*Escape and Return* Fritz Ottenheimer, 2000-09-01

## **What Happened to the Children Who Fled Nazi Persecution**

G. Holton, G. Sonnert, 2006-12-25 The result of a four year in depth study of those refugees who came as children or youths from Central Europe to the United States during the 1930s and 1940s fleeing persecution from the National Socialist regime This study uses social science methodology and examines their fates in their new country their successes and tribulations

**Intolerance** Robert E. Tully, Bruce Chilton, 2017-07-14 Aristotle accurately characterized humans as political animals Whether through birth or from choice people naturally cluster into groups for protection advancement and the pursuit of well being But Aristotle's description does not hint at the powerful binary tension within this human tendency Leaders enhance a social group's sense of identity by appealing to the members' commitments and shared traditions to their hopes strengths sacrifices and fears Often however they cultivate not only an awareness of difference but even a sense of superiority since for every social group there are those outside the them Maintaining a group's solidarity can too easily lead to the righteousness of intolerance towards those who are excluded The reinforcement of group identity in this way runs so deep in human nature that holding up a mirror to ourselves inevitably reveals a split image the people we want to see and the people we're glad we're not Intolerance Political Animals and Their Prey presents stark examples of how the US has treated the them The papers in this volume hold up various unflattering mirrors of intolerance from the areas of History Law Philosophy Political Science and Religion The authors of these scholarly studies do not condemn Rather their research compels us to look at ourselves as the political animals we are Intolerance Political Animals and Their Prey is the product of a year long multi disciplinary collaboration between faculty members of Bard College and the United States Military Academy at West Point The project involved parallel seminar courses at both institutions along with Joint Sessions all focused on the central theme of intolerance and culminated in a three day academic Conference at Bard in the Spring of 2015 This volume inaugurates a new series being published by Hamilton Books under the general title Dialogues on Social Issues Bard College and West Point

**Escape to Virginia** Robert H. Gillette, 2016-03-08 Fascinating Provides a history of the Holocaust as the tapestry against which the trials and adventures of these young Jewish youth played out Jewish Book Council Jewish teenagers Eva and Tupper were desperately searching for an escape from the stranglehold of 1930s Nazi Germany They studied agriculture at the Gross Breesen Institute in hopes of securing visas to gain freedom from the tyranny around them Then Richmond department store owner William B. Thalheimer created a safe haven on a rural Virginia farm where Eva and Tupper would find refuge Discover the remarkable true story of two young German Jews who endured the emotional torture of their adolescence journeyed to freedom and ultimately confronted the evil that could not destroy their spirit Author Robert H. Gillette retells this harrowing narrative that is sure to inspire generations to come Includes photos Escape to Virginia is not only an illuminating history lesson bridging the Old World and the New World during its most tumultuous period it is also an exemplary story on various

