Healers War

Raymond M. Scurfield

Healers War:

The Healer's War Elizabeth Ann Scarborough, 2022-05-30 Winner of the 1989 Nebula Award Award for Best Novel of 1988 A brutal and beautiful book that follows the surreal fantastical journey of a Vietnam War nurse Minneapolis Star Tribune A literary departure for acclaimed fantasy author Elizabeth Ann Scarborough The Healer's War draws on her personal experience as an army nurse in Da Nang to create a classic novel of the Vietnam War enriched with a magical mystical twist Lt Kitty McCulley a young and inexperienced nurse tossed into a stressful and chaotic situation is having a difficult time reconciling her duty to help and heal with the indifference and overt racism of some of her colleagues and with the horrendously damaged soldiers and Vietnamese civilians she encounters during her service at the China Beach medical facilities She is unexpectedly helped by the mysterious and inexplicable properties of an amulet given to her by one of her patients an elderly dying Vietnamese holy man which allows her to see other people's auras and to understand more about them as a result This eventually leads to a strange almost surrealistic journey through the jungle accompanied by a one legged boy and a battle seasoned but crazed soldier as McCulley struggles to find herself and a way to survive through the madness and destruction

Healing War Trauma Raymond M. Scurfield, Katherine Theresa Platoni, 2013 Healing War Trauma details a broad range of exciting approaches for healing from the trauma of war The techniques described in each chapter are designed to complement and supplement cognitive behavioral treatment protocols and ultimately to help clinicians transcend the limits of those protocols For those veterans who do not respond productively to or who have simply little interest in office based regimented and symptom focused treatments the innovative approaches laid out in Healing War Trauma will inspire and inform both clinicians and veterans as they chart new paths to healing

At Ansha's Daria Trentini, 2021-07-16 At Ansha's takes the reader inside the spirit mosque of a female healer in Nampula northern Mozambique It is here that Ansha a Makonde spirit healer heals the resisting ailments of her patients discloses pieces of her story of affliction and healing and engages the world outside her mosque We come to know Ansha's experiences as revolutionary and migrant her religious trajectories family the healers who cured her the spirits who possessed her and her declining health We follow Ansha's shifts in her life and work in the mosque as these intersect with the visible and invisible borders of Mozambique and of its fraught history Confronting events in her life and in the mosque between 2009 and 2016 Ansha invites us to make meaning with her as we sit in her mosque and engage with her family spirits friends patients and world

War and Healing Albert E. Cowdrey, 1992-04-01 New Orleans born Stanhope Bayne Jones was one of the pivotal figures in the modernization of American medicine Through his life story Albert E Cowdrey's War and Healing dramatizes the growth of American medicine from a provincial and amateurish state into a major national endeavor Cowdrey shows the diversity and wide ranging impact of Bayne Jones's career A brilliant student at Johns Hopkins and a protégé of William Welch Bayne Jones became in turn dean of Yale Medical School a foundation head a general in the army's Medical Corps president

of the New York Hospital Cornell Medical Center director of the army's medical research program and a member of the Surgeon General's Commission on Smoking and Health Both a unique and a representative figure Bayne Jones learned from his military experience in two wars that the fundamental business of medicine is health not disease and became a strong advocate for preventive medicine He developed a broad idealized conception of the future of medicine as a discipline free of political control organized collectively devoted to the preservation of health and divorced from entrepreneurial passions Bayne Jones was a complex fascinating man and physician Gifted with great intelligence and considerable charm he spent much of his life in the Ivy League the halls of government and the great northeastern cities Cowdrey explores the tensions between Bayne Jones's southern roots and national aspirations between his deep commitment to his family and heritage and his restless driving ambition Bayne Jones's career forms still another chapter logical and yet unexpected in the family saga that will be familiar to many readers through *The Children of Pride*

Psychiatrists and Traditional Healers Mario Incayawar, Ronald Wintrob, Lise Bouchard, Goffredo Bartocci, 2009-04-27 This exceptional book responds to the intense current interest in defining and understanding the contribution of traditional medical knowledge and the intervention techniques of traditional healers to national mental health services around the world First book on traditional healing and transcultural psychiatry Delineates the knowledge and clinical skills of traditional healers from diverse cultural areas around the world Describes the clinical and social roles of traditional healers in their communities and the challenges of constructing national mental health programs that include traditional knowledge and healing techniques Assesses issues on efficacy and safety of traditional healers interventions Includes contributions from leading scholars in this field from South Africa India New Zealand Andorra Canada USA Italy and the Quichua and Sioux Lakota Nations of South and North America Theme of culture versus science The psychiatrists discuss the effects of local culture upon mental health and consider the impact benefit and incorporation of traditional healing as a tool for the clinical psychiatrist Easy to use with case studies and vignettes throughout and a glossary to explain any technical terms *Psychiatrists and Traditional Healers* Unwitting Partners in Global Mental Health is a valuable addition to the bookshelf of a wide array of mental health trainees researchers and professionals interested in cultural psychiatry in general and the role of traditional healers around the world

