Epic Of The Greater Southwest:

Epic of the Greater Southwest Ruben Salaz Marquez, Rubén Darío Sálaz, 2007-03-30 Ruben Salaz M has broadened the study of Southwest history to include multicultural aspects as well as important discussion items often neglected by various writers As can be seen by a quick look at the Table of Contents Epic of the Greater Southwest is a more complete history of the Southwest where documented facts take the reader where they may Epic is intended for everyone interested in a valid introductory history to our eight Southwestern States but especially for readers young and old who wish to get beyond standard concepts of American historiography If you are a fan of William H Prescott Herbert E Bolton Lesley B Simpson Lewis Hanke Irving Leonard Salvador de Madariaga Philip Wayne Powell Donald Cutter Alvin Josephy Jr Howard Zinn James W Loewen Stewart Udall etc this volume might well become your Southwest history item Epic of the Greater Southwest is a true adventure In the tradition of Howard Zinn A People's History of the United States and James W Loewen Lies My Teacher Told Me Ruben Salaz M examines American historiography under a culturally broad magnifying glass and exposes its hidden assumptions and misapplications Epic of the Greater Southwest is a useful corrective to the standard interpretation of history in the Southwest The Salaz Epic will not leave you unmoved and will certainly promote many lively discussions I would love to be in on them Dr Richard J Griego Presidential Professor Emeritus University of New Mexico Motion Picture Herald
