*American Review* ,1855      *Intimate Communities* Sherrie A. Inness,1995 This work examines the many popular representations of student life at women s colleges produced in the United States during the Progressive Era In hundreds of college novels newspaper accounts popular periodical essays and scientific treatises the college woman was described and defined in a period when women s higher education was still socially suspect These representations had a large impact on how the public perceived women s higher education painting a picture of college life that must have seemed irresistible to young women The public image of the college woman was transformed from that of a homely sexless oddity doomed to spinsterhood to that of a vibrant attractive athletic young woman who would eventually marry While other scholars have argued that the Progressive Era was the golden age for women s single sex education pointing to the many positive depictions of the women s college student in the mass media Dr Inness suggests that these representations actually helped to perpetuate the status quo and did little to advance women s social rights Adopting a theoretic stand informed by such cultural critics and historians as Pierre Bourdieu Michel Foucault Helen Lefkowitz Horowitz and Carroll Smith Rosenberg Dr Inness examines the representation of the college woman in this period showing that representation not only described the college woman but also helped constitute her
