Healing In The Landscape Of Prayer:

Healing in the Landscape of Prayer Avery Brooke, 2004-08-01 An account of the author's training and experience in parish healing ministry along with history practical advice and guidance For Christians the ministry of healing prayer goes back to our deepest roots to Jesus of Nazareth who cared for those suffering in body and in spirit As his followers we are challenged and empowered to do the same Members of mainline Christian denominations however may be skeptical about this ministry as author Avery Brooke was at first She tells the surprising story of healing prayer in her own life and that of her church in Connecticut With clarity and thoroughness she traces the history of healing prayer examining it as part of the larger landscape of prayer This book provides a foundation and a wealth of practical information for clergy and lay people to explore healing prayer in their own lives and parishes *The Practice of Prayer* Margaret Guenther, 1998-01-25 In this down to earth book on the essentials of prayer Guenther answers many of the most common questions about prayer and the spiritual life She also discusses basic matters of Christian practice such as making a confession going on retreat using a journal to pray finding a spiritual director and praying when God does not seem to listen *Where Two or Three Are Gathered* Daniel L. Prechtel, 2012-02-01 Much has been written about the practice of one to one spiritual directions but much less about small group communities that offer in depth mutual spiritual support and guidance to its members But small groups are most likely the more usual setting for spiritual companionship and have strong biblical theological and historical foundation in the Christian tradition This book offers a detailed presentation of ten small group models plus guidance in group leadership dynamics It also presents material related to group retreat work spiritual guidance with organizations and peer supervision consultation model for supporting leaders of spiritual companionship groups and retreats Church leaders spiritual directors and educators are looking for the kinds of resources this book provides to assist them in understanding and leading groups and retreats *The Pastoral Care of Children* Daniel H. Grossoehme, 1999 Explore a new way of pastoral care that enables caregivers to develop relationships and provide meaningful pastoral care to the children and youth they encounter The Pastoral Care of Children focuses on the need for pastoral caregivers clergy and chaplains to develop relationships with youths and gives you suggestions to overcome the anxiety associated with caring for an acutely ill child through unique playful and child centered approaches Many pastoral caregivers have high anxiety when children are ill or hurt are unsure how to have a substantive conversation with a nine year old or their fears of what could be said keep them from hearing what children have to say The effective approaches in The Pastoral Care of Children are illustrated to assist you with serving the spiritual needs of children You will explore actual pastoral care experiences that will help you gain confidence in handling situations such as a teenager's desire to be baptized out of fear of death when neither he nor his parents believe in Christ Intelligent and heartfelt this valuable book gives you a complete theological exploration of ministering to children who may ask you Why me Why do people have to die and What happens to children if they die before

they are baptized The Pastoral Care of Children helps you answer these questions with meaningful responses that are genuine and grounded with yourself and reflect the parents beliefs Some of the help you will discover in The Pastoral Care of Children includes understanding the similarities and differences of caring for children in comparison to adults such as different vocabularies but similar emotions and realizing that children are very perceptive using play as a tool for example referring to a puppet s experience in reference to the child to eliminate the child s self consciousness and help him or her open up confronting pastoral issues in acute care settings such as fear guilty feelings and anger from parents family and the child helping children recover from mental health issues such as depression eating disorders and identity and self esteem issues by using cognitive therapy conducting prayer and rituals with children such as baptism naming ceremonies anointings and funerals to assist the child and family through this spiritual rite of passage Complete with child and family focused approaches for dealing with the questions surrounding death The Pastoral Care of Children also provides you with several cited scriptures and a list of questions you may be asked by a child who is facing death You will learn from actual circumstances pastoral caregivers have encountered and discover how to approach topics and answer questions on God and death The Pastoral Care of Children an extremely resourceful book that will assist you in overcoming anxiety and help you deliver thoughtful and uplifting pastoral care to children and youth

Healing and Medicine Paul Dieppe, 2023-12-29 Healing is on many people s minds today In the wake of the COVID 19 pandemic and a host of other disruptions and disasters many of us feel that we need healing in our personal lives for the environment and for our planet But healing is rarely defined and is not an accepted part of medicine in the West This book examines the relationship between healing and medicine through the eyes of an academic physician who changed his interests from biomedical research to healing late in his career in medicine It is based on his experiences and stories of his encounters with patients practitioners and others for whom healing has had a particular significance as well as his rigorous research into the subject A central theme of the book is that modern medicine needs to be more pluralistic in its approach to

health and accept that spirituality and healing techniques have roles to play alongside scientific medicine which currently has its base in materialism alone **Landscapes Beyond Land** Arnar Árnason, 2012-09-15 Land is embedded in a multitude of material and cultural contexts through which the human experience of landscape emerges Ethnographers with their participative methodologies long term co residence and concern with the quotidian aspects of the places where they work are well positioned to describe landscapes in this fullest of senses The contributors explore how landscapes become known primarily through movement and journeying rather than stasis Working across four continents they explain how landscapes are constituted and recollected in the stories people tell of their journeys through them and how in turn these stories are embedded in landscaped forms