The Healing Wars: Book I: The Shifter Janice Hardy, 2009-10-06 Fifteen year old Nya is an orphan struggling for survival in a city crippled by war She is also a Taker with her touch she can heal injuries pulling pain from another person into her own body But unlike her sister Tali and the other Takers who become Healer's League apprentices Nya's skill is flawed she can't push that pain into pynvium the enchanted metal used to store it All she can do is shift it from person to person a dangerous skill that she must keep hidden from forces occupying her city If discovered she'd be used as a human weapon against her own people Rumors of another war make Nya's life harder forcing her to take desperate risks just to find work and food She pushes her luck too far and exposes her secret to a pain merchant eager to use her shifting ability for his own sinister purpose At first

Nya refuses but when Tali and other League Healers mysteriously disappear she is faced with some difficult choices As her father used to say principles are a bargain at any price but how many will Nya have to sell to get Tali back alive

Charismatic Healers in Contemporary Africa Sandra Fancello, Alessandro Gusman, 2022-12-15 Based on ethnographic studies conducted in several African countries this open access book analyses the phenomenon of deliverance which is promoted both in charismatic churches and in Islam as a weapon against witchcraft in order to clarify the political dimensions of spiritual warfare in contemporary African societies Deliverance from evil is part and parcel of the contemporary discourse on the struggle against witchcraft in most African contexts However contributors show how its importance extends beyond this highlighting a pluralism of approaches to deliverance in geographically distant religious movements which coexist in Africa Against this background the book reflects on the responsibilities of Pentecostal deliverance politics within the condition of epistemic anxiety of contemporary African societies to shed light on complex relational dimensions in which individual deliverance is part of a wider social and spiritual struggle Spanning across the study of religion healing and politics this book contributes to ongoing debates about witchcraft and deliverance in Africa The ebook editions of this book are available open access under a CC BY NC ND 4.0 licence on bloomsburycollections.com Open access was funded by the University of Turin Lungo Dora and Institut des Mondes Africains

Borders and Healers Tracy J. Luedke, Harry G. West, 2006 In southeast Africa the power to heal is often associated with crossing borders whether literal or metaphorical This wide ranging volume reveals that healers whose power depends on the ability to broker therapeutic resources also contribute to the construction of the borders they transgress While addressing diverse healing practices such as herbalism razor blade vaccination spirit possession prophetic healing missionary health clinics and traumatic storytelling the nine lively and provocative essays in *Borders and Healers* explore the creativity and resilience of the region's healers and those they heal in a world shaped by economic stagnation declining state commitments to health care and the AIDS pandemic This important book contributes to understandings of the ways in which healing practices in southeast Africa mediate divides between the wealthy and the impoverished the traditional and the modern the local and the global

Healing Traditions Karen E. Flint, 2008-10-21 In August 2004 South Africa officially sought to legally recognize the practice of traditional healers Largely in response to the HIV/AIDS pandemic and limited both by the number of practitioners and by patients access to treatment biomedical practitioners looked toward the country's traditional healers as important agents in the development of medical education and treatment This collaboration has not been easy The two medical cultures embrace different ideas about the body and the origin of illness but they do share a history of commercial and ideological competition and different relations to state power *Healing Traditions: African Medicine, Cultural Exchange and Competition in South Africa 1820-1948* provides a long overdue historical perspective to these interactions and an understanding that is vital for the development of medical strategies to effectively deal with South Africa's healthcare challenges Between 1820 and

