English Parish Churches as Works of Art Alec Clifton-Taylor, 1989 English Parish Churches as Work of Art Alec Clifton-Taylor, 1986 Literature and Architecture in Early Modern England Anne M. Myers, 2013-01-01 Our built environment inspires writers to reflect on the human experience discover its history or make it up Buildings tell stories Castles country homes churches and monasteries are documents of the people who built them owned them lived and died in them inherited and saved or destroyed them and recorded their histories Literature and Architecture in Early Modern England examines the relationship between sixteenth and seventeenth century architectural and literary works By becoming more sensitive to the narrative functions of architecture Anne M Myers argues we begin to understand how a range of writers viewed and made use of the material built environment that surrounded the production of early modern texts in England Scholars have long found themselves in the position of excusing or explaining England's failure to achieve the equivalent of the Italian Renaissance in the visual arts Myers proposes that architecture inspired an unusual amount of historiographic and literary production including poetry drama architectural treatises and diaries Works by William Camden Henry Wotton Ben Jonson Andrew Marvell George Herbert Anne Clifford and John Evelyn when considered as a group are texts that overturn the engrained critical notion that a Protestant fear of idolatry sentenced the visual arts and architecture in England to a state of suspicion and neglect *The Archaeology of Churches* Warwick Rodwell, 2012-05-15 The definitive work on church archaeology **Churches and Churchyards of England and Wales** Richard Hayman, 2019-05-30 The parish church is a symbol of continuity a cornerstone of the urban and rural landscape and a treasure trove often as rich in cultural history as any museum This compact and accessible guide explores all of these aspects of the parish church beginning by examining why churches are built where they are and going on to explain how both church buildings and churchyards have changed over time It also describes their fixtures and furnishings including fonts screens stained glass and monuments explaining the ritual and symbolic purpose of these features and how their significance has shifted over time Lavishly illustrated with colour photographs this book will provide an indispensable primer for anyone who is curious about the nation's parish churches and wants to explore them further British Sources of Information P. Jackson, 2003-09-02 This comprehensive and versatile reference source will be a most important tool for anyone wishing to seek out information on virtually any aspect of British affairs life and culture The resources of a detailed bibliography directory and journals listing are combined in this single volume forming a unique guide to a multitude of diverse topics British politics government society literature thought arts economics history and geography Academic subjects as taught in British colleges and universities are covered with extensive reading lists of books and journals and sources of information for each discipline making this an invaluable manual *A Chronology of Western Architecture* Doreen Yarwood, 2010-01-01 Accessible to casual and serious readers alike this comprehensive survey ranges from 2000 BC to the 1980s and features more than 1 000 chronologically

arranged photographs and drawings Each of the 105 two page spreads represents a specific era and includes comments on architectural details and historical events of the period

Church Fonts Matthew Byrne,2020-02-20 The font is perhaps the most important part of any church For centuries no infant in the parish was thought to be saved from damnation until christened and fonts as the vessels for this crucial rite of passage were a pre eminent tool in the Church s fight against the Devil Standing within the public space of the church as with pews rood screens and chantry chapels fonts would have been paid for by the parishioners and so the richness of their decoration was determined by the funds available and the prevailing architectural fashions of the time Some of the more extravagant have elaborate multi tiered covers raised for use via ropes or chains and pulleys In this fascinating introduction Matthew Byrne explores the history of fonts in churches all over the nation highlighting some of the most notable examples and explaining their evolution across the centuries

The Art and Science of the Church Screen in Medieval Europe Spike Bucklow,Richard Marks,Lucy Wrapson,2017 Fresh examinations of one of the most important church furnishings of the middle ages The churches of medieval Europe contained richly carved and painted screens placed between the altar and the congregation they survive in particularly high numbers in England despite being partly dismantled during the Reformation While these screens divided lay from priestly jurisdiction it has also been argued that they served to unify architectural space This volume brings together the latest scholarship on the subject exploring in detail numerous aspects of the construction and painting of screens it aims in particular to unite perspectives from science and art history Examples are drawn from a wide geographical range from Scandinavia to Italy Spike Bucklow is Director of Research at the Hamilton Kerr Institute University of Cambridge Richard Marks is Emeritus Professor of the History of Art at the University of York and currently a member of the History of Art Department University of Cambridge Lucy Wrapson is Assistant to the Director at the Hamilton Kerr Institute University of Cambridge Contributors Paul Binski Spike Bucklow Donal Cooper David Griffith Hugh Harrison JacquelineJung Justin Kroesen Julian Luxford Richard Marks Ebbe Nyborg Eddie Sinclair Jeffrey West Lucy Wrapson
