Speak Your Healing from the Homosexual Deception Bonnie M. Egglehand,2014-10-08 The lies of homosexuality dissipate because a life of purity in Christ Jesus decidedly removes the homosexual deception Each step toward Jesus brings us closer to His image and we are changed We emerge free to be exactly whom Father God created us to be Leaving all secrets with honesty and transparency before God and man forgiving ourselves and all abusers we emerge in our true identity with a heterosexual desire This desire for the opposite sex is as natural as apple pie Leaving the judgments the facades the sins and all idols the stark truth remains Our true identity is found in Jesus Christ alone **Setting Love in Order** Mario Bergner,1993-01-01 Coming Out Straight Richard A. Cohen,2000 Psychoterapist Cohen presents his plan for transitioning from gay to straight **Five Steps to Healing for the Homosexual** Renée Branson,1991

Commitment and Healing Richard A. Isay, M.D.,2010-12-03 What s love got to do with it Everything according to Richard Isay s informed and illuminating look at the role of romance in modern gay life I highly recommend this book for people of any generation and partnership status Dean H Hamer Ph D author of The Science of Desire and The God Gene Richard Isay offers something far better than simple bromides and false hope In this book he challenges us with a provocative illuminating and ultimately hopeful look at ourselves and explains how those of us who yearn to love and be loved and who doesn t can best find happiness and healing in a committed relationship Eric Marcus author of The Male Couple s Guide and Together Forever Many gay men and others too are likely to find this book exceptionally interesting and helpful In a series of vividly illuminating case histories and with a psychoanalyst s depth and clarity of insight Richard Isay lucidly explains why gay men have particular difficulty in establishing and sustaining loving relationships and how they might sensibly improve their chances of doing so Harry G Frankfurt Ph D author of On Bullshit and The Reasons of Love Richard Isay s portrayals of gay men s lives are likely to be controversial Isay is not the stereotypical psychoanalyst who sits quietly while his patients ramble and we re all the better for that He has something to say and what he says is worth hearing This provocative book should be read by anyone who yearns for but hasn t yet found real love William Rubenstein Founding Director of the Williams Institute on Sexual Orientation Law and former Director of the ACLU Lesbian Gay Rights Project Based on Dr Isay s three decades of experience working with gay men in therapy this is a deeply thoughtful study of the difficulties gay men may experience with falling and staying in love Simon LeVay Ph D author of Human Sexuality and Queer Science *The Broken Image* Leanne Payne,1995-09 Presents documented case studies of homosexuals and lesbians who have been reoriented to heterosexuality

through applied healing prayer The Truth about Homosexuality John Francis Harvey,1996-08-21 This book addresses the complex moral and pastoral questions involved in both homosexual orientation and activity including an analysis of lifestyles in accord with the Christian Gospel and those running counter to Christian moral teaching *The Heart of Female Same-Sex Attraction* Janelle Hallman,2010-02 The fruit of years of training research and counseling experience Janelle Hallman has drawn together a comprehensive resource for those who are interested in understanding and counseling women in conflict with same sex attraction In this ground breaking work Hallman sets forth the unique dimensions of struggle that women experience through the presentation of research interviews and clinical experience This is an indispensable guide for understanding and a manual for counseling adult women seeking to mature in giving and receiving love in all of their relationships and no longer be restricted by destructive relational patterns *Sexual Conversion Therapy* Jack Drescher,Ariel Shidlo,Michael Schroeder,2018-10-08 Hear the other side of the story on sexual conversion therapy In their fervor to fix homosexuals practitioners of sexual conversion therapies have often overlooked or completely dismissed the possible psychological and social side effects of such treatments *Sexual Conversion Therapy Ethical Clinical and Research Perspectives* works to counterbalance the clinical and ethical omissions of overzealous therapists who have focused on efficacy and outcome at the expense of their patients self esteem *Sexual Conversion Therapy* features first person accounts of patients and clinicians including psychotherapists who themselves have undergone treatments ranging from psychoanalysis to religious faith healing to aversion behavior conditioning and even electroshock therapy In addition to examining the history and ethics of conversion therapy the book presents empirical data on current practice and recovery processes for survivors of failed conversion attempts *Sexual Conversion Therapy* presents current perspectives on the harmful impact of sexual orientation interventions including *Cures A Gay Man s Odyssey* *Becoming Gay A Psychologist s Journey Through the Ex Gay Movement* *Therapeutic Antidotes* *Gay and Bisexual Men Recover from Conversion Therapies* *I m Your Handyman* *A History of Reparative Therapies* Nearly 30 years after the American Psychiatric Association removed homosexuality from the Diagnostic and Statistical Manual of Mental Disorders a small but dedicated group of mental health practitioners continues to diagnose and treat homosexuality as a mental illness *Sexual Conversion Therapy* is an essential alternative to the bulk of published material that champions treatments that produce a handful of heterosexuals cured of their illness while inflicting emotional and psychological damage on countless gay and lesbian patients who failed to convert **Be Not Deceived** Michelle Wolkomir,2006-01-24 In *Be Not Deceived* Michelle Wolkomir explores the difficult dilemma that gay Christians face in their attempts to reconcile their religious and sexual identities She introduces the ideologies and practices of two alternative and competing ministries that offer solutions for Christians who experience homosexual desire Through careful analysis of the groups ideologies interactions and symbolic resources *Be Not Deceived* goes far beyond the obvious differences between the ministries to uncover their similarities namely that both continue to define heterosexuality as the