levels and for readers of all ages crystallizing time and again the Gross Breesen spirit of hope courage and resilience The book is well researched vividly narrated and richly illustrated Jewish New **Escape from Siberia, Escape from Memory** Paul Wojdak,2024-04-08 Paul Wojdak's father Pawel was born in 1912 in Novosibirsk Siberia During the 1800s many Polish people were banished to Siberia for rising against czarist Russia's repressive policies aimed to destroy Polish language and culture and they eventually lived in Siberia for generations By the 1920s war and chaos followed the Russian Revolution and Poles were cast as enemies of the people fleeing east as refugees Most died from disease starvation cold or violence including Pawel's parents and many Polish children were tragically trapped in Siberia a seven year old Pawel among them Later in life living in Canada with his wife and son Pawel physically could not speak about his childhood and refused to speak about his life as a young adult but his memories were sometimes triggered by chance events leaving mysterious tidbits for his son Paul Why could his father sing the Japanese national anthem How did he come to see a tractor as a young boy in the United States Inspired by his love for his father combined with a desire to understand Pawel's complicated life after his father's death Paul takes on the daunting task of trying to piece together his father's past determined to uncover the truth in the hopes of learning the story of a man who despite all his hardships was respectful loyal dedicated and loving Only knowing bits and pieces of his father's childhood and knowing his father fought in World War II Paul begins by connecting his father's story with the stories of other Polish children and men in Siberia and Eastern Europe from 1917 to 1945 From there he brings to light the remarkable story of the Polish Rescue Committee and their plight to rescue Polish children in Siberia after World War I and of the compassion of the Japanese people in harbouring these children Following records of his father's trail he shares the incredible journey these children then took before finally arriving in Poland in late 1922 only to find their lives in upheaval again in 1939 when Poland was invaded by Russia and Germany **Escape from Siberia Escape from Memory** not only shares an extraordinary story of heroism and survival but also explores the struggle to recapture and preserve cultural and personal memory and the impact of war on children and young adults **Violence, Memory, and History** Colin McCullough,Nathan Wilson,2014-09-15 This edited collection delves into the horrors of November 1938 and to what degree they portended the Holocaust demonstrating the varied reactions of Western audiences to news about the pogrom against the Jews A pattern of stubborn governmental refusal to help German Jews to any large degree emerges throughout the book Much of this was in response to uncertain domestic economic conditions and underlying racist attitudes towards Jews Contrasting this was the outrage expressed by ordinary people around the world who condemned the German violence and challenged the policy of Appeasement being advanced by Great Britain and France towards Adolf Hitler's Nazi German government at the time Contributors employ multiple media sources to make their arguments and compare these with official government records For the first time a collection on Kristallnacht has taken a truly transnational approach giving readers a fuller understanding of how the events of November 1938 were understood around the Western world **Mirrors of**

**Destruction** Omer Bartov, 2000-08-24 *Mirrors of Destruction* examines the relationship between total war state organized genocide and the emergence of modern identity Here Omer Bartov demonstrates that in the twentieth century there have been intimate links between military conflict mass murder of civilian populations and the definition and categorization of groups and individuals These connections were most clearly manifested in the Holocaust as the Nazis attempted to exterminate European Jewry under cover of a brutal war and with the stated goal of creating a racially pure Aryan population and Germanic empire The Holocaust however can only be understood within the context of the century's predilection for applying massive and systematic methods of destruction to resolve conflicts over identity To provide the context for the Final Solution Bartov examines the changing relationships between Jews and non Jews in France and Germany from the outbreak of World War I to the present Rather than presenting a comprehensive history or a narrative from a single perspective Bartov views the past century through four interrelated prisms He begins with an analysis of the glorification of war and violence from its modern birth in the trenches of World War I to its horrifying culmination in the presentation of genocide by the SS as a glorious undertaking He then examines the pacifist reaction in interwar France to show how it contributed to a climate of collaboration with dictatorship and mass murder The book goes on to argue that much of the discourse on identity throughout the century has had to do with identifying and eliminating society's elusive enemies or enemies from within Bartov concludes with an investigation of modern apocalyptic visions showing how they have both encouraged mass destructions and opened a way for the reconstruction of individual and collective identities after a catastrophe Written with verve *Mirrors of Destruction* is rich in interpretations and theoretical tools and provides a new framework for understanding a central trait of modern history

*National and Transnational Memories of the Kindertransport* Amy Williams, William Niven, Bill Niven, 2023 The first transnational study of the memory of the Kindertransport and the first to explore how it is represented in museums memorials and commemorations The Kindertransport the rescue of ca 10 000 Jewish children from the Nazi sphere of control and influence before the Second World War has often been framed as a British story This book recognizes that even though most of the Kinder were initially brought to the UK and many stayed it was more than that It therefore compares British memory of the Kindertransport to that of other host nations the US Canada Australia and New Zealand It is the first book to ask how the Kindertransport is remembered both in the countries of origin particularly Germany and in the host nations as well as the first to analyze how it is represented in museums memorials and commemorations Seeing memory of the Kindertransport in the host nations and in Germany as significantly different the study argues that the different national memory discourses around the Nazi persecution of Jews shape the respective countries' images of the Kindertransport and that those images in turn shape the discourses especially in Britain Yet while national memory frameworks remain crucial to how the Kindertransport is remembered the book also documents the increasing significance of transnational memory trends that link the host nations with each other and with the countries from

