He Who Has Ears The Good News Of The Kingdom:

He Who Has Ears Chris Hill, 2004-11 I am a computer nerd I like computers I can do fancy things with computers and after selling computers for a few years I now understand how to talk to non computer nerds sometimes If you are a nerd like me then you know what I m talking about for all you less fortunate people out there do you know what it s like talking with one of us Sure you do These conversations can tend to have a little attribute equated with them one I like to call frustration The problem though can for the most part be solved in two manners 1 The non nerd must become a nerd and learn more about computers 2 The nerd must remember what it was like to be a non nerd and compensate Step two tends to take far less time and preparation than step one unless of course the nerd has been a nerd for so long that compensation is completely impossible The key to all discussions though is understanding the subject Either the nerd can make the subject more understandable or the non nerd can seek to understand the subject in the manner that the nerd understands it if one party does not have the right understanding then the conversation will be an endless circle of contradicting babble and frustration The same holds true for the Bible If you do not understand the overall subject of the Bible you will have a very frustrating time reading and an even more frustrating time understanding some harder sayings Since I would like very much for you to understand the point of the book I m writing I would first ask you to understand the point of God s Word There are sub themes and such but there is only one main subject and if you understand this subject things that were once foggy become unimaginably clear Unfortunately most people confuse the hero of the story with the subject of the story believing that Jesus Christ is actually the subject Now he is a very important part of the subject because without him the desired ending would not be possible but without the true subject the hero has no purpose Thus I will tell you a story this story will be completely Biblically based with verses to back the whole thing up but writing out the verses individually would have simply confused things I suggest that you read the story once through for understanding and then check up on the verses themselves so you can see where I m getting the story from I call this story The Tale of the Kingdom The Tale of the Kingdom In the beginning God created Adam and Eve along with all the plants and animals and they all dwelt with Him in His kingdom Genesis 1 1 31 All these creations were given flesh bodies and all of them were to produce after their own kind The soul of this flesh was put into the blood Leviticus 17 11 and the soul and blood were directly related to life All people that have ever existed are from one blood the blood of Adam Acts 17 26 Thus it is with all living creatures after their own kind to this day Adam was created differently than the other animals though for in him God blew the breath of life and he became a living being Genesis 2 7 This is the spirit which God gave Adam in order that he might be alive Romans 8 11 James 2 26 This God had not done in the same way with any of the other animals Genesis 2 20 God is spirit John 4 24 and thus could minister to Adam s spirit this is the way that Adam and God had a relationship Spirit however does not have flesh Luke 24 39 and thus God did not satisfy the need for a fleshly relationship for Adam So from Adam God created Eve his wife and the two became

one flesh Genesis 2:24 so that they could have fellowship with one another a thing required by all men and women Death had not yet entered the world because God made the world through His Word and in it is life John 1:4 and thus in His creation was the same God's creation was intended

The Crossover Demetrius A. Jackson, 2011-11 The Crossover is to presents a holistic integrated and principle centered kingdom challenge to all This book is to mentor you through a plan to build a healthy ministry that isn't dependent on one individual It is my hopes to help strengthen leaders members to become devoted to their ministry and to provide structured information to those searching for a church and their purpose This book is appealing to all rather you are a pastor leader member of a church don't attend church and or looking to reach this generation and see their lives change and transformed by God

The Good News of Jesus Christ The New Covenant Daniel Hernandez, 2019-04-15 This book is a study guide and is not meant to replace the Bible Some people are not familiar with biblical terms and this gives them the Good News of Jesus Christ with terms that are family friendly Jesus Christ is the center of the Bible and everything in the Bible revolves around him from the beginning to the end of the Bible In this book you will find the life of Jesus Christ in chronological order If you can't say in your mind In the name of Jesus Christ I rebuke you then you probably have some sort of unclean spirit or demonic possession and need God in your life and this is a good place to start

The good news to all nations, a verbal tr. and a paraphrase of the Gospel according to Luke, with notes of comparison with the other evangelists [by T. Wilkins]. Luke (st), 1905

If You Can Only Believe Valentina Kirichilina, 2011-04-26 I have had the privilege of knowing Valentina since 1991 We met in church and as a christian brother in a Christ centered relationship I have had the opportunity of encouraging Valentina as she courageously followed the steps of the Master as HE led her into the ministry of an evangelist on the streets bringing in prostitutes drug addicts and the homeless to the altar in church and on street corners where they presented their

hearts and lives to Jesus Valentina then entered the skid row of Vancouver where she ministered at the Revival Center Mission Gospel Mission and the Rainbow Mission not only serving food but preached the Word for over 14 years as well as ministering in a nursing home once every month faithfully preaching and encouraging the aged to believe in the Lord she so loved trusted and served I watched as she stepped into the Open Door Ministry a house where God moved in the lives of 4 homeless souls at a time by the intercession of the prayer warrior for a period of 4 years By this time I knew that this was a gal that trusted In the Good Shepherd with her life and especially so as she opened up her take out restaurant named Little Spot centered right smack in the tracks of the drug pushers who became her ministry Valentina has been a product that introduced her Savior to many lost and hurting but I believe that her greater works are still just around the corner Faithfully friend and co worker in Christ Jesus Marvin Farquharson New Westminster BC Canada

