English Literature in the Early 18th. Century 1700-1740.... Bonamy Dobrée, 1964 Backgrounds to Restoration and Eighteenth-Century English Literature, 1989-02-21 In this time of proliferating scholarship one of the most welcome publications is this intelligently selected and annotated bibliography of secondary material Understanding the value of selectivity Spector has limited his entries to books and significant articles Perhaps because of his avowed interest in redefining the period he has been careful to include articles on historiography and critical method which apply to the eighteenth century He has not however slighted the older works of twentieth century scholarship A valuable resource not only to students of literature and related fields but to anyone interested in learning about the eighteenth century Analytical philosophy science aesthetics education and language in addition to literary criticism The author begins with a thoughtful examination of the history of Restoration eighteenth century scholarship Divided into 22 subject categories the bibliography presents annotated listings of existing bibliographic sources and noteworthy books and articles published since the late 1920s This authoritative new work allows the reader to explore the cultural climate that influenced the activity of writing and to understand the complex forces that shaped the period and its literature The bibliography is an appropriate choice for literary reference collections in academic and public libraries *Oxford History of English Literature*, 1946 **English Literature and History from the 15th to the 18th Century** Maggs Bros, 1929 **A History of Eighteenth-Century British Literature** John Richetti, 2017-10-05 A History of Eighteenth Century British Literature is a lively exploration of one of the most diverse and innovative periods in literary history Capturing the richness and excitement of the era this book provides extensive coverage of major authors poets dramatists and journalists of the period such as Dryden Pope and Swift while also exploring the works of important writers who have received less attention by modern scholars such as Matthew Prior and Charles Churchill Uniquely the book also discusses noncanonical working class writers and demotic works of the era During the eighteenth century Britain experienced vast social political economic and existential changes greatly influencing the literary world The major forms of verse poetry fiction and non fiction experimental works drama and political prose from writers such as Montagu Finch Johnson Goldsmith and Cowper are discussed here in relation to their historical context A History of Eighteenth Century British Literature is essential reading for advanced undergraduates and graduate students of English literature Topics covered include Verse in the early 18th century from Pope Gay and Swift to Addison Defoe Montagu and Finch Poetry from the mid to late century highlighting the works of Johnson Gray Collins Smart Goldsmith and Cowper among others as well as women and working class poets Prose Fiction in the early and 18th century including Behn Haywood Defoe Swift Richardson Fielding and Smollett The novel past mid century including experimental works by Johnson Sterne Mackenzie Walpole Goldsmith and Burney Non fiction prose including political and polemical prose 18th century drama *CLASSICAL LITERATURE AND HISTORY OF ENGLISH LITERATURE (English Book)* Prof. (Dr.)
