English Sexualities 1700 18:

English Sexualities, 1700-1800 Tim Hitchcock, 1997-03-05 This fascinating and wide ranging analysis of gender and sexualities brings together the disparate literatures on demography love and marriage the body homosexuality lesbianism and the regulation of sexuality It makes available to both undergraduates and professionals these complex literatures in an accessible and readable form and in the process changes our understanding of the nature of the origins and development of modern sexual roles and gender relations

Daily Life in 18th-Century England Kirstin Olsen, 2017-04-17 Informative richly detailed and entertaining this book portrays daily life in England in 1700 1800 embracing all levels of society from the aristocracy to the very poor to describe a nation grappling with modernity When did Western life begin to strongly resemble our modern world Despite the tremendous evolution of society and technology in the last 50 years surprisingly many aspects of life in the 21st century in the United States directly date back to the 18th century across the Atlantic Daily Life in Eighteenth Century England covers specific topics that affect nearly everyone living in England in the 18th century the government including law and order race class and gender work and wages religion the family housing clothing and food It also describes aspects of life that were of greater relevance to some than others such as entertainment the city of London the provinces and beyond travel and tourism education health and hygiene and science and technology The book conveys what life was like for the common people in England in the years 1700 1800 through chapters that describe the state of society at the beginning of the century delineate both change and continuity by the century s end and identify which segments of society were impacted most by what changes for example improvements to roads a key change in marriage laws the steam engine and the booming textile industry Students and general readers alike will find the content interesting and the additional features such as appendices a chronology of major events and tables of information on comparative incomes and costs of representative items helpful in research or learning

The Routledge History of Sex and the Body Sarah Toulalan, Kate Fisher, 2013-03-20 The Routledge History of Sex and the Body provides an overview of the main themes surrounding the history of sexuality from 1500 to the present day The history of sex and the body is an expanding field in which vibrant debate on for instance the history of homosexuality is developing This book examines the current scholarship and looks towards future directions across the field The volume is divided into fourteen thematic chapters which are split into two chronological sections 1500 1750 and 1750 to present day Focusing on the history of sexuality and the body in the West but also interactions with a broader globe these thematic chapters survey the major areas of debate and discussion Covering themes such as science identity the gaze courtship reproduction sexual violence and the importance of race the volume offers a comprehensive view of the history of sex and the body The book concludes with an afterword in which the reader is invited to consider some of the tensions problems and areas deserving further scrutiny Including contributors renowned in their field of expertise this ground breaking collection is essential reading for all those interested in the history of sexuality and the

body **Sex and the Church in the Long Eighteenth Century** William Gibson, Joanne Begiato, 2017-02-28 The Long Eighteenth Century was the Age of Revolutions including the first sexual revolution In this era sexual toleration began and there was a marked increase in the discussion of morality extra marital sex pornography and same sex relationships in both print and visual culture media William Gibson and Joanne Begiato here consider the ways in which the Church of England dealt with sex and sexuality in this period Despite the backdrop of an increasingly secularising society religion continued to play a key role in politics family life and wider society and the eighteenth century Church was still therefore a considerable force especially in questions of morality This book integrates themes of gender and sexuality into a broader understanding of the Church of England in the eighteenth century It shows that rather than distancing itself from sex through diminishing teaching regulation and punishment the Church not only paid attention to it but its attitudes to sex and sexuality were at the core of society's reactions to the first sexual revolution The Lives and Letters of an Eighteenth-century Circle of Acquaintance Temma F. Berg, 2006 While most of the letter writers are unknown four achieved prominence the author Charlotte Lennox the Reverend Thomas Winstanley the navigator Charles Clerke and the bluestocking Susannah Dobson This book presents new perspectives on Lennox's and Winstanley's domestic lives Clerke's ambiguous encounters with indigenous peoples and Dobson's mysterious sexuality This book will appeal to eighteenth century scholars as well as to scholars in women's and cultural studies It will also be of interest to postcolonial queer and other literary theorists BOOK JACKET

