# English Serfdom American Slavery Or Ou

**Amanda Brickell Bellows**

## **English Serfdom American Slavery Or Ou:**

**Catalogue of the Public Library of the Polytechnic Society of Kentucky, 1880** Polytechnic Society of Kentucky, Louisville. Library, 1880

**American Slavery and Russian Serfdom in the Post-Emancipation Imagination** Amanda Brickell Bellows, 2020-04-17 The abolition of Russian serfdom in 1861 and American slavery in 1865 transformed both nations as Russian peasants and African Americans gained new rights as subjects and citizens During the second half of the long nineteenth century Americans and Russians responded to these societal transformations through a fascinating array of new cultural productions Analyzing portrayals of African Americans and Russian serfs in oil paintings advertisements fiction poetry and ephemera housed in American and Russian archives Amanda Brickell Bellows argues that these widely circulated depictions shaped collective memory of slavery and serfdom affected the development of national consciousness and influenced public opinion as peasants and freedpeople strove to exercise their newfound rights While acknowledging the core differences between chattel slavery and serfdom as well as the distinctions between each nation's post emancipation era Bellows highlights striking similarities between representations of slaves and serfs that were produced by elites in both nations as they sought to uphold a patriarchal vision of society Russian peasants and African American freedpeople countered simplistic paternalistic and racist depictions by producing dignified self representations of their traditions communities and accomplishments This book provides an important reconsideration of post emancipation assimilation race class and political power

**The Cambridge Companion to Slavery in American Literature** Ezra Tawil, Ezra F. Tawil, 2016-03-29 This book brings together leading scholars to examine slavery in American literature from the eighteenth century to the present day

**A History of Slavery and Serfdom** John Kells Ingram, 1895

**American Slavery, Atlantic Slavery, and Beyond** Enrico Dal Lago, 2015-12-22 American Slavery Atlantic Slavery and Beyond provides an up to date summary of past and present views of American slavery in international perspective and suggests new directions for current and future comparative scholarship It argues that we can better understand the nature and meaning of American slavery and antislavery if we place them clearly within a Euro American context Current scholarship on American slavery acknowledges the importance of the continental and Atlantic dimensions of the historical phenomenon comparing it often with slavery in the Caribbean and Latin America However since the 1980s a handful of studies has looked further and has compared American slavery with European forms of unfree and nominally free labor Building on this innovative scholarship this book treats the U S peculiar institution as part of both an Atlantic and a wider Euro American world It shows how the Euro American context is no less crucial than the Atlantic one in understanding colonial slavery and the American Revolution in an age of global enlightenment reformism and revolutionary upheavals the Cotton Kingdom's heyday in a world of systems of unfree labor and the making of radical Abolitionism and the occurrence of the American Civil War at a time when nationalist ideologies and nation building movements were widespread

**Putnam's Monthly Magazine of American Literature, Science**

and Art ,1854      **The Invention of the White Race: Racial oppression and social control** Theodore W. Allen,1994 A monumental study of the birth of racism in the American South which makes truly new and convincing points about one of the most critical problems in US history a highly original and seminal work David Roediger University of Missouri

**Frankish History** Paul Fouracre,2024-10-28 The volume consists of sixteen papers on the history of Francia between the seventh and eleventh centuries Originally published between 1979 and 2009 the papers are arranged around three interlinking themes the relationship between History and Hagiography the history of Francia under the respective regimes of the Merovingian and Carolingian kings and the problem of how states with weak governing institutions were able to exercise power over large areas The history of Francia has been one of the most productive areas of early medieval history over the past two generations Models of European development have been based on its rich materials and the fact that the polity lasted for half a millennium makes it a prime area for the study of the dialectic between continuity and change The papers collected here all have this big history as their background It is to be hoped that keying into such questions makes them both accessible and useful for students and teachers alike      Putnam's Monthly ,1854      **Putnam's Magazine** ,1854