The Way of the Kingdom Kim M. Maas, 2021-08-17 Fight the Way Jesus Fought For many believers times of unrest simply mean that darkness is on the rise But what if the growing violence in the world today means something different What if our signs of the times mean that the Spirit of God is on the move Author and trusted prophet Kim Maas reveals one of the mysteries of the Kingdom When light breaks through the gates of darkness the result is violence This is spiritual warfare and it signals a fresh awakening It means that the Kingdom of God is advancing and that you are advancing Engage in Kingdom violence the way Jesus taught with violent love violent forgiveness violent healing violent deliverance violent peace If answering violence with violence sounds like war it is You are already in position Overturn the works of darkness in every area of your life and watch for a great move of God

The Radical Teaching of Jesus Duncan S. Ferguson, 2016-01-18 The Radical Teaching of Jesus carefully and thoughtfully invites the reader into an understanding of the life and teachings of Jesus Both his life and teachings are radical in that Jesus intended those who observed his life and heard his teachings to make a major change in their lives by fully receiving the power and presence of God The implications of this transformation would result in a life of loving God with heart and mind and one's neighbor without condition This volume underlines that to have a full understanding of the implications of the radical teaching of Jesus requires a careful reading of the history of the Gospel records of the circumstances in which Jesus lived and of Jesus sense of vocation This understanding makes possible a more credible and nuanced grasp of the style and content of the life and teaching of Jesus and its extraordinary relevance for our rapidly changing and troubled global context The book speaks poignantly both to those within the Christian family who find traditional categories regarding Jesus increasingly difficult to affirm and to those of other faith traditions or religious unaffiliated who seek an authentic spiritual way

Life in the Vine Rebekah Francisco Rojcewicz, 2021-01-06 This book intended to serve as a companion to The Good Shepherd and the Child A Joyful Journey documents the years of work of catechists with children ages six to twelve in the Level 2 atrium The book draws on the richest mysteries of our faith as recalled with the younger child ages three to six and how these mysteries unfold and expand for the older child

Connecting Gospels Francis Watson, Sarah Parkhouse, 2018-04-04 By the late second century early Christian gospels had been divided into two groups by a canonical boundary that assigned normative status to four of them while consigning their competitors to the margins. Connecting Gospels: Beyond the Canonical Non-canonical Divide finds new ways to reconnect these divided texts. Starting from the assumption that in spite of their differences all early gospels express a common belief in the absolute significance of Jesus and his earthly career, this authoritative collection makes their interconnectedness fruitful for interpretation. The contributors have each selected a theme or topic and trace it across two or more gospels on either side of the canonical boundary, and the resulting convergences and divergences shed light not least on the canonical texts themselves as they are read from new and unfamiliar vantage points. This volume demonstrates that early gospel literature can be regarded as a single field of study in contrast to the overwhelming predominance of the canonical four characteristic of traditional gospels scholarship.

Make Disciples! Terry A. Bowland, 1999 Let us make no mistake about it: Evangelism is not simply learning Bible facts. Evangelism is not simply understanding sociological information. Evangelism is taking part in God's great work of redeeming the world through Christ. It is to reach out and allow God's power and presence to extend into the lives of people through our daily lives. When we increasingly become aware of God working within us, the result will be joy in our daily tasks and joy in the lives we touch. Wherever God's will is done, the ultimate result for us will be joy.

Reading God's Story George H. Guthrie, 2011-11-01 Stories are basic to life. Everybody loves a good story. We have been reading, listening to, or watching stories all of our lives, so we intuitively know a lot about how they work. Yet more and more Christians are unfamiliar with the stories of the Bible and how the grand narrative of God's Word fits together. Indeed, God gave us the stories of the Bible to reveal great truth about Himself and about our lives, and He wants to draw us into the ongoing story of what He is doing in the world. By focusing on the narrative framework of Scripture, we can better understand what the Bible teaches and live out its instruction more effectively. Reading God's Story takes that clear narrative approach to the Bible, arranging the complete text into a fresh chronological reading plan developed for the Read the Bible for Life biblical literacy initiative. In this plan, the books, chapters, and verses of the Bible are thoughtfully arranged so readers can track the story of Scripture day by day, from beginning to end, understanding the flow of events and how all the different parts fit together to make sense. Reading God's Story features two color interior page layout and is organized into 52 weeks of readings, six readings per week. It presents Scripture in three main acts: God's Plan for All People, God's Covenant People, and God's New Covenant People, and seventeen total scenes, providing an introduction for each act and scene to orient the reader to its importance in the grand story. Unlike other chronological Bibles, this arrangement is not date specific (e.g., January 1), so a person can begin using this edition at any point in the calendar year.

Rediscovering the Kingdom Myles Munroe, 2004 Deals with the power of the kingdom of God. It touches on issues like keys that make the Kingdom function, the present and future reality of the Kingdom, and the original message and purpose of Jesus.