which the children originated      **The Routledge Companion to Nazi Germany** Roderick Stackelberg, 2007-12-12  
Combines a narrative overview with chronological bibliographical and tabular information to cover major aspects of Nazi Germany This guide provides a survey of topics such as origins and consolidation of the Nazi regime      *Impossible Escape*  
Steve Sheinkin, 2023-08-29 From three time National Book Award finalist and Newbery Honor author Steve Sheinkin a true story of two Jewish teenagers racing against time during the Holocaust one in hiding in Hungary and the other in Auschwitz plotting escape It is 1944 A teenager named Rudolf Rudi Vrba has made up his mind After barely surviving nearly two years in the Auschwitz concentration camp in Poland he knows he must escape Even if death is more likely Rudi has learned the terrible secret hidden behind the heavily guarded fences of concentration camps across Nazi occupied Europe the methodical mass killing of Jewish prisoners As trains full of people arrive daily Rudi knows that the murders won't stop until he reveals the truth to the world and that each day that passes means more lives are lost Lives like Rudi's schoolmate Gerta Sidonov Gerta's family fled from Slovakia to Hungary where they live under assumed names to hide their Jewish identity But Hungary is beginning to cave under pressure from German Nazis Her chances of survival become slimmer by the day The clock is ticking As Gerta inches closer to capture Rudi and his friend Alfred Wetzler begin their crucial steps towards an impossible escape This is the true story of one of the most famous whistleblowers in the world and how his death-defying escape helped save over 100 000 lives      *The Holocaust, Religion, and the Politics of Collective Memory* Ronald J. Berger, 2017-07-05 The program of extermination Nazis called the Final Solution took the lives of approximately six million Jews amounting to roughly 60 percent of European Jewry and a third of the world's Jewish population Studying the Holocaust from a sociological perspective Ronald J Berger explains why the Final Solution happened to a particular people for particular reasons why the Jews were for the Nazis the central enemy Taking a unique approach in its examination of the devastating event *The Holocaust Religion and the Politics of Collective Memory* fuses history and sociology in its study of the Holocaust Berger's book illuminates the Holocaust as a social construction As historical scholarship on the Holocaust has proliferated perhaps no other tragedy or event has been as thoroughly documented Yet sociologists have paid less attention to the Holocaust than historians and have been slower to fully integrate the genocide into their corpus of disciplinary knowledge and realize that this monumental tragedy affords opportunities to examine issues that are central to main themes of sociological inquiry Berger's aim is to counter sociologists who argue that the genocide should be maintained as an area of study unto itself as a topic that should be segregated from conventional sociology courses and general concerns of sociological inquiry The author argues that the issues raised by the Holocaust are central to social science as well as historical studies      **Regimes of Terror and Memory** Manfred Henningsen, 2023-07-31 *Regimes of Terror and Memory* Beyond the Uniqueness of the Holocaust illustrates how convenient it has become in not recognizing other regimes of terror in recent history Manfred Henningsen compares the memory of Nazi Germany's macro criminal record with the

remembrances of Stalin's Russia and Mao's China the Japanese Empire Pol Pot's Cambodia Sukarno's Indonesia He discusses the cultural reasons for these memory distortions in the West and in the societies that have experienced these macro crimes of genocidal violence Henningsen has embedded his search in an autobiographical context that begins with his birth upbringing and education in Germany from 1938 to 1969 continues after his move to Hawaii in 1970 in the American political culture and becomes more realized through extensive traveling in Europe Asia and Africa

