Erasmus Is Late:

Erasmus is Late Liam Gillick, 1995 Tir du site Internet de Book Works Tir du site Internet de Book Works The central character of Erasmus is Late is Erasmus Darwin opium eater and brother of the more famous Charles who is indeed late Late for a dinner party that he himself is giving and whose illustrious guests already assembled around his table include Robert McNamara Secretary of Defense under Kennedy Masura Ibuka co founder of Sony and Murry Wilson father of Brian Wilson Whilst the guests wait Erasmus dawdles through contemporary London becoming waylaid by different sites which represent for Gillick the development of free thinking Gillian Gillick the artist's mother illustrates these sites with line drawings Erasmus Darwin epitomises for Gillick the activity of free thinking a form of political pursuit dependent on wealth and leisure and problematic in its relationship to unfree thought and the working classes On one level a guide to contemporary London seen through the eyes of a Georgian Erasmus is Late is also an examination of pre Marxist positions an ill researched investigation of a Utopian optimism that is struggling to predict the future

The Routledge Companion to Experimental Literature Joe Bray, Alison Gibbons, Brian McHale, 2012-07-26 What is experimental literature How has experimentation affected the course of literary history and how is it shaping literary expression today Literary experiment has always been diverse and challenging but never more so than in our age of digital media and social networking when the very category of the literary is coming under intense pressure How will literature reconfigure itself in the future The Routledge Companion to Experimental Literature maps this expansive and multifaceted field with essays on the history of literary experiment from the beginning of the twentieth century to the present the impact of new media on literature including multimodal literature digital fiction and code poetry the development of experimental genres from graphic narratives and found poetry through to gaming and interactive fiction experimental movements from Futurism and Surrealism to Postmodernism Avant Pop and Flarf Shedding new light on often critically neglected terrain the contributors introduce this vibrant area define its current state and offer exciting new perspectives on its future This volume is the ideal introduction for those approaching the study of experimental literature for the first time or looking to further their knowledge

Erasmii Opera Omnia, 2004-12-30 Part Three of Ordo VI of the Amsterdam edition of Erasmii opera omnia presents his Greek text and his Latin translation of St Paul's letters to the Romans the Corinthians the Galatians the Ephesians the Philippians the Colossians and the Thessalonians A critical edition of the Latin text is offered including an introduction in English and a commentary featuring relevant linguistic philological theological and historical background

Humanists and Holy Writ Jerry H. Bentley, 1983 Focusing on the work of Lorenzo Valla the Spanish Complutensian scholars and Erasmus of Rotterdam this book examines the New Testament studies of the Renaissance humanists rather than their more frequently studied religious moral and political thought Jerry H Bentley shows that the humanists brought about a thorough reorientation in the Western tradition of New Testament studies He finds that the humanists methods both

anticipated and influenced later New Testament scholarship The humanists rejected the medieval practice of studying the New Testament only in Latin translation and interpreting it in accordance with preconceived theological criteria Instead they insisted that New Testament studies be based on the original Greek text and they employed linguistic historical and philological criteria in explaining the scriptures This study rests on an analysis of the New Testament manuscripts that the humanists consulted and of the New Testament editions translations annotations and commentaries that they prepared