Rakes, Highwaymen, and Pirates Erin Mackie, 2022-02-03 A study of the depiction and development of masculine figures in eighteenth century British literature Erin Mackie explores the shared histories of the modern polite English gentleman and other less respectable but no less celebrated eighteenth century masculine types the rake the highwayman and the pirate Mackie traces the emergence of these character types to the seventeenth and early eighteenth centuries when traditional aristocratic authority was increasingly challenged She argues that the development of the modern polite gentleman as a male archetype can only be fully comprehended when considered alongside figures of fallen nobility which although criminal were also glamorous enough to reinforce the same ideological order In Evelina's Lord Orville Clarissa's Lovelace Rookwood's Dick Turpin and Caleb Williams's Falkland Mackie reads the story of the ideal gentleman alongside that of the outlaw revealing the parallel lives of these seemingly contradictory characters Synthesizing the histories of masculinity manners and radicalism Rakes Highwaymen and Pirates offers a fresh perspective on the eighteenth century aristocratic male In this well researched study Mackie makes a strong case for the inclusion of alternative criminal masculinities in understanding the development of the modern English gentleman and patriarchy in the eighteenth century Situated at the nexus of gender theory and literary studies her book adds to the study of modern and late modern cultural norms of gender and sexuality through discourse analysis of literary and nonliterary texts Srividhya Swaminathan Journal of British Studies The topic is lively the writing clear and the argument persuasive Bringing together histories of criminality of gender and of

manners cuts across the period in a new way that promises to produce lively debate James Thompson University of North Carolina at Chapel Hill The central concern of this book is the transformation of the British gentleman from the so called Glorious Revolution through reformulations of patriarchy as exhibited in taste sensibility and virtue in the 18th century and beyond Choice

Christianity and Sexuality in the Early Modern World Merry E. Wiesner, 2000 In this global survey of Christianity and sexuality in the early modern period Merry Wiesner Hanks assesses the role of personal faith and the Church itself in the control and expression of all aspects of sexuality

A History of Leisure Peter Borsay, 2006-02-27 Leisure is a key aspect of modern living How did our ancestors experience recreation in the past and how does this relate to the present To answer these questions Peter Borsay examines the history of leisure in Britain over the past 500 years analysing elements of both continuity and change A History of Leisure Explores a range of pastimes from festive culture and music to tourism and sport Emphasises a conceptual and critical approach rather than a simple narrative history Covers a range of themes including economy state class identities place space and time Treats the constituent parts of the British Isles as a fluid and dynamic amalgam of local and national cultures and polities Authoritative and engaging this text challenges conventional views on the history of leisure and suggests new approaches to the subject Borsay draws upon the insights provided by a variety of disciplines alongside that of history anthropology the arts geography and sociology to offer an essential guide to this fascinating area of study

Manhood in Early Modern England Elizabeth A Foyster, 2014-09-25 This is the first book to focus on the relationships which men formed with their wives in early modern England making it an important contribution to a new understanding of English social family and gender history Dr Foyster redresses the balance of historical research which has largely concentrated on the public lives of prominent men The book looks at youth and courtship before marriage male fears of their wives gossip and sexual betrayal and male friendships before and after marriage Highlighted throughout is the importance of sexual reputation Based on both legal records and fictional sources this is a fascinating insight into the personal lives of ordinary men and women in early modern England

[The Independent Man](#) Matthew McCormack, 2005 In Georgian England independence was associated with manly virtue and physical vigour Fundamentally the political world was thought to consist of independent men exercising their consciences and standing up for the general good As such Georgians thought about political action and masculine virtue very differently to the ways in which we do today

