Choice Selections from Over One Thousand Living American Poets Thomas William Herringshaw,1892 **A Christian Approach to Overcoming Disability** Elaine Leong Eng,2012-11-12 Learn how faith and psychological insight can combine to help Christians overcome physical disabilities After being diagnosed with retinitis pigmentosa Dr Elaine Leong Eng author of *Martha Martha How Christians Worry* knew she had to make important life changes This genetic disease would soon cause her eyesight to fail Her impending blindness meant that she would no longer be able to practice as an obstetrician gynecologist Her family life would never be the same nor would her self image A Christian Approach to Overcoming Disability A Doctor s Story is the poignant and inspiring story of Dr Eng s ultimately triumphant struggle with an untreatable illness and a life changing disability Once I heard the diagnosis I knew it was God s way of granting my prayer to be a full time mom to my babies God had prepared my heart to accept this news This so called tragedy in my life was very much for the good I had the chance to see and care for my children during those precious young years To play with them sing songs teach them feed them and do all those wonderful mothering things that many take for granted And now that they are grown I can see in my mind s eye all those great images and memories I enjoyed motherhood so much that I would not have changed my life in any way if given the chance This autobiographical book articulates the challenges faced by the blind and offers faith based and psychological techniques for coping with disability It highlights dozens of Scriptural passages that can provide an important foundation for coping and draws upon Dr Eng s experience as a psychiatrist to identify important issues and feelings about blindness and its psychological and emotional impact on every aspect of life In this insightful book you ll find firsthand information about the experience of becoming disabled and about living with even celebrating that disability and the new opportunities it presents insight about what family friends students and colleagues go through when someone close to them becomes disabled biblical references that demonstrate the importance of God in meeting physical challenges

important scriptural foundations for coping practical techniques for coping with disability from both religious and psychological perspectives advice on overcoming the feeling of being damaged goods and other problems of self esteem common to the disabled A Christian Approach to Overcoming Disability will inspire you with its message of hope It offers insights about finding inner peace no matter what hand life has dealt you and making the most of whatever God has planned for your life Anyone who knows a Christian who has any type of physical disability will benefit from reading this book

New Approaches To Human Reproduction Linda M. Whiteford, 2019-03-06 This book bridges the gap between cultural values and medical technology focusing in the areas of conception birth and neonatality It brings together research data and analysis particularly relevant for social scientists as well as nurses public health professionals and physicians

Parenting in Global Perspective Charlotte Faircloth, Diane M. Hoffman, Linda L. Layne, 2013-10-28 Drawing on both sociological and anthropological perspectives this volume explores cross national trends and everyday experiences of parenting Parenting in Global Perspective examines the significance of parenting as a subject of professional expertise and activity in which adults are increasingly expected to be emotionally absorbed and become personally fulfilled By focusing the significance of parenting as a form of relationship and as mediated by family relationships across time and space the book explores the points of accommodation and points of tension between parenting as defined by professionals and those experienced by parents themselves Specific themes include the ways in which the moral context for parenting is negotiated and sustained the structural constraints to good parenting particularly in cases of immigration or reproductive technologies the relationship between intimate family life and broader cultural trends parenting culture policy making and nationhood parenting and as adult identity work Including contributions on parenting from a range of ethnographic locales from Europe Canada and the US to non Euro American settings such as Turkey Chile and Brazil this volume presents a uniquely critical and international perspective which positions parenting as a global ideology that intersects in a variety of ways with the political social cultural and economic positions of parents and families

Finding the Way Bruce McNab, 2013-03-18 Life is a complex journey and each of us must find our own way But sometimes we take a wrong turn and get lost When that happens we have to backtrack and begin again We are living in a time when many young adults who dropped out of church in high school or college are seeking to reconnect with their faith while older Christians are feeling a need to turn their own lives around Finding the Way offers help for all Christians who are hungry for an intimate relationship with God and want to restart their spiritual journey on a path they can see clearly explain simply follow faithfully and share with others This is a book for those who want to practice Christian faith as a way of life not merely accept it as a system of doctrine We are not lost in a trackless twenty first century spiritual wasteland There is a Way that can lead us home to God We have companions on the journey and the Good Shepherd himself will guide us Finding the Way calls us to brave the steep upward journey with Jesus to rededicate ourselves boldly to the imitation of Christ

New Approaches Towards the 'Good Life' Hans-Uwe

Otto, Sabine Schäfer, 2014-08-13 The Capability Approach founded by Amartya Sen and Martha Nussbaum offers a justice-based analytical framework for human development. The contributions to the present volume show how the Capability Approach can be applied productively in empirical analyses of the life situations of young people and the educational institutions they attend in different parts of the world including Serbia, Kosovo, Kenya, India, Greece, and Germany. Moreover, the volume helps to extend the Capability Approach by relating it to different theoretical and methodological approaches such as the capability concept of Paul Ricoeur, critical materialism, critical discourse analysis, and biographical research. Thus, the volume delivers comprehensive insights into the social injustices to be found not only on the level of individual life paths but also in institutions and in educational policy while showing innovative ways of applying the Capability Approach in the social sciences. *Proceedings of International Conference on Data Analytics and Insights*

Nabendu Chaki, Nilanjana Dutta Roy, Sanjay Chakraborty, Papiya Debnath, Xin-She Yang, 2025-08-15 The book is a collection of peer-reviewed, best-selected research papers presented at the International Conference on Data Analytics and Insights (ICDAI) 2024 organized by Techno International, Kolkata, India, during July 25-27, 2024. The two volumes of the book cover important topics like sensor and network data analytics and insights, big data analytics and insights, biological and biomedical data analysis and insights, optimization techniques, time series analysis and forecasting, power and energy systems data analytics and insights, civil and environmental data analytics and insights, and industry and applications. **He Couldn't Let Go**

Dione Won, 2013-05-21 ACCOMPLISHED WELL-KNOWN ENTREPRENEUR WITH SUPERB ACCOLADES life takes an abrupt turn as a brief encounter with a particular woman who penetrates his thoughts. The explainable attraction he felt instantly resonant feelings suppressed years before. His charismatic manner attempts to gain favor only to find her elusive toward his gesture. Startled yet intrigued, he is compelled to find out more about the mysterious woman. Once her identity is revealed, he uses a business endeavor to obtain an audience. Convinced she is linked to his future, although current circumstances state otherwise. As this revelation materializes, it provides a glimpse into the idea of fulfillment, visualizing life with love. Transforming this career-driven, pretentious party man's world into a different dimension devoted now to creating this reality.
