**Qualitative Inquiry and the Conservative Challenge** Norman K Denzin, Michael D Giardina, 2016-07-01 This volume is a call to qualitative researchers to respond to the political and methodological conservatism of the new millennium Based upon the plenary papers at the first International Congress on Qualitative Inquiry 22 scholars from five countries and many academic disciplines address how qualitative inquiry can maintain its forward looking agenda its emphasis on ethical practice and its stance in favor of social justice in a world where conservatives aggressively control the political system the university and grant agency purse strings Contributions by such noted scholars as Patti Lather Janice Morse Linda Tuhiwai Smith Ernest House Yvonna Lincoln and H L Goodall Jr make this an important benchmark work for all involved in qualitative inquiry

**Tourism, Tradition and Culture** David Harrison, 2020-11-18 David Harrison has contributed to the academic study of tourism over the last 30 years This book brings together a collection of his published material that reflects the role played by tourism in development both in societies emerging from Western colonialism and in societies previously part of the Soviet system The overarching theme looks at how promoted as a tool for development tourism can lead to conflict between competing elites but can also empower groups previously subject to constraint by traditional authorities Tradition is intensely manipulatable and always reflects power relations Such pressure on tradition is but one aspect of tourism s wider social impacts This includes changes in economic and social structure which for many constitute social problems that need to be addressed At the same time sustainability though apparently a worthy aim can be a problematic concept especially when applied to traditional cultures and may conflict with such ideals as egalitarianism

**Portrait of an Early American Family** Randolph Shipley Klein, 2016-11-11 This book is a volume in the Penn Press Anniversary Collection To mark its 125th anniversary in 2015 the University of Pennsylvania Press rereleased more than 1 100 titles from Penn Press s distinguished backlist from 1899 1999 that had fallen out of print Spanning an entire century the Anniversary Collection offers peer reviewed scholarship in a wide range of subject areas

*The New Family ?* Elizabeth Bortolaia Silva, Carol Smart, 1999-02-08 Concern and debate over changes to family life have increased in the last decade as a result of evolving employment patterns shifting gender relations and more openness about sexual orientation Most politicians and researchers have viewed these changes as harmful suggesting that the family as an institution should not alter The New Family challenges these dominant views Leading academics in the field consider current diverse practices in families and reveal the lack of balance between policies based on how families should be and how they actually are illustrating the need for a broader definition of family This book shows the need to take fluidity and change in family arrangements seriously rather

Encyclopedia of the World's Minorities Carl Skutsch, 2013-11-07 This study of minorities involves the difficult issues of rights justice equality dignity identity autonomy political liberties and cultural freedoms The A Z Encyclopedia presents the facts arguments and areas of contention in over 560 entries in a clear objective manner For a full list of entries contributors

**Health, Money, Commerce, and Wealth** Donald C. Wood, Raja Swamy, 2024-05-30 Exploring the interconnectedness and uncertainty of today's economic world this volume thoughtfully considers core themes current trends and possibilities for the future      Gender, Family and Economy Rae Lesser Blumberg, 1991 The triple overlap refers to the link between gender stratification the household and economic variables In this volume leading sociologists examine this overlap as a totality providing theoretical concepts and new research on how the triple overlap works both inside the family and within the broader context of society Their competing conceptions of the interrelationship of gender family and economy are bolstered by empirical papers which raise questions of culture class and race within the contexts of both the developed and developing worlds Six of the articles in this volume were previously published as a Special Issue of Journal of Family Issues      Latin America, a Selected Functional and Country Bibliography: The countries of Latin America , 1968      **Latin America: The countries of Latin America** , 1968      *Double Passage* George Gmelch, 2025-10-01 Double Passage presents in their own words the lives and experiences of thirteen men and women from the island of Barbados who emigrated to North America and Britain and then years later returned home They tell of their decisions to leave the familiarity and security of home for an uncertain future in cities of the industrial world they explain what it is like to be black and immigrant in the predominantly white societies they settled in and they reveal their struggles to find work and decent housing to develop new relationships and to save enough money to be able to return home and assume the affluent lifestyle expected of returnees Double Passage is an extraordinary book that is able both to inform and to entertain      The Uses of Culture Cameron McCarthy, 2014-07-10 First Published in 1998 Routledge is an imprint of Taylor Francis an informa company      **Perspectives on the Caribbean** Philip W. Scher, 2009-09-15 perspectives on The Caribbean perspectives on The Caribbean Genuflecting to no tired metaphors this is a refreshing collection of cross disciplinary voices that compel new ways of seeing and thinking about the still undiscovered Caribbean Patricia Mohammed University of the West Indies St Augustine Presenting a broad understanding of the complex region of the Caribbean Perspectives on the Caribbean A Reader in Culture History and Representation provides a variety of viewpoints on the rich spectrum of Caribbean culture Essays carefully chosen from a vast body of existing literature expose readers to a variety of approaches voices and topics that have emerged in Caribbean studies Readings are interdisciplinary in nature and integrate themes from history folklore sociology anthropology and political economy Both contemporary viewpoints and classic readings reveal how the Caribbean has led scholars to new ways of exploring cultural hybridity in contemporary society Each section includes brief introductions to put the readings in context with the connections between modern Caribbean culture and its historical roots and also includes suggested readings for more in depth study Perspectives on the Caribbean offers revealing insights into one of the most diverse and complex

regions in the Americas      Perspectives in Caribbean Psychology Frederick W. Hickling, 2012-10-15 A comprehensive volume providing an overview of Caribbean psychology addressing culture and behaviour developmental psychology personality disorder issues of violence application of therapeutic models in the Caribbean and psychological assessment