**Graven Images** A. David Lewis, Christine Hoff Kraemer, 2010-10-21 Comic books have increasingly become a vehicle for serious social commentary and specifically for innovative religious thought Practitioners of both traditional religions and new religious movements have begun to employ comics as a missionary tool while humanists and religious progressives use comics unique fusion of text and image to criticize traditional theologies and to offer alternatives Addressing the increasing fervor with which the public has come to view comics as an art form and Americans fraught but passionate relationship with religion Graven Images explores with real insight the roles of religion in comic books and graphic novels In essays by scholars and comics creators Graven Images observes the frequency with which religious material in devout educational satirical or critical contexts occurs in both independent and mainstream comics Contributors identify the unique advantages of the comics medium for religious messages analyze how comics communicate such messages place the religious messages contained in comic books in appropriate cultural social and historical frameworks and articulate the significance of the innovative theologies being developed in comics

**Between Memory and History** Marie Noelle Bourguet, Lucette Valensi, Nathan Wachtel, 2016-03-31 The recent wave of interest in oral history and return to the active subject as a topic in historical practice raises a number of questions about the status and function of scholarly history in our societies This article in this volume originally published in 1990 and which originally appeared in History and Anthropology Volume 2 Part 2 discuss what contributions meanings and consequences emerge from scholarly history turning to living memory and what the relationships are between history and memory

**Breaking Intergenerational Cycles of Repetition** Donna Orange, 2016-01-18 The authors in this volume explore the interconnected issues of intergenerational trauma and traumatic memory in societies with a history of collective violence across the globe Each chapter's discussion offers a critical reflection on historical trauma and its repercussions and how memory can be used as a basis for dialogue and transformation The perspectives include among others the healing journey of three generations of a family of Holocaust survivors and their dialogue with third generation German students over time traumatic memories of the British concentration camps in South Africa reparations and reconciliation in the context of the historical trauma of Aboriginal Australians and the use of the arts as a strategy of dialogue and transformation

*The Legitimization of Violence* David Apter, 1997 Violence nationalism and politics are inextricably linked in such controversial political movements as Neo Nazism in contemporary Germany and the Shi'ia in Lebanon By analyzing the diverse factors which lead to violent acts this volume addresses the complexity and the correlations between politics and

violence     **Fascism, Vulnerability, and the Escape from Freedom** C. Jon Delogu, 2022 A worldwide struggle between democracy and authoritarianism set against a backdrop of global surveillance capitalism is unmistakable. Examples range from Myanmar, China, and the Philippines to Hungary, Turkey, Russia, and the United States. *Fascism, Vulnerability, and the Escape from Freedom* offers a multidisciplinary analysis drawing on psychology and literature to provide readers with a deeper understanding of the mechanisms that drive people to abandon democracy in favor of vertically organized authoritarianism and even fascism. In a comparative study of texts selected for their insights and occasional blind spots regarding fascist experiments of the past 100 years, Delogu examines fascism's exploitation of fear of change, loss, and death, disruption, and extreme inequality. The book offers an accessible and persuasive argument linking fascist authoritarianism, also called right-wing populism, to certain underlying conditions such as a rise in us versus them thinking, distrust, or simple apathy regarding democratic institutions, norms, and results. The vulnerabilities that result from extreme inequality, economic, social, racial, and addictions, and codependency. Stressful events such as a pandemic, an environmental disaster, or deep recession aggravate these harmful factors and make the fascist temptation, including the use of violence, almost irresistible. Delogu's distinctive examination of texts that plumb the unconscious reveals linkages between actions and unavowable motives that purely historical and theoretical studies of fascism leave out. Erich Fromm's neglected 1941 classic *Escape from Freedom* serves as a key reference in Delogu's study, as does Robert Paxton's authoritative history *The Anatomy of Fascism* (2004). After underscoring the argument and urgent context around these two studies, Hitler's Germany and George W. Bush's post-9/11 America, Delogu examines novels, a diary, memoirs, and manifestos to show how vulnerability forces individuals to choose between exclusionary fascist authoritarianism and inclusive collaborative democracy.

