Monstruos invisibles Chuck Palahniuk, 2012-04-12

Monstruos invisibles es una road movie alucinante cuyos protagonistas se lanzan en una aventura contra la imposición social de la belleza. Shannon parece tenerlo todo en la vida: belleza, fama, un novio, una gran amiga. Pero cuando un accidente la deja completamente desfigurada e incapaz de hablar, pasa de ser un hermoso centro de atracción a convertirse en un monstruo invisible tan horrible que nadie parece percatarse de su existencia. Nadie salvo Brandy Alexander, un transexual a quien conoce en el hospital y que le ofrece la oportunidad de encontrar su nuevo destino a partir de olvidar su pasado y construirse infinitos y simultáneos presentes. Después de secuestrar a Manus su actual ex novio, partirán en una carrera desenfrenada que solo puede conducirlos hacia su aniquilación. Palahniuk dueño de un universo muy personal sacude y agita nuestras mentes de un modo brutal. La crítica ha dicho: Tal vez nuestra generación haya encontrado otro Don Delillo. Embracing the Tune of Appearance: An Mental Symphony within **El Infierno Y La Brisa**

In some sort of eaten by screens and the ceaseless chatter of fast transmission, the melodic elegance and mental symphony produced by the prepared word often diminish in to the background, eclipsed by the constant noise and disruptions that permeate our lives. But, set within the pages of **El Infierno Y La Brisa** a wonderful fictional value full of raw emotions, lies an immersive symphony waiting to be embraced. Crafted by an outstanding musician of language, that interesting masterpiece conducts viewers on a psychological trip, well unraveling the hidden songs and profound affect resonating within each cautiously constructed phrase. Within the depths with this touching examination, we can discover the book is central harmonies, analyze its enthralling publishing type, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
