Mackey,2013-10-24 Dr Albert G Mackey also the author of The Lexicon of Freemasonry appears as author of this Encyclopedia of Freemasonry and its Kindred Sciences which being a library in itself superseded most of the Masonic works which have been tolerated by the craft chiefly because none better could be obtained Here in one giant volume is a work which fulfils the hope which sustained the author through ten years literary labor that under one cover he would furnish every Mason who might consult its pages the means of acquiring a knowledge of all matters connected with the science the philosophy and the history of his order For more than thirty years Dr Mackey has devoted earnest and constant study and research to the history the objects and the condition of Masonry In the present work the crowning and successful result of a life s labors he has received no assistance from any one He says Every article was written by myself and he adds which would

extenuate errors had he fallen into any For twelve months too of the time occupied upon this work I suffered from an affection of the sight which forbade all use of the eyes for purposes of study During that time now happily passed all authorities were consulted by the willing eyes of my daughters all writing was done by their hands I realized for a time the picture so often painted of the blind bard dictating his sublime verses to his daughters and his preface closes with the words Were I to dedicate this work at all my dedication should be To Filial Affection Up to the present time the modern literature of Freemasonry has been diffuse lumbering unreliable and out of all reasonable proportions *Some Deeper Aspects Of Masonic Symbolism* Arthur Edward Waite,2013 This is one of A E Waite s less known works on freemasonry but still essential to understand the order in itself This edition includes a detailed essay about Freemasonry its history and origins written by Hermann Gruber Contents Part I A System Of Morality The First Degree The Meaning Of Initiation Entered Passed Raised Imperfect Symbolism The Third Degree Part II The Book Of The Dead The Christian Mysteries The Mystical Fact The Place Of Darkness Operative Masonry The Old Charges Living Stones Part III The Kabalah The Divine Name The Temple The Builder Craft Masonry **The General Ahiman Rezon & Freemason's Guide** Daniel Sickels,2013-10-17 Containing Monitorial Instructions in the degrees of Entered Apprentice Fellow Craft and Master Masons with Explanatory Notes Emendations and Lectures together with the Ceremonies of Consecration and Dedication of New Lodges Installation of Grand and Subornate Officers Laying of Foundation Stones Dedication of Masonic Halls etc Conspiracy and Secret Societies in Hispanic Literature Janet Pérez,Genaro J. Pérez,2006 *Ancient Mysteries And Modern Masonry* Charles H. Vail,2013-10-24 The purpose of these lectures is to consider the origin and nature of the Ancient Mysteries and Modern Masonry and to show the relation which they bear one to the other Freemasonry deals largely with the morals and symbols of the Mysteries of Antiquity and originally was one of the channels of Ancient Wisdom There were a few among the founders of Modern Masonry who possessed the Royal Secret or at least had a knowledge of its existence and if the key has been lost the Mason as Heir apparent of the Old Wisdom should be foremost in the search for its recovery All agree that the Masonic symbols and traditions are of the greatest antiquity and can be traced to the far East to the earliest civilization from which time and place they have spoken in nature s language to all peoples of the earth We are more and more convinced that this picture language of our ritual contains a most complete philosophy a knowledge embracing the eternal verities of the universe and that these symbols were designed by the Initiates of old to preserve and convey that Ancient Wisdom to the present and future generations Though empires and dynastic continents have appeared and passed away these ancient symbols hewn in rock cut temples and monuments have served to convey the Great Secret from ages past and will continue its record as long as this part of the universe remains *Sociedades Secretas* Sylvia Browne,2009-05-01 Recien despus del xito de su libro Secretos y Misterios del Mundo Sylvia Browne escribe ahora sobre el mundo clandestino de las sociedades secretas Las investigaciones de Sylvia combinadas con su sorprendente comunicaci n con su gu a espiritual Francine ha

descubierto el hecho de que muchas sociedades secretas afectan las vidas de todos y cada uno de nosotros a diario ya sea en las reas de religi n pol tica econom a gobierno crimen u otras influencias mundiales Ella comparte su conocimiento sobre conspiraciones encubrimientos secretos ocultos la desinformaci n y las manipulaciones de poder de las sociedades secretas tanto en el pasado como en el presente y c mo pueden afectarnos hoy y en el futuro Desde los misteriosos secretos de los Caballeros Templarios hasta las poderosas sociedades secretas de la edad moderna Sylvia nos lleva en un viaje incre ble para explorar y descubrir la verdad Ella trata sobre la incre ble influencia de la masoner a sobre nuestros Padres Fundadores la influencia de la religi n en los secretos que sacuden la tierra y el terrorismo la agenda de las poderosas sociedades secretas para el Nuevo Orden Mundial y mucho m s Sylvia lo explora todo e incluso nos brinda informaci n sobre una poderosa sociedad secreta de la que nadie ha escuchado antes As que asegura tus ventanas y puertas y lee sobre estas sociedades y sus secretos algunos te pondr n realmente la carne de gallina

#### **The Meaning Of Masonry (Annotated Edition) W. L.**

Wilmshurst,2013-10-17 This most interesting and illuminative work is worthy a place on every Mason s bookshelf It seems taken for granted says the author that reception into the Order will automatically be accompanied by an ability to appreciate forthwith and at its full value all that one there finds The contrary is the case for Masonry is a veiled and cryptic expression of the difficult science of spiritual life and the understanding of it calls for special and informed guidance on the one hand and on the other a genuine and earnest desire for knowledge and no small capacity for spiritual perception on the part of those seeking to be instructed In Freemasonry as in all phases of life many are called but few are chosen Masonry is not a mere formalism but a life to be lived If you do not live the life you cannot know the doctrine Masonry is an effort to perpetuate the essential doctrines of the Ancient Mysteries but alas it does so in a very perfunctory manner So veiled are its allegories and symbols that it is almost impossible to penetrate into the Holy of Holies

#### **Illustrations Of Masonry William**

Preston,George Oliver,2013-10-24 This Tract is divided into Four Books In the First Book the excellency of Masonry is displayed In the Second Book the general plan of the subjects treated in the three Degrees is illustrated with occasional remarks and a brief description is given of the ancient ceremonies of the Order This part of the Treatise which the Author considers most essential for the instruction and improvement of his brethren is considerably extended in the later Editions The Third Book contains the copy of a curious old Manuscript on Masonry with annotations the better to explain this authentic document of antiquity The Fourth Book is restricted to the history of Masonry from its first appearance in England to the year 1812 in which are introduced the most remarkable occurrences of the Society both at home and abroad with some account of the principal Patrons and Protectors of the Fraternity at different periods
