy and then in the depths of the valley filled with despair The one constant is that God is on that mountain rejoicing with me and is also in the valley healing my wounds When you start reading this book you will see me as the author but by the time you are finished you may see me as your friend No one has ever seen God but if we love each other God lives in us and his love is truly in our hearts 1 John 4 12      *Embracing Israel/Palestine* Michael Lerner, 2011-11-22 A major modern conundrum is how the Arab Israel conflict remains unresolved and seemingly unresolvable In this inspirational book Rabbi Michael Lerner suggests that a change in consciousness is crucial With clarity and honesty he examines how the mutual demonization and discounting of each sides legitimate needs drive the debate and he points to new ways of thinking that can lead to a solution Lerner emphasizes that this new approach to the issue requires giving primacy to love kindness and generosity It calls for challenging the master narratives in both Israel and Palestine as well as the false idea that homeland security can be achieved through military political economic or media domination Lerner makes the case that a lasting peace must prioritize helping people on all sides including Europe and the U S and that real security is best achieved through an ethos of caring and generosity toward the other As many spiritual leaders have taught problems like these cannot be solved at the same level at which they originated one must seek higher ground and that becomes a central task for anyone who wants a sustainable peace *Embracing Israel Palestine* is written for those looking for positive practical solutions to this ongoing dilemma      *Embracing God as Father* Daniel Bush, Noel S.
