**The Leadership Quotient** Tony Marolt, 2022-11-03 You are already a leader even if you don t yet know it You can become a great leader which the world desperately needs leaders with courage compassion and the ability to raise each unique individual to their highest levels of performance Leadership is a learned series of skills and behaviors however the path to becoming a great leader first begins

with the acknowledgment that you are one followed by your strong desire and commitment to be a great one The leadership quotient is built on the premise and promise that everyone is a leader and that only by increasing the degree of mastery in all four critical areas can an individual transition from ordinary or mediocre into the more aspirational urgently needed realm of truly great leaders This practical guide to leadership is filled with tools and real world examples that you can quickly add to your repertoire and immediately apply within your organization These tools can be leveraged by every reader from those who have never led before to those who have been leading for years The Chinese philosopher Lao Tzu captured the essence of the leadership quotient principles in his quote which ends with the line But of a good leader who talks little when his work is done his aim fulfilled they will all say We did this ourselves If you aspire to become that kind of leader to add tools to your belt that position you to lead extremely well then this book and those tools are your path to achieve that aspiration *EQ + IQ = Best Leadership Practices for Caring and Successful Schools* Maurice J. Elias, Harriett Arnold, Cynthia Steiger Hussey, 2002-11-20 In this dynamic book today s educational leaders offer their best ideas for building school communities that are safe smart caring successful and emotionally intelligent **Forthcoming Books** Rose Arny, 2003 Coaching Winning Sales Teams Tim Chapman, Lynn Pickford, Tony Smith, 2020-04-22 Through extensive research into elite coaches in the world of business and sports this book investigates the mindset skills and behaviours required to be a top sales coach and provides a range of practical models tools and techniques for sales leaders and professionals to use Vision , 2006