Social Histories of Disability and Deformity David M. Turner, Kevin Stagg, 2006-09-27 Collecting together essays written by an international set of contributors this book provides an important contribution to the emerging field of disability history It explores changes in understandings of deformity and disability between the sixteenth and twentieth centuries and reveal the ways in which different societies have conceptualised the normal and the pathological Through a variety of case studies including early modern birth defects homosexuality smallpox scarring vaccination orthopaedics deaf education eugenics mental deficiency and the experiences of psychologically scarred military veterans this

book provides new perspectives on the history of physical sensory and intellectual anomaly Examining changes over five centuries it charts how disability was delineated from other forms of deformity and disfigurement by a clearer medical perspective Essays shed light on the experiences of oppressed minorities often hidden from mainstream history but also demonstrate the importance of discourses of disability and deformity as key cultural signifiers which disclose broader systems of power and authority citizenship and exclusion The diverse nature of the material in this book will make it relevant to scholars interested in cultural literary social and political as well as medical history Sexual Blackmail Angus McLaren, 2002-11-04 Sexual blackmail first reached public notice in the late eighteenth century when laws against sodomy were exploited by the unscrupulous to extort money from those they could entrap Angus McLaren chronicles this parasitic crime tracing its expansion in England and the United States through the Victorian era and into the first half of the twentieth century The labeling of certain sexual acts as disreputable if not actually criminal abortion infidelity prostitution and homosexuality armed would be blackmailers and led to a crescendo of court cases and public scandals in the 1920s and 1930s As the importance of sexual respectability was inflated so too was the spectacle of its loss Charting the rise and fall of sexual taboos and the shifting tides of shame McLaren enables us to survey evolving sexual practices and discussions He has mined the archives to tell his story through a host of fascinating characters and cases from male bounders to designing women from badger games to gold diggers from victimless crimes to homosexual outing He shows how these stories shocked educated entertained and destroyed the lives of their victims He also demonstrates how muckraking journalists con men and vengeful women determined the boundaries of sexual respectability and damned those considered deviant Ultimately the sexual revolution of the 1960s blurred the long rigid lines of respectability leading to a rapid decline of blackmail fears This fascinating view of the impact of regulating sexuality from the late Victorian Age to our own time demonstrates the centrality of blackmail to sexual practices deviance and the law **Governing Masculinities in the Early Modern Period**

Jacqueline Van Gent, 2016-04-22 Documenting lived experiences of men in charge of others this collection creates a social and cultural history of early modern governing masculinities It examines the tensions between normative discourses and lived experiences and their manifestations in a range of different sources and explores the insecurities anxieties and instability of masculine governance and the ways in which these were expressed or controlled in emotional states language or performance Focussing on moments of exercising power the collection seeks to understand the methods strategies discourses or resources that men were able or not to employ in order to have this power In order to elucidate the mechanisms of male governance the essays explore the following questions how was male governance demonstrated and enacted through men s and women s bodies What roles did women play in sustaining supporting or undermining governing masculinities And what are the relationship of specific spaces such as household or urban environments to notions and practice of governance Finally the collection emphasises the power of sources to articulate the ideas of governance held by

particular social groups and to obscure those of others Through a rich and wide range of case studies the collection explores what distinctions can be seen in ideas of authoritative masculine behaviour across Protestant and Catholic cultures British and Continental models from the late medieval to the end of the eighteenth century and between urban and national expressions of authority **Eighteenth-Century Britain, 1688-1783** Jeremy Black,2008-09-10 Jeremy Black sets the politics of eighteenth century Britain into the fascinating context of social economic cultural religious and scientific developments The second edition of this successful text by a leading authority in the field has now been updated and expanded to incorporate the latest research and scholarship **Hanoverian Britain: Oxford Bibliographies Online Research Guide** Mark Knights,2010-06 This ebook is a selective guide designed to help scholars and students of the ancient world find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated This ebook is just one of many articles from Oxford Bibliographies Online Atlantic History a continuously updated and growing online resource designed to provide authoritative guidance through the scholarship and other materials relevant to the study of Atlantic History the study of the transnational interconnections between Europe North America South America and Africa particularly in the early modern and colonial period Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit www.oxfordbibliographies.com