1948 traditional healers in Natal South Africa transformed themselves from politically powerful men and women who challenged colonial rule and law into successful entrepreneurs who competed for turf and patients with white biomedical doctors and pharmacists To understand what is traditional about traditional medicine Flint argues that we must consider the cultural actors and processes not commonly associated with African therapeutics white biomedical practitioners Indian healers and the implementing of white rule Carefully crafted well written and powerfully argued Flint s analysis of the ways that indigenous medical knowledge and therapeutic practices were forged contested and transformed over two centuries is highly illuminating as is her demonstration that many traditional practices changed over time Her discussion of African and Indian medical encounters opens up a whole new way of thinking about the social basis of health and healing in South Africa This important book will be core reading for classes and future scholarship on health and healing in Africa A Vietnam Trilogy, Vol. 2: Healing Journeys Raymond M. Scurfield, 2006 A Vietnam Trilogy is about a side of war that for decades pro military and pro defense advocates have systematically suppressed minimized and denigrated as being falsely exaggerated the indelible human cost of war on its participants that can and does persist for decades The 3 14 million Vietnam war zone veterans and 800 000 Vietnam theater veterans suffering full or partial post traumatic stress syndrome and their families will find it invaluable Volume Two Healing Journeys focuses on three Vietnam Vets making a return trip accompanying 16 students on a Study Abroad history course Especially in the post 9 11 post Iraq world this trilogy is important reading for academics and mental health professionals including graduate and undergrad students in history psychology social work and religion and professionals in psychiatry clinical nursing counseling and religion and academic specialists interested in study abroad programs Through the wrenching stories of veterans and the authors own understanding as a mental health professional Scurfield describes his and his comrades experiences during the war then he describes the healing process fostered by innovative return trips he has led to peace time Vietnam in 1989 and in conjunction with a university history program in 2000 described in this volume A Vietnam Trilogy offers veterans and their families a vicarious healing journey by relating the experiences of those who participated in these therapeutic efforts and offers recommendations to veterans and those who wish to help them The therapy breakthroughs for veterans with Post Traumatic Stress Disorder are now the model for innovative programs across America and they will be the foundation for programs to help today s veterans of the Iraq War

Civilians in War International Peace Academy, 2001 While recognizing the changing face of war casualties the civilian casualty rate has escalated from five percent in World War I to up to 90 percent in recent conflicts the 1949 Geneva Convention on the Protection of Civilians has not been able to reverse that trend In this project of the International Peace Academy with which the editor is affiliated a dozen essays endeavor to expand the tools available to protect civilians in times of war They address the themes of the evolving norms of international humanitarian law inducing compliance enforcing compliance and reevaluating protection by reviewing traditional assumptions and new needs to deal at the local level with

unconventional belligerents like guerillas c Book News Inc *South Slavic Women's Transgenerational Trauma Healing Through Oral Memory Practices* Danica Anderson, 2023-10-30 *South Slavic Women's Transgenerational Trauma Healing through Oral Memory Practices* Women War Crimes and War Survivors explains that Kolo Informed Trauma Treatment is a clinical cultural psychological and neurobiological approach that draws upon the rich scientific UNESCO intangible cultural heritage and embodied practices of the South Slavic Kolo circle movement format or somatic folk dance The author argues that Slavic oral memory practices are not in fact worthless or outdated in healing trauma The inclusion of the little known or rarely researched women who have experienced war crimes and war trauma demonstrates the intrinsic depth and female indigenous resources aligning with many scientific interdisciplinary fields and women's human rights Central to the Kolo Informed Trauma Treatment is the profound recognition of the importance of women's cultural memory and somatic oral traditions to evolve towards communal healing Women's memory narrative enables the South Slavic people to have profound communal approaches to offer insights into the effects of war trauma advocating paths towards thriving Through a recalibration with the relationship of women as valued resources and prominence as creators of healing cultures South Slavic women's communal healing practices if orchestrated on a planetary scale elaborate inclusive dynamic homeostasis **The Boer War** Martin Bossenbroek, 2018-01-30 *The Anglo Boer War 1899 1902* is one of the most intriguing conflicts of modern history It has been labeled many things the first media war a precursor of the First and Second World Wars the originator of apartheid The difference in status and resources between the superpower Great Britain and two insignificant Boer republics in southern Africa was enormous But against all expectation it took the British every effort and a huge sum of money to win the war not least by unleashing a campaign of systematic terror against the civilian population In *The Boer War* winner of the Netherlands 2013 Libris History Prize and shortlisted for the 2013 AKO Literature Prize the author brings a completely new perspective to this chapter of South African history critically examining the involvement of the Netherlands in the war Furthermore unlike other accounts Martin Bossenbroek explores the war primarily through the experiences of three men uniquely active during the bloody conflict They are Willem Leyds the Dutch lawyer who was to become South African Republic state secretary and eventual European envoy Winston Churchill then a British war reporter and Deneys Reitz a young Boer commando The vivid and engaging experiences of these three men enable a more personal and nuanced story of the war to be told and at the same time offer a fresh approach to a conflict that shaped the nation state of South Africa

