Emergency Medicine Pearls:

Emergency Medicine Pearls Adam J. Singer, Jonathan L. Burstein, Frederick M. Schiavone, 1996 The F A Davis Pearls Series provides concise information covering a wide range of specialties that range from obstetrics to geriatrics surgery to psychiatry orthopaedics to neurology gynecology to emergency medicine The goal of the series is to introduce students to 95% of the clinical problems they are likely to encounter in their rotations and to suggest approaches for dealing with these situations The books are succinctly written so they can be read in a few hours

Emergency Medicine Dwight Collman, Scott H. Plantz, Jonathan Adler, 2000-01-01 The primary intent of this book is to serve as a study aid to improve performance on the EM Written Boards Recertification or EM Inservice Exam To achieve this goal the text is written in rapid fire question answer format Misleading or confusing foils are not provided This eliminates the risk of erroneously assimilating an incorrect piece of information that made a big impression Questions themselves often contain a pearl intended to be reinforced in association with the question answer Additional hooks are often attached to the answer in various forms including mnemonics evoked visual imagery repetition and humour Additional information not requested in the question may be included in the answer The structure and content of this new edition has been enhanced significantly The first half of the text is presented in descending order of relative importance on the EM board exam Information presented in the Pearls Topics sections is mostly limited to straightforward and more basic facts The second section of the book consists of random pearls questions grouped into small clusters by topic presented in no particular order

Emergency Medicine Pearls Elizabeth Alpern, Jill M. Baren, Elizabeth R. Alpern, 2004 In the unique vignette format of the Pearls Series R this book presents a variety of problems that challenge emergency physicians in everyday practice For each patient the authors present the case scenario physical findings lab data and a clinical photo and the reader is challenged to formulate a diagnosis and a treatment strategy The next page reveals the diagnosis discusses the condition and leaves the reader with several pearls of wisdom distilled from the case Actual real life case studies are presented Efficient problem solving self study approach is ideal for board review Important points pearls are distilled from the case presentation Key references offer readers additional resources to consult