King James VI and I and the History of Homosexuality M. Young,1999-09-22 James VI and I was the most prominent homosexual figure in the early modern period Young has amassed the evidence surrounding James and related it to the larger history of homosexuality The result is a synthesis of old and new history that illuminates Jacobean politics and challenges many current assumptions about effeminacy manliness sodomy sexual constructs and sexual discourse before the eighteenth century **Identity and Agency in England, 1500-1800** J. Barry,H. French,2004-11-23 This collection of essays is arranged around the central issue raised by a raft of new empirical research the relationship between social identity or the vision of the self and the ways in which this can explain historical agency If identities in early modern society were multiple complex and dependent on context rather than homogenous consistent or easily determined then it is difficult to make simple causal links to behaviour This collection aims to make innovative new research on the structures of English society available to the wider scholarly audience The essays use a number of detailed contextual case studies to explore the twin themes of the nature of identities in early modern society and their role in influencing historical agency They examine the variety of identities available to individuals in early modern England and the ways in which these were invoked and employed [Making the Modern Criminal Law](#) Lindsay Farmer,2016-01-21 The Criminalization series arose from an

interdisciplinary investigation into criminalization focussing on the principles that might guide decisions about what kinds of conduct should be criminalized and the forms that criminalization should take Developing a normative theory of criminalization the series tackles the key questions at the heart of the issue what principles and goals should guide legislators in deciding what to criminalize How should criminal wrongs be classified and differentiated How should law enforcement officials apply the law s specifications of offences This the fifth book in the series offers a historical and conceptual account of the development of the modern criminal law in England and as it has spread to common law jurisdictions around the world The book offers a historical perspective on the development of theories of criminalization It shows how the emergence of theories of criminalization is inextricably linked to modern understandings of the criminal law as a conceptually distinct body of rules and how this in turn has been shaped by the changing functions of criminal law as an instrument of government in the modern state The book is structured in two main parts The first traces the development of the modern law as a distinct and conceptually distinct body of rules looking in particular at ideas of jurisdiction codification and responsibility The second part then engages in detailed analysis of specific areas of criminal law focusing on patterns of criminalization in relation to property the person and sexual conduct

Female Husbands Jen Manion,2020-03-26 Long before people identified as transgender or lesbian there were female husbands and the women who loved them Female husbands people assigned female who transed gender lived as men and married women were true queer pioneers Moving deftly from the colonial era to just before the First World War Jen Manion uncovers the riveting and very personal stories of ordinary people who lived as men despite tremendous risk danger violence and threat of punishment Female Husbands weaves the story of their lives in relation to broader social economic and political developments in the United States and the United Kingdom while also exploring how attitudes towards female husbands shifted in relation to transformations in gender politics and women s rights ultimately leading to the demise of the category of female husband in the early twentieth century Groundbreaking and influential Female Husbands offers a dynamic varied and complex history of the LGBTQ past

Christianity and Sexuality in the Early Modern World Merry E Wiesner-Hanks,2020-05-01 Christianity and Sexuality in the Early Modern World surveys the ways in which people from the time of Luther and Columbus to that of Thomas Jefferson used Christian ideas and institutions to regulate and shape sexual norms and conduct and examines the impact of their efforts Global in scope and geographic in organization the book contains chapters on Protestant Catholic and Orthodox Europe Latin America and the Caribbean Africa and Asia and North America It explores key topics including marriage and divorce fornication and illegitimacy clerical sexuality same sex relations witchcraft and love magic moral crimes and interracial relationships The book sets its findings within the context of many historical fields including the history of gender and sexuality and of colonialism and race Each chapter in this third edition has been updated to reflect new scholarship particularly on the actual lived experience of people around the world This has resulted in expanded coverage of nearly every

issue including notions of the body and of honor gendered religious symbols religious and racial intermarriage sexual and gender fluidity the process of conversion the interweaving of racial identity and religious ideologies and the role of Indigenous and enslaved people in shaping Christian traditions and practices It is ideal for students of the history of sexuality early modern Christianity and early modern gender

Eventually, you will completely discover a extra experience and talent by spending more cash. yet when? accomplish you consent that you require to acquire those all needs when having significantly cash? Why dont you try to acquire something basic in the beginning? Thats something that will lead you to comprehend even more approaching the globe, experience, some places, past history, amusement, and a lot more?

It is your utterly own time to decree reviewing habit. in the middle of guides you could enjoy now is **English Sexualities 1700 18** below.