**Putnam's Magazine. Original Papers on Literature, Science, Art, and National Interests** ,1854      *Down and Out in Early America* Billy G. Smith,2010-11-01 It has often been said that early America was the best poor man s country in the world After all wasn t there an abundance of land and a scarcity of laborers The law of supply and demand would seem to dictate that most early American working people enjoyed high wages and a decent material standard of living *Down and Out in Early America* presents the evidence for poverty versus plenty and concludes that financial insecurity was a widespread problem that plagued many early Americans The fact is that in early America only an extremely thin margin separated those who required assistance from those who were able to secure independently the necessities of life The reasons for this were many seasonal and cyclical unemployment inadequate wages health problems including mental illness alcoholism a large pool of migrants low pay for women abandoned families The situation was made worse by the inability of many communities to provide help for the poor except to incarcerate them in workhouses and almshouses The essays in this volume explore the lives and strategies of people who struggled with destitution evaluate the changing forms of poor relief and examine the political religious gender and racial aspects of poverty in early North America *Down and Out in Early America* features a distinguished lineup of historians In the first chapter Gary B Nash surveys the scholarship on poverty in early America and concludes that historians have failed to appreciate the numerous factors that generated widespread indigence Philip D Morgan examines poverty among slaves while Jean R Soderlund looks at the experience of Native Americans in New Jersey In the other essays Monique Bourque Ruth Wallis Herndon Tom Humphrey Susan E Klepp John E Murray Simon Newman J Richard Olivas and Karin Wulf look at the conditions of poverty across regions making this the most complete and comprehensive work of its kind      *Passions of the Nightless Night* John A. Karkala,2009-05-01 Dr John A Karkakala born in

India was educated at Bombay London and Columbia Universities He served in India s Foreign Missions in London Geneva and UN in New York for seven years As Professor of Comparative Eurasian Lit he taught at the State University of NY and Columbia University Currently he is a member of two Columbia University Seminars Shakespeare and South Asia He has published two novels a volume of poetry literary portrait of Jawaharlal Nehru essays on Indo English Lit and Bibliography of Indo English Lit 1800 1966 jointly with Leena A Karkala Adjunct Prof of English NY Institute of Technology His Anthology of Indian Literature from Vedas to Gitanjali published by Penguin Books was adopted as text in several colleges in USA and Canada and English medium colleges in Asia

**Intimacy and Family in Early American Writing** E. Burleigh, 2014-05-21 Through the prism of intimacy Burleigh sheds light on eighteenth and early nineteenth century American texts This insightful study shows how the trope of the family recurred to produce contradictory images both intimately familiar and frighteningly alienating through which Americans responded to upheavals in their cultural landscape *The Andover Review* ,1889

Slavery, Empathy, and Pornography Marcus Wood, 2002-11-21 Slavery Empathy and Pornography considers the operations of slavery and of abolition propaganda on the thought and literature of English from the late eighteenth to the mid nineteenth centuries Incorporating materials ranging from canonical literatures to the lowest form of street publication Marcus Wood writes from the conviction that slavery was and still is a dilemma for everyone in England and seeks to explain why English society has constructed Atlantic slavery in the way it has He takes on the works of canonic eighteenth and nineteenth century white authors which claimed when written to account for slavery and asks with some scepticism what kind of truth they hold Taking an interdisciplinary approach chapters focus on the writings of the major Romantic poets English Radicals William Cobbett and John Thelwall the Surinam writings of John Stedman the full range of slavery texts generated by Harriet Martineau John Newton and the social prophets Carlyle and Ruskin Slavery Empathy and Pornography also contains a radical new critique of the operations of slavery within the work of Austen and Charlotte Bront

**Communities of Grain** Victor V. Magagna, 1991 As an extended essay on an important theme of comparative history this is an impressive book By highlighting the irreducible particularities of rural communities in the past Magagna has written a book deeply informed by historical consciousness as well as contemporary social theory *Journal of Social History*

**Harmsworth History of the World** Arthur Mee, 1907 **Harmsworth History of the World: Western Europe from the Middle Ages to the close of the Napoleonic Era** Arthur Mee, 1909 **Liberty, Slavery and the Law in Early Modern Western Europe** Filip Batsel , 2020-01-03 This book investigates the legal evolution of the free soil principle in England France and the Low Countries during the Early Modern period ca 1500 1800 which essentially stated that as soon as slaves entered a certain country they would immediately gain their freedom This book synthesizes the existing literature on the origins and evolution of the principle adds new insights by drawing on previously undiscussed primary sources on the development of free soil in the Low Countries and employs a pan Western European and comparative approach to identify

and explain the differences and similarities in the application of this principle in France England and the Low Countries Divided into four sections the book begins with a brief introduction to the subject matter putting it in its historical context Slavery is legally defined using the established international law definition and both the status of slavery in Europe before the Early Modern Period and the Atlantic slave trade are discussed Secondly the book assesses the legal origins of the free soil principle in England France and the Low Countries during the period 1500 1650 and discusses the legal repercussions of slaves coming to England France and the Low Countries from other countries where the institution was legally recognized Thirdly it addresses the further development of the free soil principle during the period 1650 1800 In the fourth and last section the book uses the insights gained to provide a pan Western European and comparative perspective on the origins and application of the free soil principle in Western Europe In this regard it compares the origins of free soil for the respective countries discussed as well as its application during the heyday of the Atlantic slave trade This perspective makes it possible to explain some of the divergences in approaches between the countries examined and represents the first ever full scale country comparison on this subject in a book
