English Romantic Poetry An Annotated Bibliography:

English Romantic Poetry Brian Aubrey,1991-03-01 Keats Shelley Byron Wordsworth Coleridge Blake and eight of their contemporaries are the subject of this annotated bibliography of secondary literature [A Classified and Annotated Bibliography of All the Materials for the Study of the English Vernacular Mediaeval Drama in the University Library](#) Elizabeth Bond,1924 **A Reference Guide for English Studies** Michael J. Marcuse,2023-11-15 [The Romanticism Handbook](#) Sue Chaplin,Joel Faflak,2011-03-10 A one stop resource containing introductory material through to practical case studies in reading primary and secondary texts to introducing criticism and new directions in research *Romanticism, Medicine, and the Poet's Body* James Robert Allard,2016-04-08 That medicine becomes professionalized at the very moment that literature becomes Romantic is an important coincidence and James Allard makes the most of it His book restores the physical body to its proper place in Romantic studies by exploring the status of the human body during the period With meticulous detail he documents the way medical discourse consolidates a body susceptible to medical authority that is then represented in the works of Romantic era poets In doing so he attends not only to the history of medicine s professionalization but significantly to the rhetoric of legitimation that advances the authority of doctors over the bodies of patients and readers alike After surveying trends in Romantic era medicine and analyzing the body s treatment in key texts by Wordsworth and Joanna Baillie Allard moves quickly to his central subject the Poet Physician This hybrid figure discovered in the works of the medically trained John Keats John Thelwall Thomas Lovell Beddoes embodies the struggles occasioned by the discrepancies and affinities between medicine and poetry **Madness and the Romantic Poet** James Whitehead,2017-07-14 Madness and the Romantic Poet examines the longstanding and enduringly popular idea that poetry is connected to madness and mental illness The idea goes back to classical antiquity but it was given new life at the turn of the nineteenth century The book offers a new and much more complete history of its development than has previously been attempted alongside important associated ideas about individual genius creativity the emotions rationality and the mind in extreme states or disorder ideas that have been pervasive in modern popular culture More specifically the book tells the story of the initial growth and wider dissemination of the idea of the Romantic mad poet in the nineteenth century how and why this idea became so popular and how it interacted with the very different fortunes in reception and reputation of Romantic poets their poetry and attacks on or defences of Romanticism as a cultural trend generally again leaving a popular legacy that endured into the twentieth century Material covered includes nineteenth century journalism early literary criticism biography medical and psychiatric literature and poetry A wide range of scientific and pseudoscientific thinkers are discussed alongside major Romantic authors including Wordsworth Coleridge Blake Hazlitt Lamb Percy Bysshe Shelley Keats Byron and John Clare Using this array of sources and figures the book asks was the Romantic mad genius just a sentimental stereotype or a romantic myth Or does its long popularity tell us something serious about Romanticism and the role it has played or has been given in modern culture

Apocalypse and Millennium in English Romantic Poetry Morton D. Paley, 1999-10-07 The interrelationship of the ideas of apocalypse and millennium is a dominant concern of British Romanticism The Book of Revelation provides a model of history in which apocalypse is followed by millennium but in their various ways the major Romantic poets Blake Wordsworth Coleridge Byron Keats and Shelley question and even at times undermine the possibility of a successful secularization of this model No matter how confidently the sequence of apocalypse and millennium seems to be affirmed in some of the major works of the period the issue is always in doubt the fear that millennium may not ensue emerges as a significant if often repressed theme in the great works of the period Related to it is the tension in Romantic poetry between conflicting models of history itself history as teleology developing towards end time and millennium and history as purposeless cycle This subject matter is traced through a selection of works by the major poets partly through an exposition of their underlying intellectual traditions and partly through a close examination of the poems themselves

Jane Austen and the Romantic Poets William Deresiewicz, 2005-01-05 This elegant and thoughtful work offers an important new way of understanding Jane Austen by defining the fundamental impact and influence of British Romanticism on her later novels In comparing the earlier and later phases of Austen's career Deresiewicz addresses an important yet neglected issue regarding her work the longstanding critical consensus that Austen's last three novels Mansfield Park Emma and Persuasion represent far greater artistic achievements than do her first three Northanger Abbey Sense and Sensibility and Pride and Prejudice Jane Austen and the Romantic Poets offers a rich account of the differences between the two phases of Austen's career In doing so it contextualizes her later novels within the British Romantic movement and the works of Wordsworth Coleridge Scott and Byron Through close readings of Mansfield Park Emma and Persuasion Deresiewicz reveals the importance of Romantic ideas in Austen's later work considering the ways in which the novels investigate hidden mechanisms of psychic and affective life including substitution ambiguous relationships and widowhood Deresiewicz's innovative approach and its emphasis on Romanticism opens up new perspectives on Austen's later novels by exploring their patterns of imagery narrative logics and social and historical dimensions

