Health Care Practitioner Physical Assessment Form

This form is to be completed by a primary physician, certified nurse practitioner, registered nurse, certified nurse-midwife or physician assistant. Questions noted with an asterisk are "triggers" for awake overnight staff.

Please note the following before filling out this form: Under Maryland regulations an assisted living program may not provide services to a resident who, at the time of initial admission, as established by the initial assessment, requires: (1) More than intermittent nursing care; (2) Treatment of stage three or stage four skin ulcers; (3) Ventilator services; (4) Skilled monitoring, testing, and aggressive adjustment of medications and treatments where there is the presence of, or risk for, a fluctuating acute condition; (5) Monitoring of a chronic medical condition that is not controllable through readily available medications and treatments; or (6) Treatment for a disease or condition that requires more than contact isolation. An exception to the conditions listed above is provided for residents who are under the care of a licensed general hospice program.

- 1.* Current Medical and Psychiatric History. Briefly describe recent changes in health or behavioral status, suicide attempts, hospitalizations, falls, etc., within the past 6 months.

- 2.* Briefly describe any past illnesses or chronic conditions (including hospitalizations), past suicide attempts, physical, functional, and psychological condition changes over the years.

3. Allergies. List any allergies or sensitivities to food, medications, or environmental factors, and if known, the nature of the problem (e.g., rash, anaphylactic reaction, GI symptom, etc.). Please enter medication allergies here and also in Item 12 for medication allergies.

4. Communicable Diseases. Is the resident free from communicable TB and any other active reportable airborne communicable disease(s)?

(Check one) ☐ Yes ☐ No If "No," then indicate the communicable disease: _____

Which tests were done to verify the resident is free from active TB?

PPD

Date: _____ Result: _____ mm

Chest X-Ray (if PPD positive or unable to administer a PPD)

Date: _____ Result: _____

Health Assessment For Nurse Practitioners No Introduction

In the digital age, access to information has become easier than ever before. The ability to download Health Assessment For Nurse Practitioners No has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Health Assessment For Nurse Practitioners No has opened up a world of possibilities. Downloading Health Assessment For Nurse Practitioners No provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Health Assessment For Nurse Practitioners No has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Health Assessment For Nurse Practitioners No . These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Health Assessment For Nurse Practitioners No . Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Health Assessment For Nurse Practitioners No , users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Health Assessment For Nurse Practitioners No has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so,

individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
