The Secret Life of the Cheating Wife Alicia M. Walker, 2017-10-24 Using a sample collected from Ashley Madison this book is the result of a yearlong inquiry into women s extramarital experiences Ultimately these women reject the binary proposition of marriage that assumes that either we work on our marriages and remain monogamous within them or we break up the relationship and take up other relationships These women conceive of an alternate solution to a marriage that is not wholly working where their own needs are ignored

unmet and not prioritized Thus the women in this study are engaging in secret defiance of the expectations of marriage and primary partnerships This book gives voice to women s experiences and perceptions regarding their participation in infidelity and glimpses into the interworkings of our most intimate relationships and the ways women negotiate marriages that fall short of their expectations Modern Love David Shumway,2003-08-01 My ideas of romance came from the movies said Woody Allen and it is to the movies as well as to novels advice columns and self help books that David Shumway turns for his history of modern love Modern Love argues that a crisis in the meaning and experience of marriage emerged when it lost its institutional function of controlling the distribution of property and instead came to be seen as a locus for feelings of desire togetherness and loss Over the course of the twentieth century partly in response to this crisis a new language of love intimacy emerged not so much replacing but rather coexisting with the earlier language of romance Reading a wide range of texts from early twentieth century advice columns and their late twentieth century antecedent the relationship self help book to Hollywood screwball comedies and from the relationship films of Woody Allen and his successors to contemporary realist novels about marriages Shumway argues that the kinds of stories the culture has told itself have changed Part layperson s history of marriage and romance part meditation on intimacy itself Modern Love will be both amusing and interesting to almost anyone who thinks about relationships and who doesn t **Drama Kings** Dalma Heyn,2005-11-05 An analysis of relationships between strong women and emotionally weak men counsels women on how to recognize warning signs prevent partners from sabotaging a relationship and transform a compromising situation into one of strength
