Prefer,2015-10-19 The difficult fighting in the Colmar Pocket is brought to vivid life in this WWII chronicle of the Allied 6th Army Group WWII History By the fall of 1944 the Western Allied forces appeared to be unstoppable The summer's Normandy invasion had driven the Germans out of northern France and most of the Low Countries In September they liberated France's southern coast with little opposition Then Allied divisions began lining up along the Rhine While the Americans met a nasty surprise in the Ardennes the Germans also held on to the province of Alsace maintaining a hard pocket around the city of Colmar On New Year's Eve they launched Operation Northwind a counteroffensive that nearly put Allied forces back on their heels On January 12 1945 Eisenhower could only tell George Marshall that Colmar was a very bad thorn in our side today This is the story of the Sixth Army Group a unit that combined US and French forces and its unexpectedly bloody and protracted battle for the Colmar Pocket Amidst a horrific winter and rough terrain interspersed by demolished towns the Allied Army Group traded blows with the German 19th in a ferocious campaign This book informs us fully of the tremendous and costly struggle waged in an often neglected sector of World War II's European Theater *A Companion to Dwight D. Military Review, 1995 *Eisenhower's Pursuit Of Strategy*: LTC Geoffrey C. De Tingo, 2015-11-06 Eisenhower preferred to build consensus for his military and national strategies by using multiple communication techniques to convey his intent If consensus was not achieved though and his intent was not carried out he would aggressively move to eliminate the source of friction This monograph will analyze four case studies to demonstrate that it is critically important for subordinates and peers to understand the influence of leadership styles on strategic decision makers It will also argue that the consequences for not understanding strategic decision makers can mean the difference between individual organizational or national success or failure The four case studies will highlight the leadership styles that Eisenhower used when he pursued a strategy and how those leadership styles influenced his decision making The first case study is Eisenhower s fight to control Allied strategic bombers to support Operation Overlord in 1944 Second is his fight to develop implement and defend his New Look National Security Strategy in 1953 Third is how Eisenhower defended his administration s Middle East foreign policy and finally his