Latin America, a Selected Functional and Country Bibliography ,1968      *Urbanization and Urban Growth in the Caribbean* Malcolm Cross, 1979-06-14 This book originally published in 1979 as part of the Urbanization in Developing Countries series examines the nature and impact of unplanned urban growth in the Caribbean Unlike other parts of the underdeveloped world Caribbean societies are unique in having been created by European economic and strategic needs The original instrument for this domination was the plantation that generated the infamous history of migration from Africa and Asia and which continues to exert an important influence in determining the structure and growth of major urban centres The book also surveys some distinctive features of Caribbean societies including family life religions and social divisions apparently based on race and colour and concludes by affirming the need to redirect development strategies from Western models towards the creation of a uniquely Caribbean identity based on the redevelopment of land and the revival of agriculture Examples are drawn from Cuba Haiti Puerto Rico and the Commonwealth Caribbean      *Parish behind God's Back* George Gmelch, Sharon Bohm Gmelch, 2025-10-01 One of the first things any visitor to Barbados notices is Barbadian youths wearing baseball caps and T shirts sporting the logos of North American teams and these days one is more likely to find an American sitcom on television than a Caribbean program The Parish behind God's Back describes the social fabric and everyday life of one rural parish on the island St Lucy including its many links to the outside world It is a contemporary ethnography of the local that takes into account the enormous influence of global factors such as tourism television foreign travel and return migrants Written with students in mind the book contains several unique features Each chapter blends descriptions of Barbadian culture with comparisons to North America throughout the authors include tales of not only their own fieldwork experiences but those of their undergraduate students and personal narratives are emphasized to engage interest in individuals This highly readable and thought provoking account should appeal to general readers with an interest in the Caribbean as well as to students of anthropology George Gmelch is Professor and Chair Department of Anthropology Union College Sharon Bohn Gmelch is Professor of Anthropology and Director of Women's Studies Union College

**Entrepreneurial Selves** Carla Freeman, 2015-02-15 *Entrepreneurial Selves* is an ethnography of neoliberalism Bridging political economy and affect studies Carla Freeman turns a spotlight on the entrepreneur a figure saluted across the globe as the very embodiment of neoliberalism Steeped in more than a decade of ethnography on the emergent entrepreneurial middle class of Barbados she finds dramatic reworkings of selfhood intimacy labor and life amid the rumbling effects of political economic restructuring She shows us that the d j vu of neoliberalism the global hailing of entrepreneurial flexibility and its concomitant project of self making can only be grasped through the thickness of cultural specificity where its costs

and pleasures are unevenly felt Freeman theorizes postcolonial neoliberalism by reimagining the Caribbean cultural model of reputation respectability This remarkable book will allow readers to see how the material social practices formerly associated with resistance to capitalism reputation are being mobilized in ways that sustain neoliberal precepts and in so doing re map class race and gender through a new emotional economy Caribbean Transformations Arthur H. Niehoff, Sidney W.

Mintz, 2017-09-04 Contact and clash amalgamation and accommodation resistance and change have marked the history of the Caribbean islands It is a unique region where people under the stress of slavery had to improvise invent and literally create forms of human association through which their pasts and the symbolic interpretation of their present could be structured Caribbean Transformations is divided into three major parts each preceded by a brief introductory chapter Part One begins with a look at the African antecedents of the Caribbean then discusses slavery and the plantation system Two chapters deal with slavery and forced labor in Puerto Rico and the history of a Puerto Rican plantation Part Two is concerned with the rise of a Caribbean peasantry the erstwhile slaves who separated themselves from the plantation system on small plots of land This creative adaptation led to the growth of a class of rural landowners producing a large part of their own subsistence but also selling to and buying from wider markets Mintz first discusses the origins of reconstructed peasantries and then proceeds to the specifics of the origins and history of the peasantry in Jamaica Part Three turns to Caribbean nationhood the political and economic forces that affected its shaping and the social structure of its component societies A separate chapter details the case of Haiti The book ends with a critique of the implications of Caribbean nationhood from an anthropological perspective stressing the ways that class color and other social dimensions continue to play important parts in the organization of Caribbean societies Caribbean Transformations lucidly written and presenting broad coverage of both time and space is essential reading for anthropologists sociologists historians and all others interested in the Caribbean in black studies in colonial problems in the relationships between colonial areas and the imperial powers and in culture change generally **Infrastructure, Morality, Food and Clothing, and New Developments in Latin America** Donald C.

Wood, 2021-12-13 Volume 41 of Research in Economic Anthropology explores a wide range of topics of interest to economic anthropology including the roles of money in social ties between people and moral concerns regarding these and other roles and uses of money in society