An International Annotated Bibliography of Strindberg Studies 1870-2005: Autobiographies, novels, poetry, letters, historical works, natural history and science, linguistics, painting and the other arts, politics, psychopathology, biography, miscellaneous, dissertations Michael Robinson, 2008 This copiously annotated bibliography documents and examines the whole range of commentary on Strindberg's works and activity in many fields besides the plays for which he is internationally best known These include his prose fiction and poetry his work as an historian and natural historian and his relationship to the other arts most notably his painting It is concerned with both lasting works of literary and dramatic criticism as well as reviews of his books and plays in the theatre and some more ephemeral material all of this in several languages Organised generically and by subject and individual work the bibliography enables the reader to trace the changing impact of Strindberg and his works in various countries and during

different periods It is thus very much a study in reception as well as a bibliographical record of published material It traces the developing image of Strindberg and his writing both during his lifetime and in subsequent years and with frequent cross reference offers a comprehensive overview of a literary and existential project that has rarely been matched for its multifaceted diversity The bibliography is published in three parts Volume 1 General Studies 978 0 947623 81 4 and Volume 2 The Plays 978 0 947623 82 1 are also now available Michael Robinson is Emeritus Professor of Drama and Scandinavian Studies at the University of East Anglia Norwich Encyclopedia of Post-Colonial Literatures in English Eugene Benson,L.W. Conolly,2004-11-30 Post Colonial Literatures in English together with English Literature and American Literature form one of the three major groupings of literature in English and as such are widely studied around the world Their significance derives from the richness and variety of experience which they reflect In three volumes this Encyclopedia documents the history and development of this body of work and includes original research relating to the literatures of some 50 countries and territories In more than 1 600 entries written by more than 600 internationally recognized scholars it explores the effect of the colonial and post colonial experience on literatures in English worldwide *The Encyclopedia of Romantic Literature, 3 Volume Set* Frederick Burwick,Nancy Moore Goslee,Diane Long Hoeveler,2012-01-30 The Encyclopedia of Romantic Literature is an authoritative three volume reference work that covers British artistic literary and intellectual movements between 1780 and 1830 within the context of European transatlantic and colonial historical and cultural interaction Comprises over 275 entries ranging from 1 000 to 6 500 words arranged in A Z format across three fully cross referenced volumes Written by an international cast of leading and emerging scholars Entries explore genre development in prose poetry and drama of the Romantic period key authors and their works and key themes Also available online as part of the Wiley Blackwell Encyclopedia of Literature providing 24 7 access and powerful searching browsing and cross referencing capabilities **The Undergraduate's Companion to Women Poets of the World and Their Web Sites** Katharine A. Dean,2004-03-30 Devoted exclusively to women poets this volume in the Undergraduate Companion Series presents students with an abundance of important resources necessary for 21st century literary research The most authoritative informative and useful Web sites and print resources have carefully been selected and compiled in a bibliographic guide to the introductory works of 221 women poets who write in English or have works available in English translation Representing more than 25 nationalities worldwide the women included in this volume have each contributed significantly to the genre of poetry For each author you will find concise lists of the best Web sites and printed sources including biographies criticisms dictionaries handbooks indexes concordances journals and bibliographies *Life and Genius of Ariosto* Joseph Shield Nicholson,1914 Shelley's German Afterlives S. Schmid,2007-04-16 Schmid shows how reception processes work across linguistic national and cultural boundaries taking the English Romantic poet Shelley's German reception as a case study It also highlights Anglo German literary and cultural relations of the nineteenth and

twentieth centuries and supplies a theoretical framework for further analysis Re-Visioning Romanticism Carol Shiner Wilson, 2017-01-30 No detailed description available for Re Visioning Romanticism **Thomas Chatterton and Neglected Genius, 1760-1830** Daniel Cook, 2015-12-11 Long before Wordsworth etherealized him as the marvellous Boy The sleepless Soul that perished in its pride Thomas Chatterton was touted as the second Shakespeare by eighteenth century Shakespeareans ranked among the leading British poets by prominent literary critics and likened to the fashionable modern prose stylists Macpherson Sterne and Smollett His pseudo medieval Rowley poems in particular engendered a renewed fascination with ancient English literature With Chatterton as its case study this book offers new insights into the formation and development of literary scholarship in the period from the periodical press to the public lecture from the review to the anthology from textual to biographical criticism Cook demonstrates that while major scholars found Chatterton to be a pertinent subject for multiple literary debates in the eighteenth century by the end of the Romantic period he had become and still remains an unsettling model of hubristic genius **Biographies of Scientists** Roger Smith, 1998 Identifies over 500 sources of information about the lives of scientists for young and adult general readers and for scholars Entries ranging from a quarter to a half page in length explain briefly what the subjects achieved worthy of biography as well as describing the work in some detail The works cited include books encyclopedias and periodicals and both biography and autobiography The arrangement is by discipline the social sciences are not included with indexes by author and subject scientist Annotation copyrighted by Book News Inc Portland OR **Black/white Relations in American History** Leslie Vincent Tischauser, 1998 An annotated bibliography of more than 700 significant works concerning the function of race in American history It evaluates the most important historical sociological and psychological studies published since 1944 An introductory chapter describes and evaluates key general works on the origin and meaning of race and race relations After the introduction chapters are arranged in chronological order All consequential studies of slavery on the national state and local level are included with a brief synthesis of the major findings of the study The book continues through the Civil War the Reconstruction segregation and Jim Crow up to and including the ongoing Civil Rights movement begun in the late 1950s A final chapter includes works that attempt to imagine the cost economically socially and politically of black white racism and discrimination in the United States *Contemporary Southern Men Fiction Writers* Rosemary M. Canfield Reisman, Suzanne Booker-Canfield, 1998 This carefully annotated bibliography lists sources of criticism for thirty nine Southern male authors each of whom has published at least one significant book of fiction between 1970 and 1994 *Poems* William Wordsworth, 1990
