**Erwin Ramsdell Goodenough, a Personal Pilgrimage** Robert S. Eccles, 1985      **Historical Handbook of Major Biblical Interpreters** Donald K. McKim, 1998 Contributors from both historical and biblical studies profile the methods perspectives and seminal works of major biblical interpreters from the second century to the late twentieth century Includes introductory essays for each period and bibliographies of each interpreter Edited by Donald K McKim      **Early Jewish Prayers in Greek** Pieter W. van der Horst, Judith. H. Newman, 2008-12-10 During the past few decades a great amount of scholarly work has been done on the various prayer cultures of antiquity both Graeco Roman and Jewish and Christian In Jewish studies this burgeoning research on ancient prayer has been stimulated particularly by the many new prayer texts found at Qumran which have shed new light on several long standing problems The present volume intends to make a new contribution to the ongoing scholarly debate on ancient Jewish prayer texts by focusing on a limited set of prayer texts scil a small number of those that have been preserved only in Greek Jewish prayers in Greek tend to be undervalued which is regrettable because these prayers shed light on sometimes striking aspects of early Jewish spirituality in the centuries around the turn of the era In this volume twelve such prayers have been collected translated and provided with an extensive historical and philological commentary They have been preserved on papyrus on stone and as part of Christian church orders into which some of them have been incorporated in a christianized form For that reason these prayers are of great interest to scholars of both early Judaism and ancient Christianity      The Catholic Biblical Quarterly Wendell Stephen Reilly, 1986 Includes various reports of the Association      **Journal of Biblical Literature** , 1986      *A History of Bible Translation and the North American Contribution* Harry M.