Endpapers Alexander Wolff, 2023-02-22 A powerfully told story of family, honor, love, and truth: the beautiful and haunting stories told in this book transcend policy and politics. Beto O'Rourke: A literary gem researched over a year; the author spent living in Berlin. *Endpapers* excavates the extraordinary histories of the author's grandfather and father: the renowned publisher Kurt Wolff, dubbed perhaps the twentieth century's most discriminating publisher by the *New York Times Book Review*, and his son Niko, who fought in the Wehrmacht during World War II before coming to America. Born in Bonn into a highly cultured German Jewish family, Kurt became a publisher at twenty-three, setting up his own firm and publishing Franz Kafka, Joseph Roth, Karl Kraus, and many other authors whose books would soon be burned by the Nazis. After fleeing Germany in 1933, Kurt and his second wife, Helen, founded Pantheon Books in a small Greenwich Village apartment. Pantheon would soon take its own place in literary history with the publication of Nobel laureate Boris Pasternak's novel *Doctor Zhivago* and as the conduit that brought major European works to the States. But Kurt's taciturn son Niko, offspring of his first marriage to Elisabeth Merck, was left behind in Germany where, despite his Jewish heritage, he served the Nazis on two fronts. As Alexander Wolff visits dusty archives and meets distant relatives, he discovers secrets that never made it to the land of fresh starts, including the

connection between Hitler and the family pharmaceutical firm E Merck With surprising revelations from never before published family letters diaries and photographs *Endpapers* is a moving and intimate family story weaving a literary tapestry of the perils triumphs and secrets of history and exile     *Billy Wilder* Joseph McBride, 2021-10-26 The director and cowriter of some of the world s most iconic films including *Double Indemnity* *Sunset Blvd* *Some Like It Hot* and *The Apartment* Billy Wilder earned acclaim as American cinema s greatest social satirist Though an influential fixture in Hollywood Wilder always saw himself as an outsider His worldview was shaped by his background in the Austro Hungarian Empire and work as a journalist in Berlin during Hitler s rise to power and his perspective as a Jewish refugee from Nazism lent his films a sense of the peril that could engulf any society In this critical study Joseph McBride offers new ways to understand Wilder s work stretching from his days as a reporter and screenwriter in Europe to his distinguished as well as forgotten films as a Hollywood writer and his celebrated work as a writer director In contrast to the widespread view of Wilder as a hardened cynic McBride reveals him to be a disappointed romantic Wilder s experiences as an exile led him to mask his sensitivity beneath a veneer of wisecracking that made him a celebrated caustic wit Amid the satirical barbs and exposure of social hypocrisies Wilder s films are marked by intense compassion and a profound understanding of the human condition Mixing biographical insight with in depth analysis of films from throughout Wilder s career as a screenwriter and director of comedy and drama and drawing on McBride s interviews with the director and his collaborators this book casts new light on the full range of Wilder s rich complex and distinctive vision     **American Book Publishing Record** ,2007

### Escape And Return Memories Of Nazi Germany Introduction

In the digital age, access to information has become easier than ever before. The ability to download Escape And Return Memories Of Nazi Germany has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Escape And Return Memories Of Nazi Germany has opened up a world of possibilities. Downloading Escape And Return Memories Of Nazi Germany provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Escape And Return Memories Of Nazi Germany has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Escape And Return Memories Of Nazi Germany. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Escape And Return Memories Of Nazi Germany. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Escape And Return Memories Of Nazi Germany, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Escape And Return Memories Of Nazi Germany has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## **FAQs About Escape And Return Memories Of Nazi Germany Books**

1. Where can I buy Escape And Return Memories Of Nazi Germany books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Escape And Return Memories Of Nazi Germany book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
