Ernest Jones Chartism And The Romance Of Politics 1819 1869:

Ernest Jones, Chartism, and the Romance of Politics 1819-1869 Miles Taylor, 2003-01-01 This is a full modern biography of Ernest Jones 1819 69 the last of the Chartist leaders The book combines an account of his colourful political career in the age of reform with an assessment of his literary achievement The Poetry of Chartism Mike Sanders, 2009-03-05 This book explores the contribution made by Chartist poetry to the struggle for fundamental democratic rights **The Poetry of Ernest Jones** Simon Rennie, 2016-05-20 As the last leader of the Chartist movement Ernest Charles Jones 1819 69 is a significant historical figure but he is just as well known for his political verse His prison composed epic *The New World* lays claim to being the first poetic exploration of Marxist historical materialism and his caustic short lyric *The Song of the Low* appears in most modern anthologies of Victorian poetry Despite the prominence of Jones s verse in Labour history circles and several major inclusions in critical discussions of working class Victorian literature this volume represents the first full length study of his poetry Through close analysis and careful contextualization this work traces Jones s poetic development from his early German and British Romantic influences through his radicalization imprisonment and years of leadership The poetry of this complex and controversial figure is here fully mapped for the first time **Chartism** Malcolm Chase, 2013-07-19 Chartism the mass movement for democratic rights dominated British domestic politics in the late 1830s and 1840s It mobilised over three million supporters at its height Few modern European social movements certainly in Britain have captured the attention of posterity to quite the extent it has done Encompassing moments of great drama it is one of the very rare points in British history where it is legitimate to speculate how close the country came to revolution It is also pivotal to debates around continuity and change in Victorian Britain gender language and identity Chartism A New History is the only book to offer in depth coverage of the entire chronological spread 1838 58 of this pivotal movement and to consider its rich and varied history in full Based throughout on original research including newly discovered material this is a vivid and compelling narrative of a movement which mobilised three million people at its height The author deftly intertwines analysis and narrative interspersing his chapters with short Chartist Lives relating the intimate and personal to the realm of the social and political This book will become essential reading for anyone with an interest in early Victorian Britain specialists students and general readers alike **Democratic passions** Matthew Roberts, 2022-06-14 This book challenges the assumption just as alive today as it was in the nineteenth century that the political sphere was an arena of reason in which feelings had no part to play It shows that feelings were a central albeit contested aspect of the political culture of the period Radical leaders were accused of inflaming the passions the state and its propertied supporters were charged with callousness radicals grounded their claims to citizenship in the universalist assumption that workers had the same capacity for feeling as their social betters denied at this time It sheds new light on the relationship between protest movements and the state by showing how one of the central issues at stake in the conflict between radicals and their oppressors was the feelings of the

propertied classes *Popular virtue* Tom Scriven, 2017-06-19 Popular virtue is the first in depth study of the changing nature of moral politics within working class Radicalism between 1820 and 1870 Through study of the lives activism and intellectual influences of a number of key leaders of working class Radicalism this book highlights how Radicalism s attitudes to morality and everyday life shifted from a festive and libertarian culture that advocated sexual liberty and gender equality in the 1820s 30s to a more austere and ascetic politics that emphasized moral improvement temperance and frugality after the 1840s Despite the fracturing of this culture with the decline of Chartism in the 1850s Popular virtue highlights how the moral politics of the 1840s possessed important legacies in not only the politics of Popular Liberalism and the Reform League but also in heterodox medicine and self help *Wanting and having* Peter Gurney, 2015-11-01 Nineteenth century England witnessed the birth of capitalist consumerism Early department stores shopping arcades and provision shops of all kinds proliferated from the start of the Victorian period testimony to greater diffusion of consumer goods However while the better off enjoyed having more material things masses of the population were wanting even the basic necessities of life during the Hungry Forties and well beyond Based on a wealth of contemporary evidence and adopting an interdisciplinary approach Wanting and having focuses particularly on the making of the working class consumer in order to shed new light on key areas of major historical interest including Chartism the Anti Corn Law League the New Poor Law popular liberalism and humanitarianism It will appeal to scholars and general readers interested in the origins and significance of consumerism across a range of disciplines including social and cultural history literary studies historical sociology and politics **Charles Kingsley** Jonathan Conlin, Jan Marten Ivo Klaver, 2020-12-28 Novelist poet Anglican priest and controversialist Charles Kingsley 1819 75 epitomizes the bustling Victorian man of faith and letters a prolific polymath as ready to break a lance with John Henry Newman over Christian doctrine as he was to preach to schoolchildren on the virtues of manly physical struggle Kingsley s *The Water Babies* and *Westward Ho* were best sellers which became classics of children s literature Kingsley has come to epitomize the Victorian age On closer inspection Kingsley is harder to categorize a socialist who was also an imperialist a Chartist revolutionary who was Queen Victoria s favourite novelist a natural theologian who popularized Darwin a priest who celebrated sex as sacrament Kingsley only appears straightforward if you consider him one piece at a time The debates he shaped remain with us today faith and sexuality economics and exploitation race and identity The aim of this book is to present the whole man to consider the public crusades for public health alongside the most private fantasies of sexual intercourse to consider the ardent imperialist alongside the Darwinist It will be of interest to all students of Victorian studies as well as of British Imperial history church history and especially the history of science **Voicing the Popular** Richard Middleton, 2013-09-05 How does popular music produce its subject How does it produce us as subjects More specifically how does it do this through voice through giving voice And how should we understand this subject the people that it voices into existence Is it singular or plural What is its history and what is its future *Voicing the Popular* draws on approaches from

