## England Revisited:

*England Revisited: Musings of a Danish Anglophile: Musings of Helle Libenholt*, 2021-04-08 This is not a memoir exactly It is a declaration of love for a country So begins *England Revisited* With exuberance honesty and quick witted charm Helle Libenholt embarks on a personal and cultural exploration of Englishness from her Danish perspective From pubs Shakespeare Freddy Mercury and P s and Q s to afternoon tea The Tube Stephen Fry football Jane Austen Pimm s the unrivalled British sense of humour and much more Through it all threads her one true love English literature But she considers also Kierkegaard the Viking presence in the UK the mysterious lack of a word for please in Danish and wonders if Danes are actually a kind of hobbit Part memoir part travelogue part essays the Bill Bryson for bibliophiles *England Revisited* is an engaging entertaining tribute to the quirks and eccentricities of a country with which the author has had a quiet if one sided love affair all her life Libenholt provides new insights into familiar topics that will captivate and educate Britons fellow Danes and Anglophiles anywhere

**Old England** James Mason Hoppin, 1890      **Second Catalogue of the Library of the Peabody Institute of the City of Baltimore** George Peabody Library, 1896      **The First Modern Society** Lawrence Stone, A. L. Beier, 1989-07-06 Intended to celebrate the 70th birthday of the distinguished historian Lawrence Stone these essays owe much to his influence There are also four appreciations by friends and colleagues from Oxford and Princeton and a little known autobiographical piece by Lawrence Stone himself

**The Living Age**, 1886      *Littell's Living Age* Eliakim Littell, Robert S. Littell, 1886      **Historical Controversies and Historians** William Lamont, 2005-06-20 Using a range of historical problems as case studies and the work of particular historians this collection of essays introduces students to the nature of historical method and the realities of doing history

**Travels with Tocqueville Beyond America** Jeremy Jennings, 2023-03-21 A revelatory intellectual biography of Tocqueville told through his wide ranging travels most of them aside from his journey to America barely known It might be the most famous journey in the history of political thought in 1831 Alexis de Tocqueville sailed from France to the United States spent nine months touring and observing the political culture of the fledgling republic and produced the classic *Democracy in America* But the United States was just one of the many places documented by the inveterate traveler Jeremy Jennings follows Tocqueville s voyages by sailing ship stagecoach horseback train and foot across Europe North Africa and of course North America Along the way Jennings reveals underappreciated aspects of Tocqueville s character and sheds new light on the depth and range of his political and cultural commentary Despite recurrent ill health and ever growing political responsibilities Tocqueville never stopped moving or learning He wanted to understand what made political communities tick what elite and popular mores they rested on and how they were adjusting to rapid social and economic change the rise of democracy and the Industrial Revolution to be sure but also the expansion of empire and the emergence of socialism He lauded the orderly Catholic dominated society of Quebec presciently diagnosed the boisterous but dangerously chauvinistic politics of Germany considered England the freest and

most unequal place on Earth deplored the poverty he saw in Ireland and championed French colonial settlement in Algeria Drawing on correspondence published writings speeches and the recollections of contemporaries *Travels with Tocqueville Beyond America* is a panoramic combination of biography history and political theory that fully reflects the complex restless mind at its center Queenship, Gender, and Reputation in the Medieval and Early Modern West, 1060-1600 Zita Eva Rohr, Lisa Benz, 2016-10-08 This edited collection opens new ways to look at queenship in areas and countries not usually studied and reflects the increasingly interdisciplinary work and geographic range of the field This book is a forerunner in queenship and re-invents the reputations of the women and some of the men The contributors answers questions about the nature of queenship reputation of queens and gender roles in the medieval and early modern west The essays question the viability of propaganda gossip and rumor that still characterizes some queens in modern histories The wide geographic range covered by the contributors moves queenship studies beyond France and England to understudied places such as Sweden and Hungary Even the essays on more familiar countries explores areas not usually studied such as the role of Edward II's stepmother Margaret of France in Gaveston's downfall The chapters clearly have a common thread and the editors summary and description of the collection is valuable in assisting the reader The collection is divided into two sections Biography Gossip and History and Politics Ambition and Scandal The editors and contributors including Zita Eva Rohr and Elena Woodacre are scholars at the top of their field and several engage and debate with recent scholarship This collection will appeal internationally to literary scholars and gender studies scholars as well historians interested in the countries included in the collection The Politics of English Nationhood Michael Kenny, 2014-03-13 Winner of the Political Studies Association WJM MacKenzie Prize for best book of 2014 *The Politics of English Nationhood* supplies the first comprehensive overview of the evidence research and major arguments relating to the revival of Englishness exploring its varied and often overlooked political ramifications and dimensions It examines the difficulties which the major political parties have encountered in dealing with the English question against the backdrop of the diminishing hold of established ideas of British government and national identity in the final years of the last century And it explores a range of factors including insecurities generated by economic change Euroscepticism and a growing sense of cultural anxiety which helped make the renewal of Englishness appealing and imperative prior to the introduction of devolution by the first Blair government a policy which also gave this process a further impetus The book therefore provides a powerful challenge to the two established orthodoxies in this area These either maintain that the English are dispositionally unable to assert their own nationhood outside the framework of the British state or point to the supposed resurgence of a resentful and reactive sense of English nationalism This volume instead demonstrates that a renewed resonant and internally divided sense of English nationhood is apparent across the lines of class geography age and ethnicity And it identifies several distinct strands of national identity that have emerged in this period contrasting the appearance of populist and resentful forms of English nationalism with an embedded and deeply rooted sense