Trauma, War, and Violence Joop de Jong, 2006-04-11 This volume describes a variety of public mental health and psychosocial programs in conflict and post conflict situations in Africa and Asia Each chapter details the psychosocial and mental health aspects of specific conflicts and examines them within their sociopolitical and historical contexts This volume will be of great interest to psychologists social workers anthropologists historians human rights experts and psychiatrists working or interested in the field of psychotrauma **The Professionalisation of African Medicine** Murray Last, G. L.

Chavunduka,2018-09-03 Originally published in 1986 this book draws upon a range of authors to reflect wide interest in systematising traditional medicine and to include material on significant instances of regulation or organisation It was the first book to study the efforts of traditional healers and their newly formed professional associations and as such constitutes a pioneering collection of sources Because of the changing position of traditional medicine it may well also be a unique record before long what is described here will largely have disappeared **African Seminars** Various Authors,2021-02-25

Originally published between 1986 and 1989 the 8 volumes in this set reflect the research and debate surrounding many issues for the African economy society and culture and as such make a vital contribution to effective development both rural and urban They re issue key titles from the International African Library and the International African Seminars and address themes of direct relevance to contemporary Africa on topics as diverse as medicine migration housing pastoralism and marriage **A Philosophical History of Western Medicine** Michael Boylan,2025-08-30 This book provides an historical and philosophical overview of Western medicine along with commentary about how past principles affect current problems in biomedicine like genetic engineering transhumanism and a commitment to environmentalism The book spans Ancient Hippocratic and Galenic texts Medieval writings Modern contributions and contemporary discoveries in the history and philosophy of medicine including the growing role of technology in the practice of medicine This book is of essential reading material for scholars and students interested in the history and philosophy of science as it relates to medicine as well as those interested in the normative consequences of the study of nature for our contemporary world particularly as it relates to medicine environmental ethics and genetic engineering *All Women Are Healers* Diane Stein,2011-03-02 By the study experimentation and practice of natural healing women are changing and charting the future of health care Despite heavy resistance or lack of recognition from patriarchal medicine they are nevertheless making positive changes that will continue and increase Women s emphasis on one to one work practiced in mutual agreement and participation is very different from mechanized and big money medicine and has results and successes far beyond expectations The emphasis on self healing returns health care to the consumer to women s lives and bodies for the first time in centuries The medical system cannot control a movement held in the hands of women though it may try Women are taking control again of healing our daughter right for the first time since the matriarchies and the Inquisition from the Introduction Celebrating the Wounded Healer Psychotherapist Sharon Klayman Farber,2016-10-04 Why would someone decide to become a psychotherapist It is well known within the field that psychoanalysts and psychotherapists are often drawn to their future professions as a result of early traumatic experiences and being helped by their own psychoanalytic treatment While dedicating their lives to relieving emotional suffering without being judgmental they fear compromising their reputations if they publicly acknowledge such suffering in themselves This phenomenon is nearly universal among those in the helping professions yet there are few books dedicated to the issue In this innovative book Farber and a distinguished range of contributors examine how the role of the

wounded healer was instrumental in the formulation of psychoanalysis and how using their own woundedness can help clinicians work more effectively with their patients and advance theory in a more informed manner Celebrating the Wounded Healer Psychotherapist will be of interest to psychoanalysts and psychoanalytic psychotherapists graduate students in clinical disciplines including psychology social work ministry chaplaincy and nursing as well as the general public **The New Healing Herbs** Michael Castleman,2010-03-16 Straight from nature s medicine cabinet the latest herbal discoveries that cure hundreds of health concerns without the dangerous side effects or high cost of prescription drugs The New Healing Herbs by Michael Castleman uses the latest studies to offer guidelines on dosages drug interactions and results for herbal healing Included are herbal prescriptions to treat ailments ranging from the common cold allergies and back pain to more serious conditions such as diabetes and cancer Featuring hundreds of cures and therapies proven to work this book shows you which herbal remedy to take for each condition how it s taken what interactions to watch for and where to buy the featured herbs The easy to use Cure Finder organizes herbs by health condition healing actions and alternative uses guiding you to the right herbal remedy for your ailment