normative and dominant lifestyle **Healing in Progress: How I Overcame a Homosexual Life Choice** Charlotte Miller, 2018-12-07 Healing in Progress tells my story of how I overcame a homosexual life choice In my story I tell of how the enemy never gives up he waits patiently for us to give him an open door so he can get us off God's path for our lives I named this book Healing in Progress because I am a witness that healing is a progress and is POSSIBLE Understand this you can receive healing and deliverance from all the enemy has placed in your path The enemy is a master of DECEPTION but GOD is THE MASTER DELIVERER HEALER My story is about how I chose to believe the devil's lies and the journey it took me on It reveals how the LORD removed the blinders from my eyes and showed me the TRUTH SET ME FREE However freedom is an ongoing choice The Unchanging Heart of the Priesthood Thomas Acklin, 2006 In The Unchanging Heart of the Priesthood Father Thomas Acklin presents an apologetic for that which is immutable that which cannot change since it is found in the unchanging heart of Christ Father Acklin refutes modern misconceptions and false understandings of the priesthood while uncovering the beauty strength and hope that is found in God's plan This book will encourage the heart of every priest and help the laity to understand and appreciate the reality and mystery of the priesthood in the Church In The Unchanging Heart of the Priesthood Father Thomas Acklin presents an apologetic for the immutability of the priesthood that which cannot change since it is found in the unchanging heart of Christ Father Acklin refutes modern misconceptions while uncovering the beauty strength and hope that is found in God's plan bringing the reader to an appreciation of the reality and mystery of the priesthood in the Church **Agnes Sanford and Her Companions** William L. De Arteaga, 2015-08-17 Agnes Sanford was arguably the most original and spiritually fruitful theologians of the twentieth century Among her achievements were the discovery and development of the inner healing ministry the development of a theology of the light of God missing in Western theology and the first ever theology of nature prayers as in stilling storms She and her husband developed a school to teach ministers and lay leaders healing and deliverance prayer and the gifts of the Spirit a decade before the charismatic renewal made such things acceptable in mainline churches In spite of these achievements she is largely ignored and unrecognized today This work examines her career and shows why her theology though deeply biblical was unacceptable to orthodox critics Sanford was part of a group who worked from the 1900s through the 1960s to make healing and deliverance prayer as normal in church They had to confront the erroneous established theology of cessationism which affirmed that the healing ministry of the church was past *Religious Trauma, Queer Identities* Joel Hollier, 2023-04-06 In a polarised milieu that too often posits queer and Christian as competing realms this book explores the complexities of identity development religious traumatisation and the task of creating safe faith spaces in which LGBTQA people can find healing particularly in the Evangelical context First Joel Hollier examines the historical path of Evangelicalism providing context for the current terrain of the culture war we find ourselves in He then parses out experiences of gender sexuality and religious spiritual identity development grounding them in an evolving theoretical base Finally Hollier offers a rounded critique of Evangelical church

structures and mechanisms of trauma that hinder the healing process along with potential sources of healing Central to this work are the voices of LGBTQA people whose stories weave together a deeper understanding of the harms the Church has perpetrated and the path forward

Homosexuality and the Catholic Church Fr. John F. Harvey, O.S.F.S.,2014-06-25 As the founder and director of the Courage and Encourage support groups Fr John Harvey is aware of the sensitive nature of homosexuality With his extensive experience ministering to those with same sex attraction Fr Harvey presents the Church s teaching in an objective and pastorally sensitive manner Priests religious and laity alike will benefit from the many questions considered here including What is the basis of the Church s teaching regarding homosexuality What do many consider to be the cause of same sex attraction Can a person overcome same sex attraction Why is it important for civil law to limit marriage to one man and one woman How can a person live the virtue of chastity joyfully

Hudson,2012-01-06 Do you believe you were born gay and had no choice in the matter Or do you struggle with gay or lesbian desires or perhaps wrestle with sexual sin Or are you a Christian who harbors the secret of sexual sin and have been too afraid to confess this sin so that God can set you free from such bondage The author of this book No I Was Not Born Gay understands your dilemma The Holy Spirit has inspired Author Jay Hudson by the grace of God to speak the truth of God to all nations This writing is not meant to be a warm fuzzy feeling read and some may even be offended Nonetheless Jay has been led by God to tell the truth to all people in these last days concerning sexual sin homosexuality in particular God has also anointed Jay to be God s mouthpiece to help those who want to find and experience freedom in Christ

Seeing the Light Thomas DeGloma,2014-11-26 The chorus of the Christian hymn Amazing Grace reads I once was lost but now am found Was blind but now I see Composed by a minister who formerly worked as a slave trader the song expresses his experience of divine intervention that ultimately caused him to see the error of his ways This theme of personal awakening is a feature of countless stories throughout history where the lost and the blind are saved from darkness and despair by suddenly seeing the light In *Seeing the Light* Thomas DeGloma explores such accounts of personal awakening in stories that range from the discovery of a religious truth to remembering a childhood trauma to embracing a new sexual orientation He reveals a common social pattern When people discover a life changing truth they typically ally with a new community Individuals then use these autobiographical stories to shape their stances on highly controversial issues such as childhood abuse war and patriotism political ideology human sexuality and religion Thus while such stories are seemingly very personal they also have a distinctly social nature Tracing a wide variety of narratives through nearly three thousand years of history *Seeing the Light* uncovers the common threads of such stories and reveals the crucial little recognized social logic of personal discovery
