George,2014-04-01 Ellen Emerson may be the last living survivor of the Johnstown flood She was only four years old on May 31 1889 when twenty million tons of water decimated her hometown of Johnstown Pennsylvania Thousands perished in what was the worst natural disaster in U S history at the time As we witness in *The Johnstown Girls* the flood not only changed the course of history but also the individual lives of those who survived it A century later Pittsburgh Post Gazette reporters Ben Bragdon and Nina Collins set out to interview 103 year old Ellen for Ben s feature article on the flood When asked the secret to her longevity Ellen simply attributes it to restlessness As we see that restlessness is fueled by Ellen s innate belief that her twin sister Mary who went missing in the flood is somehow still alive Her story intrigues Ben but it haunts Nina who is determined to help Ellen find her missing half Novelist Kathleen George masterfully blends a history of the Johnstown flood into her heartrending tale of twin sisters who have never known the truth about that fateful day in 1889 a day that would send their lives hurtling down different paths *The Johnstown Girls* is a remarkable story of perseverance hard work and never giving up hope in the face of seemingly insurmountable odds It s also a tribute to the determination and indomitable spirit of the people of Johnstown through one hundred years three generations and three different floods
