HIV/AIDS in Young Adult Novels Melissa Gross, Annette Y. Goldsmith, Debi Carruth, 2010-10-11 Not long after becoming public health concerns in the 1980s HIV and AIDS were featured in a number of works of fiction though such titles were written primarily for adult readers Mirroring the disease's indiscriminate nature however the subject would soon be incorporated into novels aimed at young adults Despite a need for accessible information on the subject it is difficult to identify fiction that contains material about HIV/AIDS as these books are seldom catalogued for this content nor is this content consistently acknowledged in published reviews In HIV/AIDS in Young Adult Novels An Annotated Bibliography the authors address this gap by identifying and assessing the full range of young adult novels that include HIV/AIDS content This resource is comprised of two major

parts The first part summarizes findings from a content analysis performed on novels written for readers aged 11-19 published since 1981 and featuring at least one character with HIV/AIDS. The second part is an annotated bibliography of the more than 90 novels identified for use in the study. Each entry in the bibliography contains an annotation that summarizes the plot and how HIV/AIDS is depicted in the story, an indication of the accuracy of the HIV/AIDS content, a note on how central HIV/AIDS is to the story, and an evaluation of the literary quality of the book. This work will assist readers in collecting, choosing, evaluating, and using these works to educate readers about HIV/AIDS. **Test of Faith** Christa Allan, 2014-03-18

Jean-Michel Ganteau, 2015-05-08 This book visits vulnerability in contemporary British fiction, considering vulnerability in its relation to poetics, politics, ethics, and trauma. Vulnerability and risk have become central issues in contemporary culture, and artistic productions have increasingly made it their responsibility to evoke various types of vulnerabilities, from individual fragilities to economic and political forms of precariousness and dispossession. Informed by trauma studies and the ethics of literature, this book addresses such issues by focusing on the literary evocations of vulnerability and analyzing various aspects of vulnerable form as represented and performed in British narratives, from contemporary classics by Peter Ackroyd, Pat Barker, Anne Enright, Ian McEwan, and Jeanette Winterson to less canonical texts by Nina Allan, Jon McGregor, and N. Royle. Chapters on romance, elegy, the ghost story, and the state of the nation novel draw on a variety of theoretical approaches from the fields of trauma studies, affect theory, the ethics of alterity, the ethics of care, and the ethics of vulnerability, among others. Showcasing how the contemporary novel is the privileged site of the expression and performance of vulnerability and vulnerable form, the volume broaches a poetics of vulnerability based on categories such as testimony, loss, unknowing, temporal disarray, and performance. On top of providing a book-length evocation of contemporary fictions of vulnerability and vulnerable form, this volume contributes significantly to considerations of the importance of Trauma Studies to Contemporary Literature. *Aloha Rose* Lisa Carter, 2013-11-19 When Laney Carrigan sets out to find her birth family, her only clue is the Hawaiian quilt, a red rose snowflake appliqué on a white background, in which she was found wrapped as an infant.
