Technical Terms and Phrases** Francis J. Hopcroft,Gergely Sirokman,2017-10-30 This reference manual provides a list of
approximately 300 technical terms and phrases common to environmental and civil engineering which non English speakers
often find difficult to understand in English The manual provides the terms and phrases in alphabetical order followed by a
concise English definition then a translation of the term in Hungarian and finally an interpretation or translation of the term
or phrase in Hungarian Following the Hungarian translations section the columns are reversed and reordered alphabetically
in Hungarian with the English term and translation following the Hungarian term or phrase The objective is to provide a
technical term reference manual for non English speaking students and engineers who are familiar with Hungarian but
uncomfortable with English and to provide a similar reference for English speaking students and engineers working in an
area of the world where the Hungarian language predominates *The Global Translator's Handbook* Morry