of conservative Englishness and attempts to reconstruct a more liberal and civic idea of a multicultural England This volume also includes a wide ranging analysis of the culturally rooted revival of Englishness drawing out the political dimensions and implications of this re emerging form of national consciousness *A History of the Attwell Family 1640-1890* Bill Attwell,2014-05 Black White version This is the second in a series of three books covering the history of the Attwell family Now in its second edition and considerably updated this volume extends over 250 years and recounts the lives of six generations of Attwells during the period 1640 1890 The book reveals how a Master of the Waxchandler s Company knew King Charles II and how the royal association ultimately led to our ancestor s downfall It shows how the family then moved from London to the Midlands There they settled and prospered successively as school teachers a staymaker and then as watchmakers returning eventually to London where they became probably the foremost family of butchers in the capital This volume not only describes their lives but also provides detailed biographical information numerous family trees Wills inventories details of land dealings and much other fascinating information Essential reading for all Attwell Family Historians and an ideal birthday or Christmas gift *The Reputation of Edward II, 1305-1697* Kit Heyam,2025-10-01 During his lifetime and the four centuries following his death King Edward II 1307 1327 acquired a reputation for having engaged in sexual and romantic relationships with his male favourites and having been murdered by penetration with a red hot spit This book provides the first account of how this reputation developed providing new insights into the processes and priorities that shaped narratives of sexual transgression in medieval and early modern England In doing so it analyses the changing vocabulary of sexual transgression in English Latin and French the conditions that created space for sympathetic depictions of same sex love and the use of medieval history in early modern political polemic It also focuses in particular on the cultural impact of Christopher Marlowe s *Edward II* c 1591 92 Through such close readings of poetry and drama alongside chronicle accounts and political pamphlets it demonstrates that Edward s medieval and early modern afterlife was significantly shaped by the influence of literary texts and techniques A literary transformation of historiographical methodology is it argues an apposite response to the factors that shaped medieval and early modern narratives of the past **Duncan Liddel (1561-1613)** ,2016-04-18 This collective volume in the history of early modern science and medicine investigates the transfer of knowledge between Germany and Scotland focusing on the Scottish mathematician and physician Duncan Liddel of Aberdeen It offers a contextualized study of his life and work in the cultural and institutional frame of the northern European Renaissance as well as a reconstruction of his scholarly networks and of the scientific debates in the time of post Copernican astronomy Melanchthonian humanism and Paracelsian controversies Contributors are Sabine Bertram Duncan Cockburn Laura Di Giammatteo Mordechai Feingold Karin Friedrich Elizabeth Harding John Henry Richard Kirwan Jane Pirie Jonathan Regier Magna Carta J. C. Holt,George Garnett,John Hudson,2015-05-28 A new edition of J C Holt s classic study of Magna Carta offering the most authoritative analysis of England s most famous constitutional text Suitable for scholars

history students and the general reader this outstanding study of the events of 1215 integrates analysis of personality ideas and political development

**War and Peace** Valentina Vadi, 2020-05-18 This treatise investigates the emergence of the early modern law of nations focusing on Alberico Gentili's contribution to the same A religious refugee and Regius Professor at the University of Oxford Alberico Gentili 1552-1608 lived in difficult times of religious wars and political persecution He discussed issues that were topical in his lifetime and remain so today including the clash of civilizations the conduct of war and the maintenance of peace His idealism and political pragmatism constitute the principal reasons for the continued interest in his work Gentili's work is important for historical record but also for better analysing and critically assessing the origins of international law and its current developments as well as for elaborating its future trajectories

**Domesticating the Reformation** Mary Hampson Patterson, 2007 This book rescues three little known bestsellers of the English Reformation and employs them in an examination of intellectual and religious revolution How did sixteenth century English Protestant manuals of private devotion often to be read aloud stream continental theology into the domestic contexts of parish school and home Patterson elucidates ideological programs presented in key texts in light of evolving patterns of public and private worship she also considers the processes of transmission by which complex doctrinal debates were packaged for cultivating an everyday piety in a confusing age of inflammatory politicized religion It is in the most prosaic challenges of daily realities that the deepest opportunities lie for experiencing the divine Intersecting issues of piety rhetoric and the devotional life of the home this book brings to life reformists endeavors to guide popular responses to the Protestant revolution itself

**Dictionary Catalogue of the Illinois State Library** Illinois State Library, 1912

The English Countryside David Haigron, 2017-08-09 This collection of essays examines representations of the English countryside and its mutations and what they reveal about a nation's communities or individuals search for identity and fear of losing it Based on a pluridisciplinary approach and a variety of media this book challenges the view that the English countryside is an apolitical space characterised by permanence and lack of conflict It analyses how the pastoral motif is actually subverted to explore liminal spaces and temporalities The authors deconstruct the rural idyll myth to show how it plays a distinctive and yet ambiguous part in defining Englishness Britishness A must read for both scholars and students interested in British rural and cultural history media and literature

A biography of rev. Henry Ward Beecher, by W.C. Beecher and S. Scoville, assisted by Mrs. H.W. Beecher William Constantine Beecher, 1888

*Power and Pleasure* Hugh M. Thomas, 2020-11-19 Although King John is remembered for his political and military failures he also resided over a magnificent court *Power and Pleasure* reconstructs life at the court of King John and explores how his court produced both pleasure and soft power Much work exists on courts of the late medieval and early modern periods but the jump in record keeping under John allows a detailed reconstruction of court life for an earlier period *Power and Pleasure Court Life under King John 1199-1216* examines the many facets of John's court exploring hunting feasting castles landscapes material luxury chivalry sexual coercion and religious activities It

explains how John mishandled his use of soft power just as he failed to exploit his financial and military advantages and why he received so little political benefit from his magnificent court John s court is viewed in comparison to other courts of the time and in previous and subsequent centuries
