Food in Time and Place Paul Freedman, Joyce E. Chaplin, Ken Albala, 2014-10-31 Food and cuisine are important subjects for historians across many areas of study Food after all is one of the most basic human needs and a foundational part of social and cultural histories Such topics as famines food supply nutrition and public health are addressed by historians specializing in every era and every nation Food in Time and Place delivers an unprecedented review of the state of historical research on food endorsed by the American Historical Association providing readers with a geographically chronologically and topically broad understanding of food cultures from ancient Mediterranean and medieval societies to France and its domination of haute cuisine Teachers students and scholars in food history will appreciate coverage of different thematic concerns such as transfers of crops conquest colonization immigration and modern forms of globalization

Appetite for Innovation M. Pilar Opazo, 2016-07-05 The name elBulli is synonymous with creativity and innovation Located in Catalonia Spain the three star Michelin restaurant led the world to molecular or techno emotional cooking and made creations such as pine nut marshmallows rose scented mozzarella liquid olives and melon caviar into sensational reality People traveled from all over the world if they could secure a reservation during its six months of operation to experience the wonder that chef Ferran Adrià and his team concocted in their test kitchen never offering the same dish twice Yet elBulli's business model proved unsustainable The restaurant converted to a foundation in 2011 and is working hard on its next revolution Will elBulli continue to innovate What must an organization do to create something new Appetite for Innovation is an organizational analysis of elBulli and the nature of innovation Pilar Opazo joined elBulli's inner circle as the restaurant transitioned from a for profit business to its new organizational model In this book she compares this moment to the culture of change that first made elBulli famous and then describes the novel forms of communication idea mobilization and embeddedness that continue to encourage the staff to focus and invent as a whole She finds that the successful strategies employed by elBulli are similar to those required for innovation in art music business and technology proving the value of the elBulli model across organizations and industries