musical interpretation cultural history social theory and psychoanalysis to explore key topics in the field including race gender authenticity and repetition Taking most of his examples from across the past hundred years of popular music development but relating them to the eighteenth and nineteenth century pre history Richard Middleton constructs an argument that relates the popular to the unfolding of modernity itself Voicing the Popular renews the case for ambitious theory in musical and cultural studies and against the grain of much contemporary thought insists on the progressive potential of a politics of the Low

William Gladstone Roland Quinault,2016-03-03 William Ewart Gladstone 1809 98 was the outstanding statesman of the Victorian age He was an MP for over sixty years a long serving and exceptional Chancellor of the Exchequer and four times Prime Minister As the leader of the Liberal party over three decades he personified the values and policies of later Victorian Liberalism Gladstone however was always more than just a politician He was also a considerable scholar a dedicated Churchman and had a range of interests and connections that made him in many respects the quintessential Victorian Yet important aspects of Gladstone s life have received relatively little recent attention from historians This study reappraises Gladstone by focusing on five themes his reputation his representation in visual and material culture his personal life his role as an official and the ethical and political basis of his international policies This collection of original often multidisciplinary studies provides new perspectives on Gladstone s public and private life As such it illustrates the many sided nature of his career and the complexities of his personality

Celebrities, heroes and champions Simon James Morgan,2021-06-29 Celebrities heroes and champions explores the role of the popular politician in British and Irish society from the Napoleonic Wars to the Second Reform Act of 1867 Covering movements for parliamentary reform up to and including Chartism Catholic Emancipation transatlantic Anti Slavery and the Anti Corn Law League as well as the receptions of international celebrities such as Lajos Kossuth and Giuseppe Garibaldi it offers a unique perspective on the connections between politics and historical cultures of fame and celebrity This book will interest students and scholars of Britain Ireland continental Europe and North America in the nineteenth century as well as general readers with an interest in the history of popular politics Its exploration of the relationship between politics and celebrity and the methods through which public reputations have been promoted and manipulated for political ends have clear contemporary relevance

The Cambridge History of Socialism: Volume 1 Marcel van der Linden,2022-11-24 This volume describes the various movements and thinkers who wanted social change without state intervention It covers cases in Europe the Americas Africa and Asia The first part discusses early egalitarian experiments and ideologies in Asia Europe and the Islamic world and then moves to early socialist thinkers in Britain France and Germany The second part deals with the rise of the two main currents in socialist movements after 1848 anarchism in its multiple varieties and Marxism It also pays attention to organisational forms including the International Working Men s Association later called the First International and it then follows the further development of anarchism and its proletarian sibling revolutionary syndicalism its rise and decline from the 1870s

until the 1940s on different continents The volume concludes with critical essays on anarchist transnationalism and the recent revival of anarchism and syndicalism in several parts of the world

The Oppositional Aesthetics of Chartist Fiction Rob Breton, 2016-03-10 Redressing a gap in Chartism studies Rob Breton focuses on the fiction that emerged from the movement placing it in the context of the Victorian novel and reading it against the works aimed at the middle class Breton examines works by well known writers such as Ernest Jones and Thomas Cooper alongside those of obscure or anonymous writers rejecting the charge that Chartist fiction fails aesthetically politically and culturally Rather Breton suggests it constitutes a type of anti fiction in which the expectations of narrative are revealed as irreconcilable to the real world Taking up a range of genres including the historical romance and social problem story Breton theorizes the emergence of the fiction against Marxist conceptualizations of cultural hegemony In situating Chartist fiction in periodical print culture and specific historical moments this book shows the ways in which it serves as a critique of mainstream Victorian fiction

Victorian Political Culture Angus Hawkins, 2015 Victorian Britain is often described as an age of dawning democracy and as an exemplar of the modern Liberal state yet a hereditary monarchy a hereditary House of Lords and an established Anglican Church survived as influential aspects of national public life with traditional elites assuming redefined roles After 1832 constitutional notions of mixed government gradually gave way to the orthodoxy of parliamentary government shaping the function and nature of political parties in Westminster and the constituencies as well as the relations between them Following the 1867 8 Reform Acts national political parties began to replace the premises of parliamentary government The subsequent emergence of a mass male electorate in the 1880s and 1890s prompted politicians to adopt new language and methods by which to appeal to voters while enduring public values associated with morality community and evocations of the past continued to shape Britain's distinctive political culture This gave a particularly conservative trajectory to the nation's entry into the twentieth century This study of British political culture from the late eighteenth to the early twentieth century examines the public values that informed perceptions of the constitution electoral activity party partisanship and political organization Its exploration of Victorian views of status power and authority as revealed in political language speeches and writing as well as theology literature and science shows how the development of moral communities rooted in readings of the past enabled politicians to manage far reaching change This presents a new overarching perspective on the constitutional and political transformations of the Victorian age

