An Introduction to English Sentence Structure Andrew Radford, 2020-10-15 This new edition of Andrew Radford's outstanding resource for students is a step by step practical introduction to English syntax and syntactic principles written by a globally renowned expert in the field. Assuming little or no prior background in syntax, Radford outlines key concepts and how they can be used to describe various aspects of English sentence structure. Each chapter contains core modules focusing on a specific topic, a summary recapitulating the main points of the chapter, and a bibliographical section providing references to original source material. This edition has been extensively updated with new analyses, exercise materials, references, and a brand new chapter on adjuncts. Students will benefit from the online workbook which contains a vast amount of exercise material for each module, including self-study materials and a student answerbook for these. Teachers will value the extensive PowerPoints outlining module contents and the comprehensive teacher answerbook which covers all workbook and PowerPoint exercises.

An Introduction to English Sentence Structure International Student Edition Andrew Radford, 2010-02-25 This outstanding resource for students offers a step by step practical introduction to English syntax and syntactic principles as developed by Chomsky over the past 15 years. Assuming little or no prior background in syntax, Andrew Radford outlines the core concepts and how they can be used to describe various aspects of English sentence structure. This is an abridged version of Radford's major new textbook *Analysing English Sentences*, also published by Cambridge University Press, and will be welcomed as a handy introduction to current syntactic theory.

Analysing English Sentence Structure Andrew Radford, 2023-08-31 Andrew Radford has acquired an unrivalled reputation over the past forty years for writing syntax textbooks in which difficult concepts are clearly explained without excessive use of technical jargon. *Analysing English Sentence Structure* continues in this tradition, offering a well-structured intermediate course in English syntax and contemporary syntactic theory. Chapters are split into core modules, each focusing on a specific topic, and the reader is supported throughout with learning aids such as summaries, lists of key hypotheses and principles, extensive references, exercises with handy hints, and a glossary of terminology. Both teachers and instructors will benefit from the book's free online resources, which comprise an open access Students Answerbook and a password-protected Teachers Answerbook, each containing comprehensive answers to exercises with detailed tree diagrams. The book and accompanying resources are designed to serve both as a coursebook for use in class and as a self-study resource for use at home.
