Concepts which consider legal notions, land, real property, legal real estate, meaning, are analyzed. Characteristics of titles to land and interests as to the land of the law, landlord, tenant, of the concurrent ownership, are given. The essence of the doctrines of violating the boundaries of ownership, causing private inconveniences, taking possession of land by a person who does not have a title to it, is revealed. The monograph is targeted to students, graduate students, and teachers of law schools, employees of legislative, executive, and judicial authorities, as well as for all those interested in land civil law.
