jury **Magical Urbanism** Mike Davis, 2000 Explores the Latinization of the American urban landscape discusses the impact it has had on society the economy and politics Clearinghouse Review ,2002 **Women and Gender in Central and Eastern Europe, Russia, and Eurasia** Mary Zirin, Irina Livezeanu, Christine D. Worobec, June Pachuta Farris, 2015-03-26 This is the first comprehensive multidisciplinary and multilingual bibliography on Women and Gender in East Central Europe and the Balkans Vol 1 and The Lands of the Former Soviet Union Vol 2 over the past millennium The coverage encompasses the relevant territories of the Russian Hapsburg and Ottoman empires Germany and Greece and the Jewish and Roma diasporas Topics range from legal status and marital customs to economic participation and gender roles plus unparalleled documentation of women writers and artists and autobiographical works of all kinds The volumes include approximately 30 000 bibliographic entries on works published through the end of 2000 as well as web sites and unpublished dissertations Many of the individual entries are annotated with brief descriptions of major works and the tables of contents for collections and anthologies The entries are cross referenced and each volume includes indexes **The Future of English in Asia** Michael O'Sullivan, David Huddart, Carmen Lee, 2015-10-05 This collection is unique in bringing together key thinkers on language and literature to discuss the future of English in Asia Many of the contributors are themselves responsible for important sub genres in English linguistics and literary studies and this collection gives them the opportunity to respond to each other directly The different chapters also respond to different contemporary debates and emerging trends and discourses that are hugely important for the future of English language teaching in schools across Asia This volume is also ground breaking in bringing English literary studies and Applied English Linguistics together in the contemporary Asian context The Future of English in Asia includes studies on the following subject areas Cultural Translation in World Englishes Multilingual Education English Futures and the function of Literature English Literary Studies in Japan and English and Social Media in Asia Well into this century it appears that it is still very difficult to know what to expect when it comes to the future of English The future of English will continue to be determined by complex local contexts As it has in other parts of the world the future of English in Asia will continue to rely on the proliferation of its transformations as much as its hegemonic status This volume reflects the widespread acknowledgement that whatever future English has will inevitably be shaped by its fate in Asia The collection will be a welcome resource for scholars and students of English linguistics English literary studies and topics related to the teaching of English in Asia **Contexts for Diversity and Gender Identities in Higher Education** Jaimie Hoffman, Patrick Blessinger, Mandla Makhanya, 2018-09-17 This volume provides educators with a global understanding of the challenges associated with equity and inclusion in higher education and it provides evidence based strategies for addressing the challenges associated with implementing equity and inclusion at higher education institutions around the world **Anglo-America and its Discontents** Peter J. Katzenstein, 2012-03-15 Anglo America is a clearly identifiable part of what is commonly referred to as the West The West exists this book argues in the form of multiple

traditions that have currency in America Europe the Americas and a few outposts in the Southern hemisphere Led by the British Empire until the beginning and by the United States since the middle of the twentieth century Anglo America has been at the very centre of world politics Bridging the European and the American West Anglo America is distinctive not unique These multiple Wests coexist with each other and with other civilizations as parts of one global civilization containing multiple modernities And like all other civilizations Anglo America is marked by multiple traditions and internal pluralism Once deeply held notions and practices of imperial rule and racial hierarchy now take the form of hegemony or multilateralism and politically contested versions of multiculturalism At its core Anglo America is fluid not fixed The analytical perspectives of this book are laid out in Katzenstein s opening and concluding chapters They are explored in seven outstanding case studies written by widely known authors which combine historical and contemporary perspectives Featuring an exceptional line up and representing a diversity of theoretical views within one integrative perspective this work will be of interest to all scholars and students of international relations sociology and political science

Knowledge & Discourse Colin Barron,Nigel Bruce,David Nunan,2014-06-06 Knowledge and Discourse presents an ecological approach to the study of discourse in social academic and professional practices It brings together distinguished scholars from diverse cultures India China Australia Canada among others and disciplines linguistics anthropology sociology philosophy The chapters collectively illustrate the ecological approach by exploring how language makes connections between subjective experiences as people construct meaning and action This book offers the reader a holistic interdisciplinary approach to the study of language as discourse questioning traditional views of disciplinary knowledge and the role of discourse in the pursuit construction and compartmentalisation of such knowledge Through the variety of disciplines experiences and approaches the contributors show how the world and word are contingent on each other The notions of connectivity contingency and change are themes that run through the book and in the interweaving of these themes readers will find persuasive illustrations of an ecological approach to applied linguistics
