Berg,Naomi B. Sokoloff,2020-10-01 2021 CHOICE Outstanding Academic Title Toward the end of the twentieth century an unprecedented surge of writing altered the Israeli literary scene in profound ways As fresh creative voices and multiple languages vied for recognition diversity replaced consensus Genres once accorded lower status such as the graphic novel and science fiction gained readership and positive critical notice These

trends ushered in not only the discovery and recovery of literary works but also a major rethinking of literary history In Since 1948 scholars consider how recent voices have succeeded older ones and reverberated in concert with them how linguistic and geographical boundaries have blurred how genres have shifted and how canon and competition have shaped Israeli culture Charting surprising trajectories of a vibrant challenging and dynamic literature the contributors analyze texts composed in Hebrew Yiddish and Arabic by Jews and non Jews and by Israelis abroad as well as writers in Israel What emerges is a portrait of Israeli literature as neither minor nor regional but rather as transnational multilingual and worthy of international attention **Prayer Book and Life Cycle Guide for Messianic Believers in Yeshua** William A.

Berg,2009-04 **Menachem Mendel Schneerson** Ezra Gliner,2024-10-29 The life and thought of Menachem Mendel Schneerson one of the most influential and controversial rabbis in modern Judaism Accessible informed and balanced The author manages to tread on fragile ground with aplomb An exceptional tool for understanding Kirkus Reviews starred review The Chabad Lubavitch movement one of the world s best known Hasidic groups is driven by the belief that we are on the verge of the messianic age The man most recognized for the movement s success is the seventh and last Lubavitcher rebbe Menachem Mendel Schneerson 1902 1994 believed by many of his followers to be the Messiah While hope of redemption has sustained the Jewish people through exile and persecution it has also upended Jewish society with its apocalyptic and anarchic tendencies So it is not surprising that Schneerson s messianic fervor made him one of the most controversial rabbinic leaders of the twentieth century How did he go from being an ordinary rabbi s son in the Russian Empire to achieving status as a mystical sage How did he revitalize a centuries old Hasidic movement construct an outreach empire of unprecedented scope and earn the admiration and condemnation of political communal and religious leaders in America and abroad Ezra Gliner s deeply researched account is the first biography of Schneerson to combine a nonpartisan view of his life work and impact with an insider s understanding of the ideology that drove him and that continues to inspire the Chabad Lubavitch movement today **A Heart Afire** Zalman Schacter-Shalomi,Netanel Miles-Yepetz,2017-08-22 A Heart Afire is an intimate guided tour of many of the lesser known and previously unpublished stories and teachings of the first three generations of Hasidism especially those of the Ba al Shem Tov his heirs male and female and the students of his successor the Maggid of Mezritch Hasidism Beyond Modernity Naftali Loewenthal,2019-12-18 The Habad school of hasidism is distinguished today from other hasidic groups by its famous emphasis on outreach on messianism and on empowering women Hasidism Beyond Modernity provides a critical thematic study of the movement from its beginnings showing how its unusual qualities evolved Topics investigated include the theoretical underpinning of the outreach ethos the turn towards women in the twentieth century new attitudes to non Jews the role of the individual in the hasidic collective spiritual contemplation in the context of modernity the quest for inclusivism in the face of prevailing schismatic processes messianism in both spiritual and political forms and the direction of the movement after the passing of its seventh rebbe Rabbi Menachem Mendel

Schneerson in 1994 Attention is given to many contrasts pre modern modern and postmodern conceptions of Judaism the clash between maintaining an enclave and outreach models of Jewish society particularist and universalist trends and the subtle interplay of mystical faith and rationality Some of the chapters are new others published in an earlier form have been updated to take account of recent scholarship This book presents an in depth study of an intriguing movement which takes traditional hasidism beyond modernity The Alef-beit Yitshak Ginzburg,1991 Index Bibliography p 462 475 The Rebbe's Children Shmuli Zalmanov,2015-02-02 In this collection of insights from the Lubavitcher Rebbe compiled from a variety of letters public addresses and private audiences the Rebbe provides practical guidelines and advice on a myriad of topics concerning and addressed to Yeshiva students who are attending Chabad Lubavitch Yeshivas The book s title The Rebbe s Children is inspired by the Rebbe lovingly referring to these Chabad students otherwise known as Tmimim as his own children This is apparent in the enthusiastic spirit and fatherly affection exhibited in this compilation Hasidic Studies Ada Rapoport-Albert,2018-01-16 Ada Rapoport Albert has been a key partner in the profound transformation of the history of hasidism that has taken shape over the past few decades The essays in this volume show the erudition and creativity of her contribution Written over a period of forty years they have been updated with regard to significant detail and to take account of important works of scholarship written after they were originally published
