Equipping Adults Through Bible Study:

Equipping Adults Through Bible Study Neal McBride, 1977-01-01 *Together We Equip* Jody Dean, Hal Stewart, 2018-02-23 In *Together We Equip* you will discover the biblical foundation for equipping others. Equipping others in ministry is a process you bring with you as the leader. It's both personal and public. It's you as an individual and your church. This book will challenge you to take responsibility to grow spiritually, engage the culture, and share the gospel. Further, you will discover the impact of discipleship in the local church by examining mentoring, small groups, and preaching as relevant means to equip others. In the later chapters of the book, seasoned church ministry leaders with years of experience in making disciples through equipping ministry of the local church share many practical ways to equip others and lead church ministries: children's ministry, youth ministry, collegiate ministry, men's and women's ministry, adult and senior adult ministries. Many ministry leaders do not know how to make disciples. They know, accept, and believe the Great Commission (Matt 28:19-20). Yet they struggle with practical approaches and methods to carry out a viable equipping ministry. The book will help you elevate the importance of personal growth, making disciples, and assist you to align your age, gender, and ministry leadership development. *Equipping Adults for Personal Engagement with Scripture Through Bible Study that Addresses Multiple Learning Modalities at Vienna Baptist Church in Vienna, WV* William E. Cook, 2000 As Christian educators, we want our students to know the Bible. Bible information is not enough Once when Jesus was talking to serious Bible students He had these harsh words to say These are the Scriptures that testify about me yet you refuse to come to me to have life John 5 39 40 What a tragedy people who knew all sorts of Bible details yet had not yielded their lives to Jesus and had not experienced His transforming power But it happened And it can happen in our Sunday schools even with dedicated leaders and teachers What can we do How can we make sure that we are reaching our students and not just covering the lesson material We must choose Bible lessons that students can understand and apply at their own level of development We must build application into the whole lesson and not just tack it on to the end We must follow a comprehensive plan that takes every student at every age through a discipleship process that continues for a lifetime This book will show you how
