Healing Through Shadow Work Kathryn Needham, 2021-09 This

workbook is for those of us that can't express our innermost feelings. We just don't know how and most of the time we don't even know what we're feeling. This happens in childhood in response to parental wounds and in adulthood in response to trauma. Lately everything has become trauma. Our childhoods, our relationships, our world. Healing Through Shadow Work helps you examine and heal this part of yourself from a compassionate, non-judgmental place. This workbook helps you understand where your self-doubt, insecurity, and fear come from by tracing them to the source. Identify beliefs that are keeping you stuck by showing you they were borne out of fear and no longer hold true. Shift your perspective from a victim mindset to an empowered mindset through forgiveness, self-acceptance, and heart-centeredness. Tap into your imagination by healing and nurturing your inner child. Let go of pain from the past as you cultivate unconditional love for yourself. This workbook offers a new perspective on Carl Jung's concept of the shadow by examining where our shadows come from and by teaching you how to acknowledge them and heal. Kathryn Needham, author of *Becoming an Empath*, has taken her 25 years of technical writing experience along with her own spiritual journey and used it to distill a simple method for facing and healing emotional pain. We are not meant to fix our broken pieces. We are meant to transform them into something new. Start your transformation today. *Healing The Shadow* Lisa Love, 2021-03-16.