A Mad, Bad, and Dangerous People? Boyd Hilton, 2008-06-19 In a period scarred by apprehensions of revolution war invasion poverty and disease elite members of society lived in fear of revolt Boyd Hilton examines the changes in society between 1783 1846 and the transformations from raffish and rakish behaviour to the new norms of Victorian respectability

Radicalism and Reputation Michael J. Turner, 2017-04-01 A thematic analysis of the career of Bronterre O'Brien one of the most influential leaders of Chartism this book relates his activities and the Chartist movement to broader themes in the history of Britain Europe and America during the nineteenth

century O'Brien 1804-64 came to be known as the schoolmaster of Chartism because of his efforts to describe and explain its intellectual foundations. The campaign for the People's Charter with its promise of political democratization was a highpoint in O'Brien's career as writer and orator but he was already well known before the campaign began and during the 1840s he distanced himself from other Chartist leaders and from several important Chartist initiatives. This book examines the personal, tactical and ideological reasons for O'Brien's departure as well as his development of a social and economic agenda to accompany constitutional Chartism in line with the evolution of radical thought after the Great Reform Act of 1832. It also evaluates O'Brien's reputation among his contemporaries and among modern historians in order better to understand his contribution to radicalism in Britain and beyond. *Contemporary Thought on Nineteenth Century Socialism* Peter Gurney, 2020-12-14. This second volume considers various socialist impulses and developments after the collapse of the Owenite movement in Britain. Interventions by some leading Christian Socialists will illuminate one important tendency in publications by O'Brien, another less vital strand. Central to this volume, however, will be far less well-known pamphlets, book extracts and articles in the periodical press by national and local co-operative writers and activists who appropriated and transformed the legacy of utopian socialism in the second half of the nineteenth century. Old Owenites are naturally included, though more emphasis is given to reworkings by a younger generation of co-operators, now mostly forgotten. The volume will also cover relationships and controversies between co-operators and late nineteenth-century state socialists who attempted to portray the co-operative movement as merely diversionary for the working class. **Imagining Socialism** Mark A. Allison, 2021-04-15. Socialism names a form of collective life that has never been fully realized; consequently, it is best understood as a goal to be imagined. So this study argues, and thereby uncovers an aesthetic impulse that animates some of the most consequential socialist writing, thought and practice of the long nineteenth century. *Imagining Socialism* explores this tradition of radical activism, investigating the diverse ways that British socialists from Robert Owen to the mid-century Christian Socialists to William Morris marshalled the resources of the aesthetic in their efforts to surmount politics and develop non-governmental forms of collective life. Their ambitious attempts at social regeneration led some socialists to explore the liberatory possibilities afforded by cooperative labor, women's emancipation, political violence and the power of the arts themselves. *Imagining Socialism* demonstrates that far from being confined to the socialist revival of the fin de siècle, important socialist experiments with the emancipatory potential of the aesthetic in Britain may be found throughout the period it calls the socialist century and may still inspire us today. Karl Marx Gareth Stedman Jones, 2016-10-03. Gareth Stedman Jones returns Karl Marx to his nineteenth-century world before later inventions transformed him into Communism's patriarch and fierce lawgiver. He shows how Marx adapted the philosophies of Kant, Hegel, Feuerbach and others into ideas that would have in ways inconceivable to Marx, an overwhelming impact in the twentieth century. **Social Opulence and Private Restraint** Noel Thompson, 2015-08-06. *Social Opulence and Private Restraint* is a study of the place of the consumer

and consumption in the political economy of British socialism from its early nineteenth century origins through New Times Marxism to the consumer focused New Labourism and political economies critical of consumerism that can be found in the late twentieth and early twenty first century Left Noel Thompson identifies and explicates recurrent themes which cross the boundaries of the conventional periodisation of the history of British socialist thought themes which illustrate the sustained nature of the multifaceted ideological challenge presented by the accommodation of the consumer within socialist political economy This challenge necessitates an engagement with the character and priorities of a future socialist society As such it touches on some of the key issues which socialists have confronted in pursuit of their vision of a good society issues with a strong contemporary relevance such as the desirability of private as against social opulence the relationship between consumption and happiness the need to educate and or to liberate desire and in particular the environmental and social consequences of rising levels of consumer expectation and consumption The study also throws light on how the disparate ways in which these issues were addressed reflected and shaped the socialist political economies that emerged in the nineteenth and twentieth centuries while also engendering tensions between them

The Top Books of the Year Ernest Jones Chartism And The Romance Of Politics 1819 1869 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
